How Lindsay Man was Killed at Peterboro

Referring to the accident at Peterboro on Saturday last when Mr. Alfred Johns, formerly of Lindsay, was killed, the Examiner says: It is attempting to stop a runaway on Barnardo-ave. Mr. Alfred Johns was knocked unconscious, sustaining broken ribs and cuts about the face, and after lying in the Nicholls hospital for the space of about twenty-six hours, passed away at 8:20 o'clock Sunday evening. The horse in question was a young one belonging to Mr. E. Walsh, who resides nearby. His son Harold was preparing to hitch the colt to a vehicle, when the animal escaped from the stable with only a halter attached, and bolted at full speed west on Barnardo-ave. Mr. Johns made a plucky attempt at stopping the runaway, which, however, continued its mad career, striking him with a sickening thud. He fell to the ground motionless. Simultaneously, Mr. George Finnie of Barnardo-ave., who had been acquainted of the runaway by his niece, came from his residence, and with the assistance of Mr. Gibbs, the caretaker of the Normal school, and several others, carried the injured man to his home. Dr. Frederick was immediately sent for. The injured man passed a bad night and on enquiry on Sunday morning it was learned that he had not yet recovered consciousness. Another enquiry at 7 o'clock in the evening, revealed the fact that he was dead. The accident is rendered more regrettable in the fact that Mr. Johns who has only recently taken up residence in that vicinity, leaves a wife and four small children, two boys and two girls. The deceased, who was forty years of age, was a native of Birmingham, Eng., but had been a citizen of this country for a number of years, coming to Peterboro from a spot a short distance north of Lindsay. He had made many friends during his stay in this city and his tragic end is regretted by not a few. He was a valued member of the Free Methodist church.

Young Hopeful—What did papa mean when he said to the man, 'You've got a good figure?' Doting Mamma—He, got a good price for some land he sold, my dear. Young Hopeful (innocently)—Mama, has the servant girl been selling some land, too? An unoccupied factory at Garden Hill, near Peterboro, was struck by lightning and destroyed; loss \$10,000.

ANNUAL MEETING OF MANILLA W. I.

Election of Officers--A Flourishing Society Manilla, May 27.—The annual meeting of the Manilla branch of the Women's Institute was held at the home of Mrs. W. L. Edwards on Wednesday, May 22. Mrs. *Dr. McPhail occupied the chair. Miss Gladys Coulter, of Toronto, favored the ladies with a piano instrumental solo, which was much enjoyed. The election of officers then took place for the ensuing year, and Mrs. McPhail, who has so ably filled the president's chair for the past two years, was re-elected. The sec-treas. Mrs. A. McDonald, who has so efficiently performed her duties to the satisfaction of all, was re-elected. Mrs. J. R. Sonley was elected vice-president and Mrs. R. Hodgson and Mrs. J. R. Sonley were appointed reporters; district representative, Miss K. Patterson; branch directors, Mrs. Trick, Mrs. G. Douglas, Mrs. T. Grills, Miss M. McInnes, Mrs. W. L. Edywards, and Mrs. J. Hamyll; question drawer, Mesdames Clark and Nugent; organist, Miss H. Hunter; auditors, Mrs. R. Elliker and Miss K. Murray; music committee, Mrs. W. Dixon, Miss Clara Thompson, Miss M. The secretary's report for the year's work was then read and found quite satisfactory and praiseworthy. This society has now a membership of 63. After the business part of the meeting was dispensed with the ladies adjourned to the dining-room, where a salad demonstration by Mrs. (Dr.) McPhail and Mrs. J. A. McLean took place. Recipes were given and five delicious and appetizing fruit and vegetable salads and dressings were made and enjoyed by all present. The meeting closed by singing "God Save the King." On Tuesday, June 25, at 8 p.m. an open meeting will be held in the hall. Mr. Stewart, of Lindsay, will be the speaker of the evening. On Friday, June 7th, an old-fashioned picnic will be held in Mr. R. T. Edwards' woods. Oakwood House Was Hit By the Lightning

During the heavy storm which passed over Mariposa township Tuesday afternoon the residence of Mr. Stephen Washington, of Oakwood, was struck and damaged considerably, while Mr. Washington had a very narrow escape from being killed. It appears that the lightning struck the chimney on the north wall, the bolt passing through the house and out the south wall. Mr. Washington, who is an elderly man, was sitting in his chair in the dining room and the bolt skimmed by his head, passing through the wall of the house a distance of two feet away.

HARTLEY Hartley, May 27.—Mr. Neil McEachern and family removed to Newcastle recently where Mr. McEachern is engaged with the C.P.R. contractors. Messrs. M. McFadyen and T. We are pleased to see Mrs. Connor out again after being confined to her house during the winter months. She is now spending a few days with Mrs. John Vanstone. Mr. A. Spence has improved the appearance of his house by painting the steel roof a brilliant red color. Last Thursday evening at the regular league service the officers of the Sunday School for the ensuing year were elected: Supt., Mr. W. Elford; teachers, Mr. Maxwell, Mr. Elford, Mr. Barker, Mrs. Maxwell, Secretary and organist, Miss Ross; Treasurer, Miss Florie Spence. Though the day was not too promising a number from here drove over to Cannington on the 24th and they report an enjoyable holiday. Messrs. S. Lovett and R. Spence had each a fine team and outfit for exhibition at the horse show. Mr. Spence was successful in winning first prize in the general purpose class with his team of blacks. Mr. and Mrs. W. Kenwell are visiting Mrs. Kenwell's parents, Mr. and Mrs. D. Brown. Mr. John Currie, has engaged his brother, Mr. Donald Currie, Lindsay, to assist him with his spring work. On Sunday, our pastor, Rev. W. R. Archer preached a very interesting sermon from II Kings, 5: 13, "Wash and be clean." The speaker increased the interest in his discourse by giving the historical relations of Naaman and Elisha and following this by a few beautiful word pictures. The attendance at the service was unusually large. Mr. J. S. McFadyen was elected as a school trustee to fill the vacancy caused by the resignation of Mr. S. J. McKinnon. The school bell has been repaired and its merry sound rings out once more.

Douglas Operated in This Vicinity Roland C. M. Douglas was sentenced Monday morning to two years and six months in Kingston Penitentiary by Judge Roger of Cobourg. Douglas was mentioned as the man who is alleged to have operated through this district some time ago. He was first arrested in Ottawa, after an information had been laid by Walter Cruise, a farmer residing near Port Hope. The case was heard in Cobourg this week before Judge Roger, who deferred sentence until Monday. Douglas claims to be a doctor.

National Training Camps For Militia Ottawa, May 27.—The Minister of Militia, Hon. Col. Hughes, is instituting an important change, making for economy of time and money in connection with the annual training camps. At present there is but one national military training ground for the higher tactical field manoeuvres and for artillery practice—namely, Petawawa. To this camp the artillery, the permanent corps, the engineering services, etc., are now brought from all parts of the Dominion. This involves a large expenditure for transportation and considerable loss of time to the men coming from the West or from the Maritime Provinces. The transportation contingent to Petawawa this year, for instance will be over \$30,000. Hon. Col. Hughes believes that there should be at least three national training camps for a country the size of Canada, and he is now negotiating for the purchase of areas in the Maritime Provinces and in the West where the men from these districts can secure the training for which they now have to come to Petawawa. Suitable areas can be purchased at a comparatively small cost and the present loss in time occupied in travelling will be saved to the corps, while the saving in transportation charges will considerably more than pay interest on the amount paid for the new camps.

KINMOUNT. Kinmount, May 27.—A most severe electrical storm accompanied by a down pour of rain and hail, also a very high wind, passed over this village last Thursday night, but no damage was reported in the neighborhood. Mr. Bert Hopkins has sold his residence to Mrs. Brandon, who moved into the village last Saturday. The blacksmithing carried on by Mr. Sherman, near the bridge, has passed into the hands of Mr. Joseph Holbrook, who will look after all work left for him, and do it up in a workmanlike manner. The induction of the Rev. Mr. Harry Walker into the Presbyterian charge of the Kinmount, Cobocok and Rosedale will take place at Cobocok on June 4th. Miss Leta Train visited at Peterboro for the holidays. Mrs. and Miss Thompson, of Bobcaygeon, visited friends in the village during the week end. Mr. Tom McEachern and Mr. Fred Mark, of the L.C.I., spent the holidays at their respective homes here. Mr. Robert Graham, of Toronto, was home for the week end. He returned to the city to-day. Mrs. White and Mrs. Finch, of Haliburton, visited at Dr. White's last week. Mr. Percy Hopkins and Mr. Robbie Frost spent the holidays with their friends in the village. Bobcaygeon Lumber Co's Mill a Prey To Fire--John Carew a Partner

Bobcaygeon, May 28.—The village was very much startled this afternoon when about 5.15 the fire bell tolled out its warning notes that the sawmill of the Bobcaygeon Lumber Company was on fire. There had been a heavy downpour of rain during the afternoon accompanied by a severe thunderstorm with hail and work had ceased for the afternoon. Volunteers turned out as is usually the case to lend a helping hand. Mr. Wm. Wolftrain, who was passing the fire hall at the time with his team on his way home from work, was pressed into service and drew the fire engine up to Mr. Edgar's slaughter house, but by the time the engine was ready for work all hope of saving the mill was over for the roof had then fallen in and the long smoke stack had toppled over to the ground. Just what was the cause, is yet a mystery. We are informed by Mr. Beck, manager, that the mill worked till about 3.30, and the whole of the employees, about 12, were still in the mill when the afternoon train pulled out from the station for Lindsay and Burkton. The engineer, Delbert Junkin and Ernest Kelso remained at the mill after the others had gone to make some fixing necessary for the next day, and when leaving had closed everything up tight. The engineer, we believe had seemingly got home when the fire bell rang. Some boys playing at Mr. Wolftrain's house above the dam, first saw the fire and gave the warning, but as it was over half a mile to the fire hall the fire had then covered the mill from end to end. This saw mill was first built by Mr. Joseph H. Sheriff on the south shore of Sturgeon Lake, 9 or 10 years ago: He sold out to Mr. Peter Grant, who with the late James Lewis and others formed a partnership and moved the mill to Bobcaygeon on to the site of the old Petrie mill. About five or six years ago Peter Grant & Co. sold out to Edward Beck, who with John Carew, of Lindsay, and Henry Kelley, formed a partnership known as the Bobcaygeon Lumber Co. The mill has been used mainly for custom sawing and was operated only during the winter months. This spring, however, they had an extra cut in, that the timber taken from the Stinson farm at Red Rock was towed down and cut here. The cut was no near over that one day, would have finished. Mr. Beck valued the plant at \$3,000. They carried \$1,200 insurance in two companies, the Metropolitan and the Independent. The mill is a complete loss, but owing to the heavy rain, nothing else was burned except a little lumber. —Mrs. Watson and Mrs. Walshre and son, Mr. John Walshre arrived in Lindsay this morning from Bradford, Eng. They are staying with Mrs. Newton, Wellington-st. Seven cases of smallpox are in the isolation house at Woodstock.

Colt Climbed up Farmer's Back --Lively Mix-up last Friday

Mr. Wm. Fox, of South Ops, happened with a serious mishap on Friday last, while leading a colt behind his buggy to pasture on the farm of Mr. Terry Brady, Cross Creeks. Mr. Fox can scarcely account for the accident which was done in an impromptu manner by the erratic young animal, which caused a bad mix-up for some minutes. The trouble started opposite the farm of Mr. Jas. Byrne, on the 7th con. of Ops, the colt becoming unmanageable from some unknown cause; all of a sudden making a leap for the buggy and climbing upon the driver's back, who attempted to drive the excited animal away with a whip. Meantime the colt got his feet tangled up in the wheels of the vehicle upsetting the outfit into the deep watercourse on the roadway. The driver lost control of the lines, which caused both horses to escape, but were finally captured by a farmer named James Fleming, who was returning from his daily occupation. Mr. Fox is not seriously injured, but bears many small dark patches on his body as a result of the accident.
