ARRIVALS.

(From Tuesday's Daily.)

—Mr. W. E. Austin, of Halliburton, transacted business in town to-day.

—Barstler E. E. Weldon was in Cobourg yesterday on business.

—Mr. R. H. Reid, of Bobcaygeon, visited Lindsay to-day on business.

—Mr. T. Wakelin, of Markham, was in town to-day on business.

—Mr. John Bunting is visiting his grandparents, Mr. and Mrs. John Bell, Victoria Road.

—Mr. T. W. Lumley and Miss Lumley, of Halliburton, are visiting friends in town.

—Judge McGillivray, of Whitby, passed through Lindsay on Monday from his summer cottage at Fenelon Falls.

—Mr. Herb Graham returned from Montreal this morning, whither he had been with several carloads of cattle.

—Mr. James Agnes, of North Ops, set to town on Monday morning to receive treatment in Wellisley Hospital, under the direction of Dr. Brae, for angina pectoris.

—Mr. James Douglas, a Mariposa farmer, who was taken to the Ross Memorial Hospital on Friday last, is still in the danger zone, and he is reported as very hopeless by the attending nurses. The patient is suffering from a form of paralysis, having received a stroke one month ago.

—Mr. James' success originated from a full receipt of a load of lumber which he was driving home last winter, on ascending the load the horse starting suddenly, throwing him from the sleigh. Since that time he has complained of pains in his back, but attributed to his farm duties as well until the stroke received at the time stated time. His physicians are considering the advisability of performing an operation upon him to remove the cause of the trouble.

—DIED.—In Mariposa, on Monday, May 19, J. Douglas in his 84th year.

PRICKED A PIMPLE

WITH A NEEDLE—DIED FROM BLOOD POISONING.

Kingston, May 19.—Mrs. Frank Acton, Kingston, is dead as a result of blood-poisoning resulting from pricking a pimple on her lip with a needle five days ago. She was thirty years of age, and leaves her husband and three children.

For information apply at the Dept. of Agriculture, Lindsay.

Drank Acid After Wife's Reprimand

Berlin, Ont., May 19.—Theodore Kischel, of Baden, committed suicide at his home last night by drinking the contents of a bottle of carbolic acid. When his wife returned home earlier in the evening she found that he had been drinking and reprimanded him. He went to the cupboard, took out the bottle, and died within a few minutes after drinking the drug. He is survived by his wife and two sons. He was in his forty-fifth year.

Arrests Man Wanted by Toronto Police

Chief of Police Chilton on information received from the detective department in Toronto, arrested a young man who had been stopping for some days at one of the Kent-st. hotels, charged with fraud. The prisoner is about 22 years of age and respectfully connected in Toronto, his father being engaged in the grocery trade. It is understood that he has relatives in Lindsay.

Chief Chilton wired Toronto that he succeeded in capturing his man, who will be taken to Toronto to-night or to-morrow morning. The amount of the fraud is about \$100.

WANTED HERE

Many charges will be placed against a young man who worked for a time with Mr. Robert Chambers, marble cutter, Cambridge-st. The young man in question worked for some time at the above marble works and was ordered by Mr. Chambers to go to Kinnmount and perform certain work in connection with headstones, which he did, but he never came back, and nine days have elapsed. He has taken with him an amount given for railroad fare, tools, expense money and several dollars which he collected from unsuspecting parties.

It is stated that he is traveling under an assumed name, and it is thought that he is the same man who operated similarly around Orillia about one year ago.

HOW TO COMBAT CATERPILLARS

Mr. Alex. McNeill, Chief of the Fruit Division, Dominion of Canada, is himself a practical farmer, and has for years been an enthusiastic orchardist. In talking with a representative of the Ottawa Valley Journal regarding his methods of treating the caterpillar pest in his orchard, Mr. McNeill said that he would cut out all the young cherry trees and seedling apples, or any other scrub that might furnish food and shelter to the caterpillar. This would do away with the existence of caterpillars in the immediate neighborhood, and when a distance had to be covered before they reached the orchard there was less chance of them giving any

Sexton Dies Ringing Bell for First Time

Brantford, May 19.—Death came with startling suddenness last evening to William B. Hill, about fifty-four years of age, who had just been engaged as sexton of Oxford Street Methodist Church. He was performing his new duties for the first time and was ringing the bell, summoning the worshippers to the evening service when he was seized with an attack of heart failure and dropped to the floor. When the ringing of the bell ceased, officers of the church went to the belfry and found him breathing his last. Doctors were summoned, but the man was beyond human aid.

RAIN WELCOMED BY FARMERS.

Warm weather is all the heart of the average farmer craves for at the present time. Crops are backward, considering the early season for seeding; the ground is dry, and vegetation is retarded. Rain and heat is badly needed to push forth the tender plants which are lying dormant for many weeks. Some of the agriculturalists are already dreading the opposite of last year, and that a dry season might be possible.

What the Town Council Did at Monday's Meeting

ANOTHER PARK.

A special meeting of the town council was held Monday evening for the express purpose of meeting Mr. John Carew, owner of the McDonald property on York-st., who agreed to hand this ideal piece of park property over to the town at the exact price it cost him.

Mr. Carew was present and stated in part: "The property belongs to me. In fact I have been trying to buy the property for two years, being authorized to buy it for a number of men, who wanted a club house. However, the price was too high at the time and nothing was done. I have recommended for years past the buying of that property for park purposes, but nothing was done. Later on when Mr. Squires and myself heard it could be bought for \$2,000 we decided to buy the property, if that was the price. The price named by Lawyer O'Connor was \$2500. Finally he decided to recommend the deal at \$2250 and later on we heard of the acceptance of the deal. The place is pretty small for a park unless the building is moved to Gunigle's livery barn. I will turn it over to the town for \$2295, which include's Mr. O'Connor's commission of \$45, and that is the exact price it cost me. It will cost money to put the old building in shape for a club house, but I think you could move the building over and turn the property into a park and a club house. There is no profit for anybody, but you can have it at the dollar it cost Mr. Squires and myself."

A CLUB HOUSE.

Ald. Smale—"I think Mr. Carew deserves the gratitude of the town for offering the property to the town and I feel his public spirit will be commended. I feel that we should own the property and I feel that Lindsay should have a club. We could make a long lease to any club, say at a \$1 per year, the club to fix up the house suitable for a men's club."

TERRACE THE HILL.

Reeve Kylie in part stated that the corporation should own the property, although he did not think the building should not be moved. Instead of having the road down the Peel-st. hill he would take the fence down and terrace the roadway and then build winding cement steps down the hill.

WOULD COST \$5,000.

First Deputy-Reeve Dobson suggested that Mr. Carew and his friends buy the house and a portion of the grounds. They could fix it up to suit themselves, while the town could have the balance for a park. "If we buy it and fix it up it will cost about \$5,000."

NEW SIDEWALK.

Mayor Beal brought up the question of building a sidewalk on the south side of Kent-st. from Victoria-ave. and Sussex-st., which will be built by the National Concrete Company. His Worship thought the job should be at Sussex-st., while Ald. Smale claimed it should be at the railway track. The latter also stated that by putting the jog at the railway track the Office Fittings and Library Co. could build a nice boulevard.

MOTION OF APPRECIATION

A motion of appreciation was put through thanking Mr. Carew and Mr. Squires for their kindness in the above matter, the resolution being moved by Reeve Kylie and seconded by Ald. Nicholls.

TO SETTLE OLD ACCOUNT.

On motion the mayor, Clerk Ray, the town solicitor, Ald. Smale and Dobson were appointed a committee to meet Engineer Smith in regard to making a settlement re his work in connection with the Sussex-st. drain.

ANOTHER INDUSTRY.

His Worship Mayor Beal read a letter received from a former Lindsay boy, Mr. Percy Cullon, re the locating in Lindsay of a manufacturing concern, a company which would manufacture galvanized electro conduits, with the necessary automatic machinery for making of pipe supplies, etc. The company would require one acre of ground with No. 1 shipping facilities. The building to be erected would cost about \$25,000 and the machinery \$40,000, the stock \$30,000. Sixty-five hands will be employed, while the pay roll will amount to \$65,000 a year.

NEW BAND STAND.

Clerk Ray informed the members of the council that Col. the Hon. Sam. Hughes has issued instructions that a new band stand, in keeping with the new armories, be erected on Victoria Park.

POST OFFICE CLOCK.

First Deputy-Reeve Dobson urged that Clerk Ray communicate with the proper authorities in regard to having the clock placed in the post office tower as promised by the Government.

GRANT I.O.F. \$50.

The matter of allowing the Independent Order of Foresters a grant of \$50 towards their monster demonstration on Victoria Day was next introduced.

GRANT I.O.F. \$50.

Ald. Irvine favored giving the grant as a guarantee. That is, if the Foresters went in the hole the town would guarantee the grant.

REVEE KYLIE'S OPINION.

Reeve Kylie was of the same opinion as Ald. Irvine, but thought if the Foresters had a good day they should not expect the grant. \$50, he stated, could be used in various other ways. However, if they went behind then he would be perfectly willing to issue the grant.

WATCH FOR BALLOON.

On motion Mr. Reub L. Morgan was granted the privilege of sending up a paper balloon on Thursday evening on Kent-st., to relieve the town of all liability.

CIRCUS COMING.

Mayor Beal informed the town fathers that Barnum and Bailey's circus intended visiting Lindsay in June, the advance man having called upon him in reference to the license. The circus people wished to invade the town and pitch their tents for \$25, but His Worship stated that he held out for \$50.

ALD. WARREN'S OPINION.

Ald. Warren—"If I had my way I would put it up to \$100. They take a lot of money from the district."

MAJOR BEAL'S OPINION.

Mayor Beal—"So would I." And fifty green backs it remains.

A NEW FLAG.

His Worship also informed the council that he had an offer from a Lindsay lady, who wished to sell a large silk flag to the town for the town hall. The flag, he stated, cost originally \$50, but the owner would sell it to the town for \$25.

FIRST DEPUTY-REEVE DOBSON.

First Deputy-Reeve Dobson—"I bought a flag the other day, and if there is any grumbling about the Union Jack I will stay behind it. This flag is a good one, and it is fly on this building, and it only cost \$1."

ALD. NAYLOR'S OPINION.

Ald. Naylor—"It's a good one, too. I saw it."

ALD. WARREN'S OPINION.

Ald. Warren—"Did you bury the old Union Jack decently? The town property committee should examine the old flag pole. It is a shame the way it was thrown down at the time of the fire, and I am told a new pole will cost \$100. We should splice the old one and put it up. It is all very well to say that this little curtain pole we have now is all right, but it is not."

TO SETTLE OLD ACCOUNT.

On motion the mayor, Clerk Ray, the town solicitor, Ald. Smale and Dobson were appointed a committee to meet Engineer Smith in regard to making a settlement re his work in connection with the Sussex-st. drain.

Lindsay Branch of W. I. Elected Officers for 1913

THE EIGHTH ANNUAL MEETING OF THE LINDSAY BRANCH OF THE WOMEN'S INSTITUTE WAS HELD AT THE HOME OF MRS. W. BURDEN, POOL-ST., FIFTY-FIVE MEMBERS BEING PRESENT. THE MEETING OPENED BY THE SINGING OF "OH CANADA," LED BY MRS. W. LYONS.

A communication was read from the secretary of the Children's Shelter, thanking the Institute for their gift of ten dollars.

Miss Horn, convener of the flower committee, read her annual report, showing what splendid work they had done during the year.

The president announced that Mrs. Carew 'phoned her that she could not have the June meeting and Mrs. J. A. White kindly offered to have the meeting at her home on June the tenth.

The following officers were then elected for the coming year: President, Mrs. G. A. Milne; 1st vice, Mrs. J. A. White; 2nd vice, Mrs. J. D. McMillan; 3rd vice, Mrs. G. Rea; sec-treas., Mrs. W. C. McGregor;

assistant sec., Mrs. W. D. Hungerford; district director, Mrs. J. A. Williamson; auditors, Mrs. J. B. Begg and Mrs. W. F. Broad; flower committee, Miss Horn and Mrs. H. Skitch; press committee, Mrs. A. Gillies and Mrs. E. C. Armstrong.

The following six members were appointed representatives to the annual district meeting: Mrs. G. Rea, Mrs. A. Horn, Mrs. G. Mills, Mrs. W. Pym, Mrs. W. Worsley, Mrs. A. B. Terry.

The following program was rendered: An instrumental by Mrs. Lyons; a solo by Miss E. Spratt, accompanied by Mrs. Lyons, and a recitation by Miss Ventress.

The meeting then closed by singing the national anthem, after which a very dainty lunch was served by the hostesses, Mrs. W. Burden, Mrs. J. Conolly, Mrs. A. Gillies, Mrs. R. Selby, Mrs. Joe Mark, Mrs. J. McCrea, Mrs. W. Worsley, Mrs. H. Webster and Mrs. W. F. Broad, and a most enjoyable half hour was spent.

Not Able to Adapt Himself To a Division of Authority

OTTAWA, MAY 20.—GENERAL C. J. MACKENZIE, CHIEF OF STAFF, HAS RESIGNED, AND WILL RETURN TO ENGLAND EARLY IN JUNE. HIS RESIGNATION, THE ANNOUNCEMENT OF WHICH IS OFFICIALLY CONFIRMED, IS A LIVE TOPIC OF DISCUSSION IN OTTAWA TONIGHT, BY REASON OF A STRONG RUMOR THAT GENERAL MACKENZIE HAS TAKEN THIS ACTION AS A RESULT OF FRICTION BETWEEN THE MINISTER OF MILITIA AND HIMSELF.

General MacKenzie is a British army officer and served in the Boer war. He succeeded Sir Percy Lake as chief of staff here, and his term expires in the fall of this year. He has chosen to hasten his departure, and it is expected that he will sail on June 10th.

Colonel the Hon. Sam Hughes tonight refused to discuss the report that there had been friction between himself and his chief of staff, while confirming the report that General MacKenzie had resigned. It is at the same time pretty well known from other sources that General MacKenzie and the Minister have not seen eye to eye in regard to some matters affecting the Militia administration. It is said that General MacKenzie found some difficulty in adapting himself to the division of authority under the Canadian system.

Since he assumed control of the department Col. Hughes has been energetically bossing the job. He has looked after details of every branch of the department, and his orders have, as usual, been incisive and conclusive. There has been short shrift for red tape, and as a result of his active reorganization there have been some heartburnings in the department. It is stated that recommendations and orders of General MacKenzie in regard to departmental administration and policy have been peremptorily countermanded by the Minister. There has been an exchange of letters, and as a result General MacKenzie's resignation is in and has been accepted.

Col. Hughes to-night declined to discuss the details, and merely said that the General was leaving to accept a good position in England. Col. Hughes says he is quite willing to produce any correspondence there is on the matter if the Commons so desires. His clash with General Hutton in 1900 shows that the Minister of Militia never backs down or seeks quarter if he thinks he is in the right.

ENDED HER LIFE.

Mrs. Francis Russell passed away Monday afternoon at the residence of her son, Mr. James Russell, of 530 Albert-st., Peterboro, after she had taken a large dose of carbolic acid. The late Mrs. Russell appeared to have been in fairly good health, and her death was a shock to her friends.
