PEOPLE'S PULPIT.
PASTOR RUSSELL'S DISCOURSE
The Overthrow of Satan's Empire

London, Eng., May 22.—Albert Memorial Hall was again crowded to hear Pastor Russell. The discourse, on "The Overthrow of Satan's Empire," was in the nature of a religious lecture. It was marked throughout by deepest reverence for the Bible, many of the passages of which shone out with a new meaning under the searchlight of his message. He asserted, and seemed to prove, the personality of Satan. But according to his showing it is a great mistake to suppose the Arch-enemy of mankind to be afar off stoking furnaces and torturing the dead. Instead, he is the cunning Deceiver who for centuries has been hoodwinking humanity, including the Church—putting darkness for light and light for darkness. God did not create him a devil. He became such by self-perversion through ambition. Originally his name was Lucifer—Morning Star. He beheld our first parents in Eden, noted their power to produce a race in their own likeness and coveted an empire with them as his subjects.
For six thousand years God has permitted Satan to exercise a measure of deceptive power over the race and to display to both angels and men the terrible results of sin, as exemplified in what the Apostle terms the "reign of sin and death," and the mental, moral and physical degradation resulting.
Satan has not been alone. Not only is he "the Prince of this world" or age, but additionally he is the "Prince of devils"—demons. The speaker showed from the Scriptures (Genesis vi; Jude 6) how these subordinate demons had once been holy angels, too—and when and where they sinned, and how.
The Apostle Peter gives the key to the real solution of the matter when, in reciting the events connected with the flood, he tells us of the fall of the angels at that time, who "in the days of Noah" kept not their first estate (I. Peter iii, 19, 20). Those angels who were permitted to have a measure of control of the fallen race, with a view to helping them as much as they might be able, and who, for the purpose of rendering such assistance to mankind, were pained ennobled of the human form, and preferred the human form to their own state as spirit beings. They thus left their original estate, as Jude also explains (Jude 6). These angels are the ones designated "the sons of God," none of the human family being given that name after the fall. The angels who fell from their noble work and condition, and became groveling and sensual, manifested clearly in their own course the downward tendency of all transgressions of the divine law.
"The Apostles Peter and Jude clearly mark out the punishment visited upon those 'sons of God' who thus betrayed their trust and fell into sin, 'leaving their own habitation,' their own nature, and affiliating with the human nature. Their punishment has been their deprivation of all such liberties, and their separation from God and from the holy angels; and this restraint is called, by the Apostle, 'chains of darkness,' while the restrained ones themselves, instead of being recognized as 'sons of God,' or angels of light, were thenceforth known as 'angels of darkness,' 'demons,' 'wicked spirits.' Incidentally we remark that these are the 'spirits in prison' mentioned by Peter (I. Peter iii, 19), and that although restricted as respects their powers of fellowship with the holy angels, and with mankind, being no longer privileged to appear as men, they still seek human fellowship, endeavoring to gain possession of human beings who yield up their wills, and who are then said to be possessed of devils or 'obsessed.' It is but a preliminary step toward thus getting possession of the individual that these wicked spirits appeal to humanity to become their mediums (spirit mediums), through whom they to some extent communicate. And they personate dead human beings, because they know well that humanity would shun them and fear them if their real identity were discovered.
"Satan and his subordinates have maintained a system of human deception," the speaker declared, and it must be confessed that he gave Biblical proofs for his every claim. He asserted that the communications believed by Spiritualists—Dr. Funk, Prof. Hyslop, Editor Stead and others—dead, are really deceptive communications from these fallen angels. So far from claiming that these professors are mediums practicing deception, his claim is that they themselves are deceived and are unintentionally leading others onward into a terrible Spiritualistic maelstrom, which, he declares, we are nearing, according to the Bible. He warned against hypnotism, mind cures, etc., practiced by well-meaning but deceived physicians, ministers and others. He declared that all these tended to break down the human will, the God-given barrier and defence of mankind against the encroachments of these fallen angels, who seek continually to intrude them-

selves into the mind, thoughts and will of men. He warned all against occult influences of every kind, urging that the human will should be preserved and should be submitted only to the Almighty, and to him only intelligently in accordance with his instructions in the Bible.
"Satan, through false doctrines—'doctrines of devils,' has entrenched himself in the superstitions and prejudices, not only of the heathen, but also of the civilized. The creeds of the Dark Ages evidenced the fact that he had much to do with their formulation. His false doctrines, antagonistic to the Bible, have been palmed off upon us as veritable Bible truths—just as Satan endeavored to twist and misapply the Bible to Jesus in his wilderness temptation (Mark iii, 13). Thus Satan has caused gross darkness to cover the heathen and considerable darkness to cover the civilized earth. But we are in the morning of the New Dispensation, which is to bring so much blessing to the world of mankind in the opening of the eyes of man's understanding, and in physical blessings and comforts. As a result we have the wonderful conveniences and appliances of steam and electricity, the printing press and the electric light, as instead of the tallow candle and quill pen of the past. 'Whatsoever doth make manifest is light,' and special light is due also at this time to God's consecrated people. The illumination now granted to the eyes of our understanding as Christians, through Bible study helps, is intended to be for the Christian what the arch-light is in nature.
"Man's subserviency to Satan is an unwilling captivity. Even those who realize their bondage do not generally recognize by whom they have been enslaved. But gradually the bonds are breaking as we near the time of Satan's overthrow. According to the Bible our Lord at his Second Advent will bind the Adversary for a thousand years that he may deceive mankind no more. Meantime all the blessed influences of light and Truth and grace will be let loose in the world and as a result, 'the knowledge of the glory of God shall fill the whole earth.' Instead of the darkness of the night of sin and death there will be the 'morning of joy,' and gladness and restitution and blessing. 'The sun of righteousness will arise with healing in his beams.' Of that glorious day Saint Peter spoke, saying, 'Times of refreshing, shall come from the presence of the Lord, and he shall send Jesus Christ, who before was preached unto you, whom the heavens must retain until the Times of Restoration of all things, which God hath spoken by the mouth of all his holy prophets since the world began' (Acts iii, 19-21). Satan's destruction, according to the Bible, will not be consummated until after the MILLENNIAL KINGDOM OF CHRIST shall have accomplished its glorious work of uplifting humanity out of sin and death conditions to full human perfection and the image of God. All the unwilling and disobedient will be counted as servants of Satan and will, with him, be destroyed in the Second Death—extinction—from which there will be no redemption or recovery.
"The missionary work of blessing and uplifting 'all the families of the earth' is appointed of God for the Millennial Kingdom—and, thank God, the evidences are that it is very near, yes, in a sense, already beginning. Its blessings are intimated by the wonderful progress of our day. Everything waits until the predetermined number of Missionaries shall have been called and schooled and tested and found worthy of the great and honorable work. The qualification is that each must be a 'copy of God's dear Son'—so far as heart intention is concerned. Then these Missionaries will be glorified like their Lord, on the spirit plane and with him they will constitute the 'Kingdom of God's dear Son,' which for a thousand years will bless the world and bring to pass all that the Lord our God has spoken, and more than we could have asked or thought.
"Christian people have no need to upbraid themselves on the score that the missionary efforts of eighteen centuries have accomplished comparatively little. They have no need to be discouraged with the fact that the census returns show that in the past century of the greatest missionary endeavor the proportionate numbers of the heathen have doubled (six hundred millions to-day). This is all as God foreknew and intended. God did not purpose the conversion of the heathen during this age, but commissioned his people to preach his Gospel to every nation for a witness, that the Elect Missionaries for the future work might be gathered from every country, people and tongue. God's will has been done. The Adversary temporarily misled the Church into a misunderstanding of her mission. He sought to have us lower our standard of sainthood, in order to increase the Church far and near. He sought to oppose the Divine will by lowering the standards of sainthood so as to include the masses of mankind. He thus worked against
