Seeding Delayed in Carden Township

Mr. Geo. Foster returned on Friday from the north country, after summoning the stipulated number of jurors to serve at the quarter session, which will be held in the county court house, on the 11th day of

June next. He reports the country north flooded with water, culverts are floated away in many places and Mr. Foster said he never suffered so much in his life from bad roads and travel. He came across many farms Carden where the owners did not have one acre of grain sown upon as yet. This happened some years ago, and the farmers of the town ship were late in seeding and still had as good a crop as usual.

COUGH

And Tickling Sensation in Throat.

Dr. Wood's Norway Pine Syrup Cured It.

Miss C. Danielson, Bowsman River, Man., writes:-"Last fall I had a very bad cough and a tickling sensation is my throat. It was so bad I could not sleep at night, so I went to a druggist and told him I wanted something for my cold, and he advised me to try Dr. Wood's Norway Pine Syrup which I did, and after taking one bottle I was completely cured. Let me recommend Dr. Wood's Norway Pine Syrup to anyone who suffers from a cough or throat irritation."

Dr. Wood's Norway Pine Syrup without a doubt one of the greatest cough and cold remedies on the market to-day, and so great has been its success there are numerous preparations put up to imitate it. Do not be imposed upon by taking one of these substitutes, but insist on being given "Dr. Wood's" when you ask for it.
