

The Thoroughbred Clydesdale FAVORITE KNIGHT

(6014) THE PROPERTY OF THOMAS WALDON Ops

He will make the season of 1910 at his own stable, lot 14, con. 6, ops, all week, omitting Saturdays, when he will be at Maunders Central House, Lindsay.

Favorite Knight in color is a beautiful dappled brown with white hind feet and white star on face, and weighs 1915 lbs.

Favorite Knight (6014) was sired by the well known Knight of St. Andrews (274) (4488). First dam Nell Erskine (6400) by Sir Erskine, (2119) (8253), second dam Scottish Lass by Scottish Champion (44) (140), third dam Nance, by Prince of Wales (296) (511), fourth dam by Wonderful Lad (112) (2).

It goes to show that his stock is turning out right, and my patrons are well satisfied. For in the years of 1907 and 1908 his colts were prize winners at the Lindsay Central, and his dam was also a prize winner in 1907. His gr. dam, sired by Scottish Champion, was winner of first prize at Cobourg, and first at Lindsay in 1882 and 1883 2nd at Lindsay, and in 1894 first at Lindsay. His g. gr. dam sired by Prince of Wales, was winner of first at Cobourg, first at Lindsay, and first at Omemece shows in 1882.

EARL GREY'S PROPHECY

"I have had abundant opportunity, probably more abundant than has ever been vouchsafed to man, to make myself closely acquainted with the high hopes and confident beliefs of the Canadian people, and to form a more or less adequate estimate of your tremendous potentialities. When I reflect on the vastness of your area, the fertility of your soil, the unlimited wealth of your natural resources, the invigorating nature of your climate, and on the strenuous character of your people, I feel as convinced as I am that to-morrow's sun will rise that nothing can prevent you from becoming, perhaps before the close of the present century, not only the granary but the heart and soul and rudder of the empire."

Extract from speech of Earl Grey at the prorogation at Ottawa.

FIELD CROP COMPETITION.

(To the Editor of The Watchman.)

Dear Sir,—For the past three years directors of Agricultural Societies which have taken part in the standing field crop competitions conducted by this branch of the Department of Agriculture have confined their entries chiefly to oats, wheat and barley. To those agricultural societies that have not yet selected their crop for this year's competition, I would strongly recommend that, where alfalfa has, even in a small way, been grown, it be the crop selected in view of the magnificent returns obtained from it wherever given a fair trial.

The farmers of Kansas have taken the advice of the Department of Agriculture and increased the acreage of alfalfa from 38,000 to 1,000,000 in a few years. Instead of impoverishing the land it enriches it, its roots going down from five to twenty feet, drawing moisture from beneath the soil and supplying nitrogen and mineral plant food to the surface. From two to four crops can be cut in a season and the plant attains a height of from 10 to 20 inches. This crop runs from 8 to 6 tons to the acre, and it makes splendid feed for all kinds of live stock.

I would ask your co-operation in encouraging the farmers to grow alfalfa, which will prove a veritable gold mine, to all concerned. In order to encourage societies to enter this crop liberal arrangements have been made by the department, full particulars of which will be furnished on application to me.

I am, herewith, enclosing you a short description of the cultivation and uses of alfalfa, which I am confident is one of the most valuable crops that can be grown.

Thanking you for your valuable assistance in the past, I remain, Faithfully yours, J. LOCKIE WILSON, Superintendent.

MODEL SCHOOL.

The following letter was received from Dr. Colquhoun, deputy Minister of Education.

Toronto, April 28rd, 1910. Dear Sir,—I am directed by the Minister of Education to inform you that he proposes to retain, for next session beginning September 1st, and ending December 15th) the Model School conducted last year in connection with your Public School.

Such Model Schools are intended for the preparation of candidates for the new Limited Third Class Certificates (old District), which will be valid under the regulations where teachers with First or Second Class Certificates are not procurable. The regulations affecting the Model Schools will be issued shortly. So far as your Board of Trustees is concerned the Minister requires:

- (1) That your Principal and the other Members of the Public School Staff shall be competent for the purposes of Model School; and (2) That so far as concerns the Model School Course the Principal and the Members of the staff engaged in the work shall be subject to the Minister's directions.

It is necessary that the Principals of the Schools shall have had successful Model School experience. The Minister desires you to submit for his consideration the name and qualifications of the Principal you propose.

In connection with the Session of the Model School the Minister will pay your Board the sum of \$500. He also requests that you will let him have your answer before May 15. I have the honor to be,

Your obedient servant, A. E. U. COLQUHOUN, Deputy Minister of Education

The Knox Tasteless Liquor, Drug and Tobacco Cure

We have yet to hear of one failure to cure where a fair trial has been given. Can be given without the person knowing it, is harmless and absolutely without taste. Mother, sister or wife, you would be doing a great work by giving this remedy to some members of your family. We will mail a full month's treatment for five dollars. Blood Was Bad.

From impure blood comes Pimples, Boils, Ulcers, Tumors, Abscesses, Festering Sores, Rashes, Constipation, Headaches, etc.

Get pure blood and keep it pure by removing every trace of impure morbid matter from the system by using

BURDOCK BLOOD BITTERS.

Mrs. Fred. Biggs, Kingston, Ont. writes:—"I was completely run down, my blood was out of order, and I used to get so weak I would be compelled to stay in bed for weeks at a time. I could not eat, was pale and thin; every one thought I was going into consumption. I tried everything and different doctors until a friend advised me to use Burdock Blood Bitters. I did not have one bottle used when my appetite began to improve. I used six bottles. I gained ten pounds in two weeks. When I began to take it I only weighed ninety-three pounds. It just seemed to pull me from the grave as I never expected to be strong again. I will tell every sufferer of your wonderful medicine."
