No wonder there is so much backache in the spring, so much fatigue and lassitude from poison-laden systems. The accumulated winter poisons must be swept from the body. The kidneys make every effort to purify the blood, but the changing temperature of spring plays havoc with them. Congestion follows, the kidneys fail in their work and there are backaches, headache, tired feelings and too often serious develop-

You can help the kidneys wonderfully by using Dr. Chase's Kidney-Liver Pills. In a few hours the backache will disappear, and a little patient treatment will restore th activity of kidneys, liver and bowels and thoroughly purify the blood.
