# That Will Relieve Neuralgia."

The piercing pains of Neuralgia, which often follows a bad cold or La Grippe, are frequently almost unbearable and few medicines afford any selief to the sufferer.

I am a rural mail carrier and have been a user of the Dr. Miles medicines for years.

Dr. Miles' Anti-Pain Pills can't be beaten. They are the only thing I have found that will relieve my neuralgia and I have tried most everything, besides medicine from the doctor. I am willing to tell anyone what the Anti-Pain Pills did for me."

CHARLES HILDERBRANDT, Woodvill. Ohio

If you, like Mr. Hilderbrandt, "have tried most everything" in vain, why not do as he did, fight your aches and pains with Dr. Miles' Anti-Pain Pills. Let the pills bear the brant of the battle. No matter how stubborn the contest, they will come out victorious. Dr. Miles' Anti-Pain Pills

stand on their record, which is a long list of cures extending back a
