SEASONABLE ADVICE.

Bowmanville Statesman:
 There are more profitable uses
 for money than depositing it in
 banks. Farmers in this dis-
 trict as a rule have fat bank
 accounts, on which they are
 paid three per cent., and which
 is then loaned out by the
 banks to manufacturers. It
 would be much more profitable
 for the farmer if he would show
 his faith in his own line of
 manufacturing, and invest the
 money in pure-bred stock, the
 setting out of orchards, the
 building of better and more
 sanitary barns and stables, un-
 der-draining and other im-
 provements which will enable
 him to meet the increased de-
 mands which will be placed on
 the farmer in the years that
 are to come.

Two Years Suffering
 BROUGHT ON BY A SEVERE
 "STRAIN" — HOW A CURE WAS
 FOUND.

Mr. Joseph Stevens, Rosemount,
 Ont., is one of the great host who
 continually sound the praises of Dr.
 Williams' Pink Pills, and he has
 much reason to do so as they
 brought him from suffering to health
 after he had spent much money and
 two years of time experimenting
 with other treatments. Mr. Stevens
 tells his experience as follows: "In
 the month of January, 1908, while
 working in a logging camp at Cres-
 ton, B.C., I got my back badly in-
 jured. I suffered a great deal of
 pain and was almost helpless. I tried
 plasters, thinking they would help
 me, but they were of no use. I took
 several medicines equally without
 benefit. Then I was advised to try
 electrical treatment and did so for a
 time, but without getting any per-
 manent relief, and it began to look
 as though I was going to be perma-
 nently crippled. Then I was advised
 to undergo treatment with a special-
 ist at Spokane, Wash. After exam-
 ining me he said I was in a very bad
 shape and that the trouble was like-
 ly to result in Bright's Disease. How-
 ever, he told me that he felt sure he
 could cure me. At a heavy expense I
 was under his treatment for three
 months, but did not get the least
 benefit. I was almost in despair,
 work was plentiful and wages good,
 but I could not work, as I was
 quite unable to bend. I was in this
 condition for about two years, when
 my brother, who was with me all the
 time, came across one of Dr. Will-
 iams' pamphlets and read of the
 great work Dr. Williams' Pink Pills
 were doing. He urged me to try
 them, but I thought it would be use-
 less to spend more money after all
 the other treatments had failed. He
 insisted, however, and got a dozen
 boxes of the Pills and I began to
 take them. Before I had used half a
 dozen boxes I felt relief, and I con-
 tinued taking the Pills until every
 vestige of the pain was gone, and I
 could raise my hands above my
 head and then bend until I could
 touch my toes with my fingers, some-
 thing I had not been able to do for
 over two years. My cure was a great
 surprise to my comrades, and you
 may be sure I told them what
 brought it about. I am now as well
 and strong as any man in the coun-
 try and I owe it all to Dr. Will-
 iams' Pink Pills."

Sold by all medicine dealers or by
 mail at 50 cents a box or six boxes
 for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

First Circus of Year Made a Big "Hit"

The Daily Oklahoman, of Okla-
 homa, April 30, has the following to
 say regarding Howe's Great London
 Show, which will appear in Lindsay
 on June 3rd:

The first circus of the season, the
 Howe's Great London Shows, has
 been with us, and if the first of the
 year is a forecast of what is to come,
 Oklahoma city circusgoers certainly
 have something good in store for
 them. The Howe's show is good
 and it was all the more pleasing be-
 cause it is, perhaps, the cleanest
 show on the road. There is an
 absence of all the "graft" which
 forms one of the noticeable features
 of most of productions, and there is
 not a gambling device of any kind in
 evidence. The atmosphere of clean-
 liness extends to the performers, and
 aside from the ability they display-
 ed, there never has been a cleaner
 appearing aggregation of performers
 in Oklahoma city.

Accustomed to seeing fine horses
 with a circus, one gets something
 more than is expected with the Howe
 show. It is safe to say that there
 is not a circus on the road to-day
 that can show the equal of the horses
 carried with yesterday's attraction.

ents at Blythe, Ont., where they lived
 for a number of years. She had
 a very retentive memory and could
 recall many incidents of the pioneer
 days and the hardships endured by
 the early settlers.

The late Mrs. Rehill leaves her
 husband, a man over ninety years of
 age, four sons and two daughters to
 mourn her loss. They are: Messrs.
 George of Saskatoon; James and
 William, of Lumsden; Flemming, of
 Chicago; Mrs. (Dr.) Wood, of Lind-
 say; Mrs. (Rev.) Mounteer of Mad-
 doc.

Beautiful Kentucky thorough-breds,
 trained to do everything except talk,
 are the rule and there are so many
 of them that one hardly knows which
 to admire most. Going well with
 the blooded stock are the many ex-
 cellent equestrian acts, which are a
 feature of the show. The beautiful
 Scotch collie dog that takes part in
 one of the best bareback acts has no
 superior in beauty and intelligence.

The Howe show features a number
 of splendid Japanese acts. The New
 Yeno troupe with their marvelous
 acrobatic acts are by far the best
 ever seen here and are well worth a
 visit to the performance. The aerial
 work of all kinds was of the best,
 and there are plenty of thrillers to
 delight the older circus goers.

No circus would be complete with-
 out plenty of clowns, and there is a
 small army of the funny fellows with
 the Howe production. The best part
 of their performance is the fact that
 they pull off some really novel and
 funny stunts and get real laughs.

The show carries a select menage-
 rie and one of the attractions in
 this line that attracted universal
 comment was an enormous drome-
 dary, said to be the largest in Amer-
 ica. The circus also has the largest
 elephant, and among the features is
 a wonderful act by these big fellows
 that is in every way a novelty.

There is not a department in the
 circus that is not clean and high-
 class in every respect and it is put
 on with a snap and go that patrons
 of the sawdust ring like. Most
 shows carry something to please
 every member of the family, but the
 Howe show is one in which every act
 seems to please everybody.

The popularity with the rather
 small afternoon audience was demon-
 strated by the fact that at the night
 performance the big top was packed.
 The wagons and every part of the
 equipment was clean and sparkling
 and it is one of the rules of the
 rules of the Howe people to keep
 everything that way all season.

OBITUARY.

MRS. JOHN REHILL.
 Monday Mayor Dr. J. W. Wood re-
 ceived the sad intelligence that Mrs.
 Wood's mother, Mrs. John Regill,
 had passed away into the great be-
 yond, death occurring at Lumsden,
 Sask., where the deceased lady lived
 with her son James. Death, which
 took place on Sunday, May 19th,
 was not entirely unexpected, the de-
 ceased lady being almost ninety
 years of age, but nevertheless she
 was apparently in the best of health.

The late Mrs. Rehill was well-
 known in Lindsay and vicinity, hav-
 ing frequently visited her daughter,
 Mrs. (Dr.) Wood, while visiting in
 Lindsay. She was also a relative
 of Mr. G. A. Jordan, and at one
 time resided at Janetville. The de-
 ceased lady was born in the old
 country and came to this country
 when a child, settling with her par-
