# I.O.F. Celebration on Holiday was a Big Success-The Events

The celebration on Victoria Day provided by the Court Lindsay No. 181, Independent Order of Foresters, brought out several thousand people, the main street being crowded tendance of 2500 people on the Agricultural Park in the afternoon, and Ladies' Lisle Thread Gloves, in five or six hundred at the concert in and the Academy of Music at night. The celebration was a decided success and tion with his presence, and there was of, Weese was an easy winner.

Praise is due to the members the following committee who so well looked after the various events : E. rick and Russell Ferrin. Maxsom, chairman; P. Conquersecretary; W. Warren, treasurer, and son of the Misses Kinnear. R. R. Elliott. Special reference should be made to Mr. W. F. Mc-Carty, the indefatigable secretary, who since the start has been a hard in the jumping events, and won sevworker.

THE TRADES PROCESSION.

The calithumpian parade and trades procession did not pan out as was expected, owing to the fact that a large number who had signified their intention of entering floats in the procession disappointed management. They failed to have their floats on hand, the result being that the procession was a dismal failure. It was led by Master Bell, the young son of Mr. George Bell, who was dressed as an Indian and riding a pony, followed by the fire wagon and the hose wagon, the members of the brigade being attired in uniform. The wagons were also well decorated, and the warnout was a very creditable one. The I.O.F. had a float and Maunder's fleur mill also had a float. A number of members of Court Silver City No. 4420, Haliburton, were present and joined in the procession, and among them were the following: W. R. Gorrie, C. D.; G. H. Potts, C.R.; F. Austin, F.S.; W. R. Coneybeare, R.S.; F. Agnew, P.C.R.; John Stollard, O.; H. Sipes, O.; G. Otto, S.J.C.; J. Potts, Treas.; Dr. Doady, W. Kellett, S.B.; S. Watt, J.B. G. Boyce, S.W.; F. Burford, J.W.; D. Watt, O. Watt.

The above Foresters wore sashes and presented a very good appearance. Messrs. A. L. Campbell, Wm. McWatters and S, Balfour trotter or pair in harness to a road also had rigs in the parade. There were two comic characters.

#### THE CITIZENS' BAND.

The newly organized Citizens' Band made their first appearance, and i seemed lke old times to see such good band on parade. Bandmaster Roenigk is to be congratulated on the excellence of the band this year. He has succeeded in gathering gether a large number of good players, and the music discoursed yesterday was all that could be desired. The Citizens' Band headed the parade in the morning, and also the parade to the grounds in the afternoon. At the grounds they rendered a number of choice selections, and many complimentary remarks were heard.

#### THE MARATHON.

Promptly at 1.30 o'clock the five mile marathon, one of the big features, of the celebration, commenced at the foot of Kent-st., and completed at the Agricultural Park, Price, of Toronto, winning by a few vards. His time was 29 min. 50 sec. which was 50 seconds slower than the Omemee marathon.

The race was in charge of Mr Alex. Paton and Mr. J. J. Thompson, of Peterboro, formerly physical director of the Y.M.C.A. There were fourteen entries, ten started and five anished. There were no local runners entered, and the large crowd pulled hard for the unknown Indian from FAT MAN'S RACE.

One of the most interesting events of the afternoon was the fat man's his playing last evening was greatly race, in which Clayton Weese, Jas. Hickey and Geo. Kent took part. EFFICIENT OFFICERS.

Much credit is due to Mr. J. Thompson, physical director of Peterboro Y.M.C.A., who handied the sports at the grounds, everything bising run off without a protest. Thompson is one of the cleverest athletic men in the business, and is a welcome visitor in Lindsay. He was ably assisted by Mr. A. M. Paton.

Wright, contralto; Donald C. Mc-Gregor, concert baritone; and W. J. White, comedian.

The program was a lengthy one, but well worth the price of admission. It was opened with an instrumental selection by Mr. Henry Cooke Hamilton, organist of Andrew's church, who played three popular patriotic pieces set to music composed by himself. As a pianist Mr. Hamilton is a leader, and

enjoyed by all present.

The singing of the Toronto artists proved them to be entertainers of the highest order, and they well merited the unstinted applause of the large audience. They rendered a program as follows: Solo, "O Canada," Donald C. McGregor; He got a bad tumble, scratching his "Springtime," Miss Bigwood, with ensore.
