Death of Wm. ‡ Comments by a Cameron in New York

News reached town Wednesday dis ing the sad tidings that a well known young man who had previously lived in Lindsay in the person of Mr. Wm. Cameron had died in New York, on Sunday, April 21 The deceased had been living there for many years having left Lindsay about twelve years ago.

The details which are meager can by wire to his mother in Toronto, which city she and her daughter, (the latter a former employe Dundas & Flavelles Ltd.) went reside about four weeks ago.

Mr. Cameron , was a printer trade and at one time worked the staff of The Watchman-Warder. The deceased was possessed of brave spirit, and his love for venture led him to shoulder his gun during the Phillipine war, coming through the fight where cannons roared loudly and bullets whistled and filled the air like hail at times, without receiving any wounds scars incidental to battle.

It is expected that the body will be brought to Lindsay for interment in the family plot at Riverside cemetery. The deceased was 38 years of age
