HAPPENINGS ABOUT TOWN

Little Local Lines

—The Tolton Pea Harvester and
Bumper can be obtained at the Mc-
Cormick shop, opposite the market.
W. H. CLENDENAN.—25-3.

—Solid brick residence for sale in
south ward, near R. C. church, nine
rooms, woodshed, etc. A nice pro-
perty. Will be sold cheap. Apply
at this office.—25-4.

—Col. Sam Hughes' special contri-
bution to the Federal College Jour-
nal is well worth reading. The
principal has left a few copies at
this office for free distribution.

—Mr. R. B. Allan, who is giving
up business and leaving Lindsay, will
sell his household furniture by pub-
lic auction on Saturday, July 5th.
See advertisement in this issue.

—A marriage ceremony at the res-
idence of Mr. Jas. Welsh of Stanhope
on the 18th was interrupted by the
outbreak of fire in the kitchen. The
guests saved the house with diffi-
culty.

—Lindsay and Oshawa teams play
ball at the Agricultural park this
afternoon at 3.30. A fast game can
be looked for, and no doubt the grand
stand will be well filled. The band
will be present.

—On Tuesday the offices of the
Bank of Montreal were temporarily
removed to the former town clerk's
office on William-st. north of Kent-
st. They will be there until the ex-
tensive alterations are made.
The bank building have been made.

—Mr. Geo. C. Holland, official re-
porter of the Canadian Senate, re-
fering to the system of phonography
in the Federal colleges, says: "It
is superior to all others." This sys-
tem will be taught by specially
trained expert teachers in the new
business college to be opened in
Lindsay after vacation.

—Mr. O. P. Behrler, accountant,
Ottawa, says of the system of boot-
legging taught in the Federal col-
leges, "It is the most thorough and
practical." No old-time methods of
copying from antiquated text books,
but records made from business pa-
pers received and issued, as in actual
business.

—Mr. Thos. Buck and Mr. Fulton
Vrooman passed their second year
examinations at Toronto Medical
College recently. Mr. Vrooman pass-
ed the primary council examination
also. So did Mr. Brien of Pleasant
Point. Mr. W. Brown who has been
a student with Dr. Gillespie passed
his finals.

—Mr. W. J. Vale of the Insurance
Department of Ontario made his an-
nual inspection of the Farmers' Un-
ion Mutual Fire Insurance Company
on Wednesday last week. He con-
gratulated Secretary Cornell on the
way in which the books of the com-
pany were kept, and said that the
volume of new business was most
impressive.

—The report that Dr. Broad's stal-
lion, Knight of St. Andrew's, was
dead, was incorrect. The doctor's
message to this paper was by tele-
phone and his endeavor to correct a
report that his horse was dead, was
unfortunately translated into these
columns as his confirmation of the
report. The Knight of St. Andrew's
is not dead.

—The Cheese Board met on Mon-
day. Buyer Flavelle got Cameron
30 boxes, Mariposa 120, Fenelon
Hills 60, North Verulam 90, North
Ops 71, Bobcaygeon 164, Palestine
40 and Red Rock 140. Buyer Fitz-
gerald got Star 105, Dunsford-116,
Lansville 46, Omeemé 140, Pine
Hills 35, Reazoro 105 and Maple
Hill 89. The price was nine and
one-eighths. It was decided
the only factories that employed
the instructor could sell on the
lot.

—Aubrey, horse buyer, of Mon-
treal, will be in Lindsay at the But-
ter House, on Saturday next, June
28th, prepared to buy all kinds of
good, sound horses from four to ten
years old. Highest prices paid.

—If you want a good situation at-
tend the Federal Business College.
This is the advice frequently given
to young people by the business men
of Eastern Ontario and Quebec. Dur-
ing the past four years eighty-six
students have accepted government
positions, and nearly one thousand
have been likewise successful else-
where.

—Pascoe Bros. will take over the
business of Hogg Bros., Oakwood
on July 15th. These enterprising
young men could not have selected a
better location. Hogg Bros. have
made a great success of business in
Mariposa's capital. They have by
their methods won the esteem and
confidence of both other business men
and the general public. Pascoe Bros
are young men well known in Oak-
wood where they spent their younger
days. They have since had a varied
business experience and training with
good houses in Toronto and else-
where. Their uprightiness and abili-
ty will commend them to the people
of their locality and doubtless ensure
them merited success.

—Fishery Inspector Bowens of Lake
Scagoo was fined \$20 and costs on a
charge of assault on a man who was
breaking the fishing law. The man
who is named Chivers was found by
the inspector on the Nonquon creek,
on the morning of April 16th. He
was propelling his canoe with a fish
spoon and when the inspector ordered
him to stop and have his canoe search-
ed, he refused and tried to get to
the woods at the bank. The inspec-
tor warned him to halt or he would
sink his canoe. Chivers kept on
his through the bottom of the craft.
His assistant put a charge of shot
through it, and Chivers was taken
out as it was sinking. A fish was
found in the canoe. At the recent
sessions, the penalty above named
was inflicted on the inspector. The
joked charged against him but fail-
ed to say what means an officer is to
take to overhaul an offender like
Chivers.

berry and Miss McGregor of Virden,
Man., were married at the latter
place on June 3rd. The happy cou-
ple spent their honeymoon in St.
Paul. The bride was formerly a
Lindsay lady, having moved to
Manitoba some five years ago.

—Early Monday afternoon the work
shop of Mr. Thos. Thompson, pump-
maker on King-st was burned. A lad
playing with matches upstairs lit
the fire. The fire team was on the
sprinkling cart and hence did not
arrive until the place was past sav-
ing. The loss is about \$300 with
no insurance.

—Mr. Malcolm Cole will open his
new grocery store at the corner of
William and Bond-sts., north ward,

public will always find a full line of
fresh groceries, smoked meats, can-
ned goods, flour, etc., in stock. Terms
strictly cash. A share of public
patronage solicited.

—On Sunday morning Mr. Edward
Wright, caretaker of the Y.M.C.A.
buildings died of inflammation of the
bowels. He was taken sick on Thurs-
day while working at Mr. W. Flav-
elle's garden. The funeral has been
deferred until today so that Mr.
Wright's son could reach here from
Manitoba.

—On Thursday, Laura McConnell,
the 12-year-old daughter of Mr. T.
McConnell, of the Royal Hotel was
taken ill with scarlet fever. Early
yesterday morning she died. Laura
was a bright little girl and made
many friends by her clever work at
at recitals and entertainments. The
family have the deepest sympathy in
their bereavement.

—The reports of the proceedings of
the various Farmers' Institutes, con-
ventions and associations that are
appearing in the columns of The
Weekly Sun from week to week are
of special value to the farmers of
this province, and should be read
carefully by them. The Sun makes
a specialty of these reports, which,
together with their weekly market re-
port, makes profitable and interest-
ing reading. The Watchman-Warder
and the Weekly Sun to 1st January,
1903, only 75 cents.

—A Barnardo boy named Peter
Brodie, and employed by Mr. Jas.
Peel of South Verulam died on Thurs-
day last from drinking whiskey. He
helped to drive some cattle to town
that day, and while here he drank
a good deal of liquor. On the way
home he produced a bottle of whiskey
and asked his employer and a neigh-
bor to drink. They refused, but he
continued to drink in spite of their
remonstrance. At length he was
overcome by the liquor and lay down
in the buggy with his head over the
dash board. When they got home
and were lifting him out of the rig,
the two men were alarmed at the dis-
coloration of his face, and his heavy
breathing. All efforts to restore him
to consciousness failed and he died in
a short time. Dr. Burrows said the
whiskey had caused apoplexy.
