ke or wood.

She was frequently at St. Reno one knew whether she was wife widow. She never spoke of hush or children; but she wore a wedding ring, and called herself Madame Ange. People watched her something like awe. It was strange that she never spoke to one. The children, when they her, ran away frightened and cryl no little one ever went to her outstretched arms; even the dogs refused to make friends

She always wore black, lo gracefully-hanging garments that in statuesque folds about her: walked with a proud, stately gr that was peculiar to herself. passing through the streets of Remy she never looked either to right or to the left; she swept on though there were nothing to interest her on earth. Those who notice her were startled at the tragic se row expressed on every feature of h Once, as she was passing do the Rue d'Espange, a pretty girl fell down a few yards in vance of her, and hurt herself be The child's cries were piteon yet Mme. St. Ange did not go up as any kind-hearted wom would have done, and raise her fre the ground; she had no words sweet womanly compassion for h but stepped aside so that even dress should not touch the little of With a cry on her lips, the mota came rushing out of her house, saw madame passing by with reis head, as though she neither saw 1 heard the child.

"Who are you?" she cried, you treat my pretty child as thou she were the dust under your feet She had placed herself so complete ly before the haughty lady that a could not take another step forward "Your child is nothing to me; ! me pass," madame said haughtily and the mother almost forgot the jured little one in her anger.

M

MAYOR SAYS IT MUST GO

As Soon as Specifications are Ready Tenders for the Building Will be Called for

The supreme folly of putting the new library building on the market park at all, has dawned, when too late upon the Library Board, to the extent at least, of seeing that it wilbe ruinous to the library to place it stead of 8. With these changes the know, for one, I do. set apart by the council as a build- was ordered to call for tenders as it too. (Laughter.!

"The library will be teetotally ruined" said Judge Harding at Friday night's board meeting "by being privilege, at the same time hauling placed close to a railway that is going to be double-tracked." This some newspaper, whereat both revery sensible affirmation of His Honor was uttered in a discussion arising from Mr. A. P. Devlin's question to Mayor Sootheran, as to whether it would be any use to send deputation to the council asking for record of Mr. Devlin having said that permission to build more centrally some people thought the board were on the park. "I can only give you my opinion had not said that.

on that point " replied the mayor and it is that the deputation would accomplish nothing."

Mr. Hardy-I have not seen in the press that the council has ever given any reason for confining us to the Devlin. Thereupon did the man of western 85 feet. Ithink they would be the other paper get his breath again given an opportunity to do so.

The mayor-I know the views of his confrere, who straightway made the council pretty well. Land there is worth \$75 a foot. Already the was our cotem's junior scribe. town is giving 85 feet or over \$6000 worth of land for library purposes. That is enough; it is all the people the libarians, and said a dictionary will sanction. If the library is built was missing. He had said neither this way further the strip beyond one. Now this report pertained to will be useless; and, moreover, the that animated meeting in May, at town will likely need the east part which Messrs. Beal and Flavelle had of the park for other buildings. With verbally fallen upon each others the C. P. R. coming in the town will necks, and to have his modified regrow, and we must not cramp the port of that occasion taken to task, space for our public buildings. Mr. Devlin-What buildings ?

The mayor-If this hall should burn gardless of the speaker's effort to it would be rebuilt large enough to proceed, he stood nearly three-quarcontain all the town offices, and on ter way up and declared that if the a suitable scale. The room our pres- crown attorney had not said that ent arrangement leaves would all be some people regarded them as scoun-

### THEY WERE SHOT AT

### Mr. Walter Calvert and Wife Meet an Unpleasant Reception at Their own Home

On reaching home last Saturday whey home in the cans. But the attended the convention at Clare- Calvert had an experience that folks trouble is that, as a rule, the whey mont last week, and there was no are not accustomed to meet in their own door yards. To drive home at that hour of a very dark night, and be greeted by revolver shots from ones own buildings, is a new departure in Canadian home life. That however, is what happened to Mr. and Mrs. Calvert.

Late on the night mentioned they left town for their home north of the jog in the road about a mile and a half east. Shortly after 12 o'clock they drove into the yard. It was very dark. There the horse became so restive that Mr. Calvert was Mr. Publow-They should be rinsed his new charge, as he is expected Getting near the driving shed he found it impossible by reason of its excited actions. He had just asked Mrs. Calvert to assist him when a ed the horse. Mr. Calvert demanded what it all meant, but got no and stayed for the night.

Next day he went home. Upon investigation he found that apparent-MR. PUBLOW'S ADDRESS of the consumer and cater to it.
