Number of Probationers --Much Business at the District Session

The ministerial section of the Lindsay district of the Methodist church held their annual session, beginning Rev. J. P. Wilson presided and all of the ministers and probationers were present. Some of the probationers to be sent to college are: Messrs. H. E. Graham, A. L. Phelps, G. F. McKenzie, G. C. Grant and J. E. Griffith, while W. P. Woodger will spend another year on his circuit.

Mr. Harvey Wilkinson was recommended to the conference as a candidate to the ministry. Rev. Thomas Brown and Samuel Down will continue as superannuated ministers.

Last evening a large crowd attended the public meeting in the church, despite the disagreeable weather. Mr. Robert Burns, of Omeme, delivered a very interesting address on Christian service in the Epworth League. Rev. H. W. Foley, of Bobcaygeon, gave an instructive missionary address in which he proposed that on account of the death of Rev. Robt. Emerson that the Sunday schools and Epworth Leagues of the Lindsay branch send out a new missionary of their own, a proposition which was supported by the Epworth Leagues of Lindsay and Cannington. This will probably go into effect.

This morning at the general session of the district at 9.30 o'clock

Rev. H. W. Foley was elected journal secretary and Rev. J. R. Riel statistical secretary.

In addition to the ministers and probationers of the district the following laymen are members, many of whom were present: Dr. Clarke, W. B. Sparring and Wm. McWaters, of Lindsay; T. C. Ivory, Omeme; Moses Ruth, Bethel; T. H. Robinson, Janetville; W. F. Webster, Dunsford; W. B. Feir, Cambury; Jos. McFarland, Fenelon Falls; D. McFarland and James Seymour, of Bobcaygeon; J. B. Sedgwick, Minden; T. H. Rodgers, Stanhope; Alex. Ryley, Wilberforce; H. McCall, Gooderham.

At this morning's session a resolution was carried, placing on record the heartfelt and profound sorrow because of the death of our greatly beloved and highly honored sovereign, King Edward VII. of immortal memory and also their deepest sympathy for the queen and royal family.

The statistics for the year show: Missionary income, \$3,447, an increase of \$290, while the membership of the church shows a net increase of 26.

Rev. E. A. Tonkin, of Cambury, was elected to represent the district on the station committee, with Rev. Thomas Snowdon, of Janetville.

The meeting was then adjourned until 1.30.

Presented with Life Membership of W. M. S.

Dunsford, May 18.—Mr. Thos. Robertson had the misfortune to be run over by a horse, and will be confined to his bed for a few days.

Miss Mona Wilson, of Omeme, is visiting her friend, Miss Alla Wilson.

Miss Lillie Gordon has returned after visiting friends in Millbrook. The W.M.S. met at the home of Mrs. Gordon last week and presented Mrs. M. E. Wilson with a life membership of the missionary society. The address was as follows:

Dear Mrs. Wilson: During the past four years that you have been with us, we deeply realize and are

grateful to you for the great help and inspiration that you have been to us in all the departments of our church work. Your life and example have been such as to promote a helpful Christian influence over us, and we believe the results of your earnest Christian work will yet bring glory to our Master, whom you delight to serve. As a slight token of appreciation and affection for you, we ask you to accept this life certificate of our Woman's Auxiliary of Dunsford, which we wish you all success in, while we regret your departure to your new home. Signed in behalf of our Woman's Auxiliary, and your Bible Class.

IMPROVEMENTS ON CANAL.

Mr. J. H. McClellan, the superintendent of the Trent canal, gave the Review to-day some interesting information regarding the general improvements that have been made to the canal at different points. At Kirkfield the approaches to the lock have been finished off, and the roads and grounds generally present a very attractive appearance. Electric lights have also been installed at the roughest part of the water there. The new lock at Rosedale has also

been completely finished and will be open for traffic by Lake Simcoe boats and for other navigation.—Peterboro Review.

Saddle Haberman, three years old, was run over by a wagon and killed at Toronto.

Mr. Borden's Tour Begins in East

Ottawa, May 18.—Although Mr. R. L. Borden will be confined to his house by his present indisposition for some days, no postponement of his tour through Ontario is anticipated. The itinerary is being arranged by Mr. Blount, Mr. Borden's private secretary, and Mr. J. E. Carstairs, Conservative organizer for Ontario. One of the first meetings will be held at Trenton.

It is intended that Mr. Borden will begin his tour in the eastern portion of the province and proceed westward by easy stages. The tour will extend from June 14 to June 25, inclusive. Judge Doherty, the Conservative member for St. Anne's Division, Montreal, will accompany Mr. Borden during the first week. It is expected that Sir James Whitney and other members of the Ontario Government will assist in making the tour a great success, and that Conservative members of the Legislature will speak at the various meetings in their localities.

Goes to England for Information

Mr. J. Lockie Wilson, Superintendent of Agricultural Societies for the Ontario Government, leaves this evening for England, where he will spend six weeks in the interests of the province. He will go armed with all kinds of booklets and literature relative to Ontario and its agricultural opportunities, and will distribute this literature broadcast through the Old Country. He also will visit the agricultural centres of Great Britain, for the purpose of gathering information for use in this province. Several large fairs are to be held in Britain this summer, and Mr. Wilson will attend most of them. On his return he will present an exhaustive report to the Government.

CHERRY PISSOM DREAM. And did you catch to-day, Along the sunny street, The honey heavy odors, Sweet, oh sweet?

Somewhere a cherry tree Had donned her pink and white To blush like a decked maiden, All a'g'ht.

What do the cherry trees, I wonder, dream in spring, Fair in a garden place where The birds sing?

I could not guess at all As in the street I stood— But this I knew most true, that Earth is good.

FIRE AT KITCHENER'S.

Fire which started in Rider & Kitchener's dry kiln a few minutes after six o'clock on Thursday, completely gutted the entire building, and nothing now remains but the walls. The cause of the fire is unknown, and was first noticed by some of the men, as they had left the factory for their homes.

The building, which was situated along with another dry kiln, near the main building, was filled with veneering, and is a total loss. The loss to the firm is estimated at \$1,200, and is partly covered by insurance.

The alarm was sounded at the fire hall at 6.01 p.m., and considering the long run the team made good time. The water was quickly turned on and the good work on the part of the firemen kept the flames inside the building.

The Superintendent of Agricultural Exhibitions is going to Britain on a mission for the Ontario Government.

1546 Boxes on Peterboro Cheese Board

Peterboro Examiner: Twenty-five factories boarded 1,546 boxes of cheese at the first sale of the season at the Peterboro Cheese Board Wednesday morning, and the lot was cleared off at the unusually high opening price of 10:11-16c.

The president, Mr. W. C. Switzer, occupied the chair, and there was a large attendance of both buyers and salesmen. Messrs. Cook, Morton and Gillespie divided the entire boarding between them. Prior to the sale some discussion took place on the advisability of a uniform brand for this district, and this step was decided upon.

Mr. Cook secured first selection, and at 10:11:16 purchased Shearer, Villiers, Warsaw, Westwood, Oakdale, Daisy D. Ormonde, Norwood, Killarney.

Mr. Morton, at the same figure, obtained Central Smith, Selwyn, Lakefield, Pine Grove, Maple Leaf, Young's Point, Lang, East Emily, Trevern, Fleetwood, and Shamrock.

Mr. Gillespie at 10:11-16c. bought the remaining factories—Keene, Warminster, King Edward, Indian River and North Dummer.

OF DOUBLE INTERSET IS THIS LETTER

IT REPORTS A REMARKABLE CURE OF KIDNEY AND BLADDER DISEASE FROM BELLEVILLE, ONT.

ALSO RECALLS MR. D. M. WATERS' FIRST PURCHASE OF DR. A. W. CHASE'S KIDNEY AND LIVER PILLS AND OINTMENT A QUARTER OF A CENTURY AGO.

When you read this letter you will readily understand why it is of special interest to us, for the druggist who sold the pills in this case gave his first order in 1885.

For twenty-five years Mr. Waters has watched the growth in popularity of Dr. Chase's Kidney-Liver Pills and other medicines can now point to hundreds of cures in Belleville and vicinity resulting from his recommendations of these well-known medicines.

If you are tired of experimenting why not use a medicine which has proven its undoubted control over diseases of the kidneys and liver? Let this letter convince you or send to us for records of hundreds of other cases.

Mr. Mark Ottrey, Bay Side, Ont., writes:—"I purchased two boxes of Dr. Chase's Kidney and Liver Pills from my druggist, D. M. Waters, Belleville, Ont., and the amount of satisfaction my wife obtained from their use has led me to ask my druggist to send you this letter.

Mrs. Ottrey suffered considerably with kidney and bladder trouble, causing great pain at times. The urine was very heavy and of a bad color. After taking a few doses of these pills she felt better and when she had used the two boxes she was entirely well."

The definite, direct and specific action of Dr. Chase's Kidney and Liver Pills on the liver, kidneys and bowels enables them to bring about cure in the most complicated cases. One pill a dose, 25 cents a box, at all dealers or Edmanson, Bates & Co., Toronto.
