Institute Meeting Largely Attended

Balsam Grove, May 24.—The annual business meeting of the Pleasant Valley W. I. was held at the home of Mrs. Jos. Moynes on Thursday, May 19. There was a good attendance, several visitors being present. Among them were Mrs. Dr. Gould and Mrs. Geo. Martin from Fenelon Falls, and Miss Janet McNeven from Reaboro. The president called them to order well on time. The minutes of the previous meeting were read and adopted. The president, Mrs. Jos. Moynes, gave a short address. She stated that since organizing the Pleasant Valley W. I. a year ago we have met with great success, more than she had hoped for. We have worked well together, each one trying to do her part. We have been benefited in different ways, not the least being the social way. No woman or girl within the bounds of an institute can afford to not attend the meetings. Miss F. S. Moynes was then called on for music, which was rendered in her usual clever way. The secretary, Miss F. S. Thurston, in her yearly review stated that they had held twelve meetings, the total attendance being 293. The end of the year found them with a balance of eight cents in the treasury. The election of officers then took place. A motion was made and carried unanimously that Mrs. Jos. Moynes be retained as president. Miss F. Thurston was appointed secretary-treasurer again. Miss M. Culls is first vice-president, and Mrs. W. Imrie be second vice. Mrs. John Smitheram was elected district representative. The president and secretary, also Mrs. Jos. Lee, will attend the annual district meeting to be held in Lindsay on June 3rd. Mrs. John Fisk had prepared a splendid paper "Wholesome reading for boys and girls," emphasizing the great necessity of choosing good reading for the boys and girls. This energetic branch have prepared their programs for the year, which is considered a great help. An instrumental by F. Moynes and the national anthem brought the meeting to a close. The next meeting will be at Mrs. Wm. Moynes' on June 29. Miss Campbell, of Brantford, will address the ladies. Lunch will be served, and all visitors will be welcome.

Mr. and Mrs. Moody G. Webster left on Friday last to spend the week end with relatives at Omamee. Mr. E. Chapman, of Toronto, was a business visitor at Mr. H. Dawson's last Saturday. Mr. R. C. Webster and son Moody, paid a flying visit to Lindsay last Monday. A number from our neighborhood contemplate attending the picnic at Cameron Point on the lake shore on May 24.

Manilla Nine Won the Baseball Tournament

At the I.O.F. first celebration held in Lindsay yesterday the chief attraction at the agricultural park was the big baseball tournament which commenced at 2 o'clock and did not conclude until after six o'clock. Four teams were entered: Manilla, Valentia, Togos and Millers of Lindsay. The Manilla boys, under the management of the veteran Andy Dixon presented a strong line-up and easily disposed of the Togos first and Valentia in the finals, carrying home with them the twenty-five "bucks" and the honor of winning the first ball tournament held in Lindsay for many years. Their victory was due chiefly to the good work of their pitcher "Kid" Keslick, who was the sensation of the Mariposa league last season, when he played for Cresswell. He had perfect control yesterday and twirled two fine games, allowing only a few scattered hits. He was ably supported by Andy Dixon, one of the best catchers in the county. The Manilla fielders played their positions well and hit the ball on the nose. They were easily the best team on the field and deserved the honor of winning the prize.

FIRST GAME. The first game was called at 2 o'clock between "Bill" Cinnamon's Millers and Valentia, champions of the Mariposa league. The game was a five-inning contest, Valentia winning by one run, the score being 3-2. The game was not what a fan would call a first-class exhibition of baseball, the Lindsay players being responsible for many overthrows, which lost for them the game. "Bill" Langdon started out to pitch, but only lasted one inning, when he was hit hard and retired in favor of "Plug" Hopkins, who used his "spit" ball to great advantage. "Bill" Cinnamon, the veteran catcher, was off color and threw badly to the bags. The junior players, McMahon and Williamson played well, McMahon getting a dandy two-bagger.

For Valentia Vic. Suggett, the former Oriental twirler, was on the slab and had Lindsay's heavy hitters at sea, allowing only four scattered hits. He was ably supported by the fielders behind him, who played almost errorless ball. They are also good hitters and very fast on the bagger. In the third innings a "scrap" in which "Bill" Cinnamon and "Hooky" Ferrin took part. Cinnamon while running from first to second ran into Perrin who, he said, was on the line, knocking him down along with the field umpire and the short-stop. In a moment the entire throng of spectators swarmed on the field and it took some time for the entire committee and the police to clear the field. When play was resumed Valentia refused to continue if Cinnamon played and the result was the veteran was put out of the game, Cain going behind the bat and Connell going to the outfield. The line-up: MILLERS 2, VALENTIA 3. Williamson l.f Hicks c. Langdon p 1-b J. Ferguson Workman 2-b V. Suggitt p Cinnamon c. W. Thompson 3rd Cain ss.-c Perrin 2nd Bigelow 3rd H. Tompson ss. Stewart c.f. J. Heatlie 1st Hopkins p & 1-b Rogers r.f. McMahon rf & 1-b T. Hood lf Connell l.f.

SECOND GAME. The second game between Dr. Hart's junior Togos and the champion Manilla team was what might be called a "fizzle" as the kids after the first innings were simply outclassed by not having the experience the Manilla boys have had. After the first innings the Manilla boys scored at will, due to the excitement on the part of the "kids," who fielded poorly and threw the ball all over the lot, allowing many runs to cross the plate. "Hickey" Hickinbottom, the kid twirler, was on the mound for the Togos and pitched a sterling article of ball. He was not hit hard, but received poor support. He used a quick-breaking curve ball and fooled many of the Manilla hitters. George Logan was behind the bat and acquitted himself well, throwing to the bases in grand style. The best man on the Togo line-up was "Pinky" Preston, who pulled down several difficult flies and made a perfect throw from deep right field to the plate, cutting off a run. For Manilla "Kid" Keslick and Andy Dixon were the battery and had the Togos at their mercy throughout the entire game. Keslick did not exert himself and at that the "kids" could not solve the delivery. Henley had the honor of scoring the only run for the "kids," which was the result of an overthrow by Manilla's third-base man. The Manilla team scored 12 runs, but only scored half a dozen safe hits. The line-up: MANILLA 12. Carew 2b Dixon c. Preston l.f Edwards ss. Henley r.f. Keslick p. Dennison ss. Hunter 1st Varcoe 2nd Nesbitt c.f Hickinbottom p H. Keslick 3rd Hildebrand 1st Patterson l.f. Bryans 3rd Cochrane c.f. Logan c. Wright r.f.

FINAL GAME. The final game between Manilla and Valentia was by far the best exhibition of baseball. Both teams were out to win, but the heavy hitters from Manilla won with ease, the final score being 8-3. Andy Dixon was the bright and shining star, throwing to bases perfectly, scoring three runs and hitting the ball hard. "Kid" Keslick was again on the mound and held the Valentia batters safe throughout. "Fat" Heatlie and his brother "Mick" were the battery for Valentia, while Suggitt went to first base. The Manilla sluggers found Heatlie's delivery much to their liking and hit the young pitcher hard, who retired after the third innings for Suggitt who had better success. Both teams fielded their positions like professionals, and Valentia lost simply because they could not hit, while the Manilla boys had their batting togs on in both games played. The line-up: MANILLA 8. VALENTIA 3. Dixon c. Hicks l.f. Edwards ss. Ferguson c.f. Suggitt 1st. p Perrin 2nd Hunter 1st J. Thompson ss. G. Heatlie p r.f. J. Heatlie c. W. Thompson 3rd Rogers r.f. Hood l.f. Patterson l.f. Cochrane c.f. Wright r.f. Rogers r.f. Umpires—F. Dennison, T. Burke, R. Butler.

FOR THIRD MONEY. At the conclusion of the final game the Togos and the Millers played off for third money, the "kids" winning by the score of 7-5, and you can bet they were the happiest bunch of kids in Lindsay winning \$10 on their first time out. The "kids" played a good game and deserved to win from the veterans. The northern nine played the same team with the exception of Workman. The prizes were awarded as follows: 1st—Manilla \$25. 2nd—Valentia \$15. 3rd—Togos \$10. Both country teams had large crowds of supporters and perhaps they weren't happy when their pets disposed of both Lindsay teams. The Manilla boys have a strong team and will win many games this summer.

Manilla boys have a strong team and will win many games this summer. Several Lindsay citizens visited Thurstonia Park on the holiday and enjoyed the day immensely. The only attraction was a football match between a team from Dunsford and a team from the Scotch line, in which the Dunsford boys came out best, the score being 2 to 0. It was a good game and well contested, the Dunsford boys getting one goal in each half. Mr. B. Wicks refereed to the satisfaction of everyone present. The teams were as follows: Scotch Line—W. Harper, L. Hayden, J. Mitchell, I. Lewis, B. Kennedy, H. Kennedy, G. Mitchell, D. Kennedy, S. Hunter, T. Bivind, A. Kennedy. Dunsford—J. Dunshy, A. Graham, A. Thurston, M. Thurston, L. Brien, C. Laplain, W. Irwin, A. Mitchell, G. Maiera, W. M. Thurston, W. Bulbeck. After the game a collection was taken up for the purpose of securing a silver cup for competition, and the sum of \$15 was secured. This amount, it is expected, will be supplemented to later. McCrea's yacht brought a large number of Lindsay citizens to the Park, which at the present time is looking its prettiest. CAMBRAY. Cambray, May 23.—Mr. J. T.
