The members of the family are well known to Lindsay citizens, having lived here for a number of years. KING EDWARD, THE PEACEMAKER

A nation sits in sadness,
Her head is bowed in grief
For it has pleased the good Lord
To call to Him our chief.

King Edward, of all monarchs
The world has ever seen,
Most gracious of the present,
More noble than hath been.

His work on earth is over,
But Britain's loss is done,
And the greatest of all empires
Mourns for her chiefest son.

But not the British empire
Alone doth mourn his loss,
His heart was with all nations
For peace and blessedness.

For like our Lord's, his short reign
Was love sown in men's hearts,
Which time will prove more lasting
Than guns and battlements.

And thus his loss is world-wide,
But Britain's loss is chief,
That's why we are in sadness,
Why stricken down in grief.

And though he's now departed
Yet will he never cease,
His life's work was to teach us
To live on earth in peace.

And when the page of history
Of acts heroic glow,
None greater than King Edward's
Its pages ne'er will show.

Arbitration Re Mud Lake Bridge

Woodville Advocate: The arbitration board appointed by the counties of Victoria and Ontario at their recent sessions in the matter of the new bridge to be built at the narrows of Mud Lake, in the township of Carden convened in Brechin on Thursday of last week. There were besides their Honors Judges McCrimmon, of Ontario, and Judge Harding, of Victoria, a number of legal lights with the county clerks and a host of witnesses who proposed to straighten out the tangle into which the counties have got in the efforts of their respective councils to shirk just responsibility.

The sessions of the court were held in the parlor of the "Arlington" hotel and much interesting evidence and information was produced, little of which, however, was not already known to the councils respecting the location and necessity for the work. As a matter of fact a little common sense and all this legal flummery which will cost the two counties at least a thousand dollars, would have been avoided, and the people of the respective counties saved the suspicion that they have been "done up" by their neighbors. The whole thing is a farce which is being enacted over and over at the expense of the ratepayers whose taxes are spent to fee lawyers and judges for services really unnecessary.

DOESN'T MEAN LINDSAY.

Exchange: The damp weather followed by the present warm sun has had its effect upon the grass and flower beds about the city to-day, the two flower spots at the St. George's square are beautiful in the extreme. The different rows of flowers with their various colors and blindings present a most pleasing sight. The grass is also much darker in color, than it has been, thus

far this year, and also this adds much to the general effect. Jubilee Park has also been affected by the warm rays of the sun and to-day the whole plot is dotted with dandelions.

Mr. Rutherford To Manage The Kawartha

The hotel is well equipped with hot and cold water and contains thirty good rooms.

Special Notice. BETTER THAN SPANKING.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box 2 Windsor, Ont., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her to-day if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

Several other similar letters received from time to time attesting the fact that the Watchman-Warder to those away from town is welcomed like a long home. Now is the time to subscribe, thus keeping your touch with the doings in their home town.

OBITUARY.

NEIL McMILLAN.

Hartley, May 2.—One of our old landmarks are removed to-day, and with heavy heart their remains in the quiet place of the dead. This was our sad duty to chronicle the death of a much-respected citizen, person of the late Neil McMillan, who had been a resident of our neighborhood. During his life he had seen the county in various stages of development, dense forest without convenient improvement to that of our fields and comfortable surroundings. A man of quiet disposition, known to love, an active member of the Eldon Presbyterian Church. For some time he was a valuer of the township and council, where he had the respect of his associates.

On Saturday, April 23rd, he was followed by many mourning friends to the Smith's Hill, Woodville, for interment. He leaves behind him a wife, four sons, Malcolm, of Woodville; John of Grasshill; and Dugald at home, and a daughter, Mrs. Neil McEachern, of Woodville. The family have the sympathy of the entire community in their bereavement.

MARY ANN KENNEDY.

Mary Ann Kennedy, relict of late Robert Kennedy, was buried on April 30, at the home of her daughter, Mrs. E. Queen-st., after an extended illness. She had reached the advanced age of 90 years, and was a pioneer citizen of Lindsay, having resided here for the past fifty years.

She was well and widely known in Lindsay and throughout the county. The deceased was born in Ireland and came to Canada with her parents many years ago. She resided for many years before coming to Lindsay. She leaves behind her loss one daughter, Mrs. M. Rutherford, and two sons, John and James, all residing in Lindsay. The funeral will be held on Friday afternoon from the home of her daughter, Mrs. Ellsworth, at two o'clock, and proceed to the cemetery for interment.

CALLED TO THE BAR.

Lindsay friends of Mr. T. M. son, of the firm of McLaughlin and Fulton, will congratulate on having passing his final examination and that he has been called to the bar by the Law Society of Ontario.

Jersey City won from Toronto the former place on Saturday 8.
