**MUSCULAR RHEUMATISM**

Muscular rheumatism exists in two forms: Acute and chronic. In acute muscular rheumatism there is first noticed a dull pain in the muscles which gradually increases. This pain often shifts from one muscle to another and the working of these muscles makes the pain very severe. Muscular rheumatism is a blood disease and should not be neglected, a proper treatment should begin with the first symptoms. Rheumo is recommended by the foremost people everywhere because it drives all uric acid poisons from the blood and enriches it so that the system becomes healthy and free from the tortures of rheumatism. Philip Morgan sells Rheumo and guarantees it to give entire satisfaction or money refunded. Get a bottle of Rheumo to-day and rid yourself of rheumatism.

**MRS. JOHN CRAWFORD.**

Fleetwood, May 23.—It is painful duty to have to record the sad death of Mrs. John Crawford, which sad event took place on Wednesday morning, May 17th, at the age of 53 years. The late Mrs. Crawford became ill on or about January 1st and was under the skilful treatment of Dr. T. G. Breton, of Bethany, who done all he could to save her life, and under his advice she was taken to Toronto, where her case was given up as hopeless. Mrs. Crawford's maiden name was Jane Staples, daughter of the late Thomas Staples and was born in Manvers township. She was married to Mr. John Crawford in Lindsay on June 11th, 1884, and she leaves two sons, Fred and Percy and one daughter, Violet, along with her husband to mourn the loss sustained by a loving wife and mother. The funeral took place on Friday, May 19th, at 2 o'clock p.m. A funeral sermon was preached in her house by Rev. Patterson, of Lifford, assisted by the Rev. J. C. Poston of Bethany. The pall-bearers were: Messrs. J. L. Hart, T. K. Brown, John Shea, Herb. Lee, John Leslie and John McKinley. The floral tributes were numerous, including a wreath by Miss Sarah Hindman; a wreath by Miss Louie Scott; a wreath and bouquet by Mrs. A. Corby and a beautiful bouquet by Mrs. Thos. Crawford. The neighbors from far and near attended, making a very large funeral, showing the high esteem in which the deceased was held in this community. The large procession wended its way to St. Mary's burying ground, where Rev. J. C. Poston of Bethany, officiated, assisted by Rev. Mr. Patterson, of Lifford. The relatives from a distance were: Mrs. Allen Coates, of Peterboro, and Mrs. John Arnott, of Port Hope. Of her it may be said: "She hath done what she could." She was always a kindly neighbor, and greatly endeared herself to many during times of sickness and trouble. She gave herself unsparsingly to a ministry of helpfulness. Besides her husband two sons and one daughter to mourn her loss. Many outside the real home circle mourn the loss of a mother who was in the community. We extend our heartfelt sympathy to the bereaved husband and family.

**Old-Time Remedy Darkens the Hair**

From time immemorial, sage and sulphur have been used for the hair and scalp. Almost everyone knows of the value of such a combination for darkening the hair, for curing dandruff and falling hair, and for making the hair grow.

In olden times the only way to get a hair tonic of this sort was to brew it in the home fireplace, a method which was troublesome and not always satisfactory. Nowadays almost every up-to-date druggist can supply his patrons with a ready-to-use product, skilfully compounded in perfectly equipped laboratories. The Wyeth Chemical Company of New York put up an ideal remedy of this sort, called Wyeth's Sage and Sulphur Hair Remedy, and authorized druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.
