

Watchman-Warder

Published by the Watchman-Warder Printing Co., Limited, every Thursday morning...

All flesh is grass, says the Book. So don't be afraid of the lawn-mower...

Vacation time is here. Vacation, it may be added, is generally remembered as that time of year when the small boy quits worrying his teacher and stays at home to worry his parents...

An independent telephone company has been formed by the farmers around Hawkestone and Oro station. They have arranged for connection with the Bell Telephone Company at Oroville...

A Business County Council

The ratemakers of Victoria County are apparently to be congratulated on the general personnel of the present County Council...

The report of the proceedings in this issue of The Watchman-Warder does not give a complete idea of the business handled, or, at least, of the time necessary for full consideration and free discussion of the many important questions before the Council...

An acquaintance with other county councils in other municipalities tempts the placing of the Victoria County Council high in the list, as a business council, able, willing and fearless to deal fairly and squarely with all issues brought before it...

His Home "Above"

In speaking of the Victoria County frog as an article of diet, a Liberal newspaper attempts to make a humorous reference to the time when Sir Wilfrid Laurier shall have passed to his home above...

Granted that Sir Wilfrid safely arrives at that "home above" so aptly referred to, how many of his earthly helpers, friends, guardians, guides and defenders, will gather round him there?

Will Collins, and Bole, and Pritchett, and Jackson, and dear old Captain Sullivan, and all the other savory old worthies who botanized and helped Sir Wilfrid and his cause on earth, assembled yonder to bask forever in the glorious warmth of the bright Sunny Smile? Or will it be a warmer warmth for theirs?

Will the Globe man join his idol in the upper home? Or will his reverence be then—as he has been so often here below, poor fellow—"sub-judice"?

Will Charley Hyman join the Chief above? Or will his health be such as to still force residence in a less cold clime? Will Emmerston be there? Or will it be again his word against the porter? But the porter at the door above can hardly be discharged...

JUNE SESSION OF THE VICTORIA COUNTY COUNCIL

Exhibitors from the County of Ontario. That no present action be taken on the request for a change in the bounds of the police village of Kirkfield, a petition from qualified ratepayers as in the case of a petition for the setting apart of a portion of the village, being deemed necessary...

That communications as follows be filed: From the Ontario Municipal Association, respecting membership and the annual meeting; from the National Sanitarium Association, respecting grant; from Messrs. McDiarmid & Weeks, thank-you note, thanking Council for grant, to the Salvation Army and from the Mayor of Valley Canal...

That the action of the Clerk and Treasurer with reference to lines imposed under local municipal laws when cases are tried, be approved. Your committee recommend that financial statements from various municipalities and reports from Public Libraries in the County, be filed. Your committee beg to recommend that the attention of the public be called to the special report and census of the people minded in Ontario, presented to the Legislative Assembly at the recent session...

Your committee have examined accounts and claims and beg to recommend that the same be passed. Your committee also recommend that a petition to the Board of Railway Commissioners respecting the railway station at Omemee be introduced to the Council. The report of the High School Settlement Committee was received, read and adopted. On motion of Mr. Shaver, seconded by Mr. Hawkins, the report of the Finance and Assessment Committee was received and adopted. On motion of Mr. Reavey, seconded by Mr. Lovess, a resolution of the G.T.R. station at Omemee be changed.

ROADS AND BRIDGES

The report of the Roads and Bridges Committee was received and adopted as follows:—Your committee have considered the paragraphs of the Warden's address referred to in the and all relative documents in the matter of the bridges, which under the order have become County bridges, and beg to recommend as follows:

1. That the Ops bridge across the Scugog river south of Lindsay, be repaired by a steel and concrete bridge in accordance with the plans and report of the County Engineer and under his supervision, that James A. Hopkins and George A. Jordan, be a committee with whom the Engineer may consult and advise.

2. That the expenditure of \$40.75 in repairing McLaren's Creek bridge, be accepted, and that the Warden be authorized to have the bridge repainted.

3. That the mill pond bridge in the village of Cobocook be raised, and the whole structure improved and put in a first-class condition, the work to be carried out under the supervision and direction of Frederick C. Pilling and Robert A. Callan.

4. That the Omemee bridge be raised on concrete bases, steel beams substituted for the timber supports, the stirrups duplicated, the flooring renewed, the struts and girders repaired, and the superstructure repainted, under the supervision of the County Engineer, with the advice and concurrence of Joseph T. Beatty, esq., and the Warden.

Your committee have considered the resolution of Council instructing them to report, and beg to recommend as follows:—

1. That the Forest House and North bridges in the village of Hobbacoon, be repainted under the direction of Geo. Byng, esq.

2. That an additional grant of \$100 be made to the town of Burton, to assist in completing the rebuilding of Gilbert's bridge.

3. That William Lovess be authorized to make necessary repairs on Brown's bridge on the boundary between the townships of Ops and Emmerston.

Your committee have considered the other documents referred to them, and beg to recommend as follows:—

1. That the judgment of His Honor Judge Harding on the application respecting the proportions of cost of maintenance and repair of Mud Narrows bridge, in the township of Carden, and Emily Creek bridge, in the township of Vevoram, be filed if being apparent that the failure to have the proportions adjudicated, only be remedied by legislation.

2. That the County Engineer be instructed to confer with the Engineer of the County of Peterboro' respecting the conditions of the abutments and pier of the Forest House bridge in the village of Hobbacoon, and report to the Warden the conclusions as to the best means available for overcoming the defects, and that the Warden be authorized to take in the direction to the County Engineer to proceed with the improvements.

3. That James Graham, esq., be empowered to act with the representative of the County of Victoria in repairing the bridge on the boundary between the townships of Carden and Mara, known as Scott's bridge.

4. That the action of James Campbell, esq., in connection with the bridge on Victoria Road, be approved, and that the sum of \$3,750, which he expended be refunded to him.

That the communication from the Clerk of United Counties of Northumberland and Durham, respecting the control of boundary bridges, be filed.

That the communication from the Ontario Bridge Co., be filed.

That the Act for the improvement of public highways, be filed.

In further reference to the proposed repairs on Mud Lake, Naitpov's bridge, dealt with at the January session, your committee recommend that James Graham be authorized to improve the approaches as he may deem to be the most desirable. Your committee have examined accounts and claims and beg to recommend the same be passed.

EDUCATION COMMITTEE

The report of the Education Committee was received and adopted as follows:—Your committee have considered the report of the High School Settlement Committee, and beg to recommend as follows:—

1. That the amount for which the County should be liable for the maintenance of County pupils at the Lindsay Collegiate Institute for the year 1907 is \$2548.39, being the amount of percentage as shown in the statement submitted by the Board of Education, \$2287.96, and the share of the County, \$260.43. The sum of \$260.43, the share of the County that will be paid by the Town of Lindsay, constituted by the Town of Lindsay in the County rate, the amount of fees received from County pupils to be deducted in the settlement by the treasurer.

2. That the amount for which the County should be made liable for the maintenance of County pupils at the Omemee High School for the year 1907 is \$644.30, being the amount of percentage as shown in the statement submitted by the Board of Education, \$589.26, and the share of the County that will be paid by the Town of Lindsay, constituted by the Town of Lindsay in the County rate, the amount of fees received from County pupils to be deducted in the settlement by the treasurer.

Your committee have read with much interest the reports of the Inspectors of Schools for East and West Victoria, and beg to recommend that the reports be printed in the minutes of Council. Your committee have considered the petition of William H. Graham, and five other ratepayers in Union School Section No. 8, of Vevoram, Fenelon and Sturgeon Point, setting forth the neglect and refusal of the Council of the Corporation of the Village of Sturgeon Point, although village situated, to appoint an arbitrator in the matter of the alteration of the said school section, and appealing to the County Council against such neglect or refusal, and requesting the County Council to appoint arbitrators in accordance with the provisions of Public Schools Act, and Your Committee recommend that the prayer of the petition and the appeal of the six ratepayers, and the trustees, be granted, and that Mr. Alexander Parnsworth, of the Township of Vevoram, Mr. John Fennell, of the Township of Fenelon, and Mr. Wm. H. Stevens, Inspector of Schools, be appointed arbitrators. Your Committee have read with pleasure the reports made by Samuel Morrison and Samuel Truman, the representatives of the rural school trustees of the County, appointed by the Council to attend the meeting of the Ontario Educational Association in April last, and address been much gratified by the address of Mr. Truman, who appeared before the Committee on Tuesday, June 25th, at 2 o'clock in the afternoon.

COMMITTEE MEETINGS

TOWN COUNCIL HAS A SESSION OF THE SEVERAL COMMITTEES ON MONDAY EVENING. The Lindsay Town Council met in the Clerk's office on Monday evening for work on the several committees. Those present were Mayor Vrooman, Reeve Begg, Deputy Reeve Jordan, and Aldermen Jordan, Eyres, Rea, Weldon and McLean.

POLICE AND LIGHTING

The first committee to meet was the Police and Light with Deputy Reeve Jordan as chairman in the absence of Ald. McElough.

Small accounts from the Rice Lewis Co., and from the Light, Heat & Power Co., were submitted and ordered paid, the latter account to be subject to deduction for lights out on certain evenings.

The communication from Mr. Wm. Pyne, asking to be allowed to keep a number of pigs in a specially constructed sanitary pen on his premises was read. It was decided on motion of Reeve Begg, seconded by Ald. Rea to refer the request back to the Board of Health.

A communication was read and filed, relative to the necessity for a light being placed on the corner of Glenegh and Georgina streets. This brought up several suggestions from members of the Committee as to other places badly in need of lights.

TOWN PROPERTY

The Town Property Committee, with Reeve Begg in the chair, submitted the requirement of the firemen which were accepted. The firemen only required 5 pairs of boots and four rubber coats and as this is less than they asked for in the first place it will be readily granted.

A communication was laid before the committee from the local manager of the Bell Telephone Co., stating that the Company would take full charge and agree to maintain the whole fire alarm system of the town for \$125. This included, Reeve Begg explained, supplies of copper wire, charging batteries, wires for repairs, etc., etc. in fact everything to keep and maintain the system in full working order. Reeve Begg believed the proposition a good one, and thought that \$100 a year would be saved by such an agreement. An agreement was decided to get an agreement from the Bell Telephone Company relative to the matter and submit the same to the Committee for approval at next meeting. It was also decided to have tappers placed in the residences of firemen who own their houses and wish the signals installed.

A communication from the Union of Canadian Municipalities to send a delegate to attend their convention at Port Arthur on August 13th to 19th, was received. Ald. Weldon thought the Council should send a later than Monday.

Cap. Archie Layman, S.F.M.

of Toronto, who will conduct special meetings at the Salvation Army this Saturday and Sunday, June 22, and 23. A very profitable time is promised to all who attend as the Captain has had considerable experience as a S. A. officer. Meetings as follows: Saturday, 8 p.m.; Sunday, 7 and 11 a.m.; 3 and 8 p.m. The Sunday night meeting will be a memorial service of our departed comrade, Sister Taylor.

BOARD OF WORKS

The Board of Works Committee met with Ald. Rea in the chair. A petition was submitted from Peter Kennedy, John Mehan, Wm. Hill and others, requesting that the granite walk on Lindsay street, south of Melbourne should be built where the old walk was and not, as proposed, in a line with the walk below it which was being placed over the trees and in an "abnormal position" as the petition said. Mayor Vrooman thought the petition well grounded. Deputy Reeve Jordan thought that the ratepayers were getting the walk should know what they wanted and should get it under the circumstances, and that the log in the walk to connect it with the other strip to the north would not harm the appearance of the street.

On motion of Messrs. McLean and Begg, it was decided to grant the petition.

The following accounts were submitted and passed:—Baker & Bryans, cement, \$18.47; D. Cinnamon, hardsaw, \$10.75; McClelland Bros., cement, \$411.10; McEldred Bros., supplies, \$18.91; Flavell Ltd., cement, \$151.62; Flavell Ltd., cement, \$210.10.

FINANCE COMMITTEE

The Finance Committee met with Ald. Eyres in the chair. A communication was submitted asking for a settlement of a claim for injuries received by a Cobocook lady from an accident caused by a defective sidewalk on Sussex street. No action was taken.

The question of a grant of \$500 was again, and also the letter from Mr. R. Sylvester giving up the management of the Band.

Ald. McLean did not think Mr. Sylvester would throw up the band, if generously dealt with. He would like to see Lindsay have a band.

Chairman Eyres said \$900 was given last year. Reeve Begg said that even then the band had not been satisfied although they received all they asked for. Col. Sylvester had said that the town had not done generously enough with the band.

Ald. McLean thought the band should be appreciated, but the rest of the Council said that certainly they did appreciate the band and were in favor of giving all possible assistance.

Ald. Jordan thought the band asked too much for their services. Reeve Begg said he believed that if the town was to receive advertising from the band, it should be called the Lindsay Citizens' band. He was in favor of advertising Lindsay and thought every opportunity should be taken by the town and business men to do so in every possible way.

Eventually after a thorough discussion it was decided on motion of Mayor Vrooman seconded by Ald. McLean, that a grant of \$900 be given to the band as usual. This was carried unanimously.

A question from the Board of Trade, suggesting the holding of the Lindsay Civic Holiday on the same day as Toronto's civic holiday was considered, and on motion of Deputy Reeve Jordan, seconded by Ald. Weldon, that the Mayor and Reeve interview the Board of Trade and report.

Chairman Eyres informed the Committee that telephone connection construction would be under way this week between Woodville and here, but that he had understood that some further extensions would not be carried out just at present.

A number of accounts were duly considered and finally passed the Committee.

In the matter of having a "goose-neck" with suitable trap attached to the Sylvester pipe through the town park, the Chairman of Town Property Committee was given power to act in the matter.

On motion of Mayor Vrooman, seconded by Ald. Weldon, it was decided to carry out the suggestions of Reeve Begg and Deputy Reeve Jordan as to the allowing of the building of a granolithic walk around the county buildings, and the use of the town boards, etc., will be allowed for the purpose.

The Mayor and as many Aldermen as possible were to meet the Grand Lodge of the C.O.O.F. in session in Lindsay this week, and give the Order an official welcome to the town.

Grand Lodge C.O.O.F.

The Grand Lodge of the Canadian Order of Oddfellows are at present meeting at Lindsay—Tuesday, Wednesday and Thursday—being the days about 135 delegates from all over the Province are present. On Wednesday morning they were extended a hearty official welcome to the town by Mayor Vrooman. The Mayor read an address heartily welcoming the Grand Lodge gathering to Lindsay.

The Mayor was accompanied by Deputy Reeve Jordan and Ald. B. L. McLean. A full report of the proceedings will appear in next issue of the Watchman-Warder.

NOTICE TO CORRESPONDENTS

Correspondents are particularly asked to note that copy for the present week's issue must be mailed not later than Monday.

John D. Sharp.

Following is a little write up of the gentleman's life whose picture appeared in our last issue with the words, "Who is this?" Watch for special notice next week of meetings to be conducted by him and party to be on Saturday, Sunday and Monday, June 29 and 30, and July 1st.

A short sketch of the Provincial Officer of the Western Ontario Province makes a very interesting story. John D. Sharp was born in Fife, (otherwise known as the Ancient Kingdom of Fife) thus making him a citizen of four kingdoms, all of which grew by the name. First, the Kingdom of Fife; second, the Kingdom of Scotland; third, the Kingdom of Great Britain and Ireland, and fourth of the Kingdom of Heaven. He was converted when just a lad serving his apprenticeship at the forge as a blacksmith. The work was, however, of such a nature that it set him all on fire to tell others of the good tidings which had come his way. His first anxiety was for his own household. The burden was great, but God gave him great faith, and they surely came in answer to his prayers and combined work. First, a sister, then two brothers, then the father and mother, until the whole family had got soundly converted. The very surroundings were of such a nature that religion became to him meat and drink. In his native town his forefathers had been led forth to seal their testimony with their blood, time and time again. The whole country-side had run with the blood of those warriors of God, who counted not their life dear unto them, but held fast the profession of their faith without wavering. With all this and of traditional lore and acts of devotion inculcated into his mind and heart when but a youth, and having gone over all those spots that are so dear to the heart of the thinking Scot, can one wonder that he caught the same enthusiasm. He began work amongst the young lads of his native town. God honored this work, and he was able to build up quite a band, until "sheep-stealing" began, by which his band was twice depleted. He however kept at the business that God had laid upon his heart. By and by the Army came along. This was the people after his own heart. Not only did he swallow wholesale their teachings, but he and his band joined as a body and made the first corps in the town. After fighting in the ranks his application was sent in for officership. The embryo-colonel was accepted and sent to his first appointment after a course in the old training home, to break ground at Tappert, which was followed by Widnes, where the present Brigadier Howell was his lieutenant. These were followed by one or two corps in England, when the call and orders came for Canada. For the past twenty-one years he has been a Canadian, having traversed its length and breadth with the old, old story of the cross. As Corps Officer, Divisional Officer, Chancellor, and for the past thirteen years as Provincial Officer, he has been in charge of Eastern Ontario (twice), Newfoundland (twice), the Maritime Provinces, and is now in the seat of honor in Western Ontario. God has mightily used him in the conversion of multitudes of souls. He has his spiritual children leading on the hosts of God in the East, South, West, and North, and is greatly beloved by his officers and soldiers, and has a host of friends everywhere.

Opposite the Post Office LINDSAY

MARSHALL-LAMBERT WEDDING

A FASHIONABLE JUNE WEDDING AT CALGARY. The following notice is from a Calgary paper of recent date and refers to the wedding last Wednesday of Miss Lambert, of Calgary, to Mr. A. Marshall, a former well-known and respected Lindsay resident.

With the good wishes of all Calgary Mr. A. Marshall, of the well-known firm of Hanna and Marshall, was united in wedlock to Miss Minnie Louise Lambert, second daughter of Mr. and Mrs. Lambert, of Arlington Hall.

The wedding, which was largely attended, was solemnized at high noon in Central Methodist church, by Rev. G. W. Kerby. The church was very prettily decorated with geraniums, ferns, roses and vari-colored foliage.

The bride looked very sweet and charming. She was attired in a silk cologne princess gown, with silk bouillon lace, trimmed with pearl beads over Japanese taffeta silk. She also carried a spray of white roses with maidenhair fern.

The bride was given away by her brother, Mr. L. A. Lambert, and looked very girlish and winsome. The flower girl was little Ethel Hanna who performed her task very acceptably, and carried a large bouquet of carnations and sweet peas.

The bridesmaid was Miss Marie Lambert, sister to the bride, and she also performed her labor of love to everyone's complete satisfaction. The groomsmen were Mr. Percy Cope, draughtsman, who ably assisted the groom.

The bride was also aided by six young ladies in her manifold duties. The ushers were: Messrs. Chas. F. Adams, Arthur Bishop, Gardner Finlay and Wm. Kidney.

The music was furnished by Mr. F. Monk, who rendered very sweetly and effectively, Mendelssohn's Wedding March on the approach to the church, and "Lullaby" in the bride's room, and "Lullaby" on the bride's return.

A wedding luncheon was served to the guests at the home of the bride on returning from the church. The tables were very daintily decorated with flowers and everything was in harmony with the occasion.

The happy couple were the recipients of many very valuable and pretty wedding presents, consisting of cut glass, hand-painted chinaware, silverware and many others. The groom's present to the bride was a gold four-leafed clover, studded with pearls, and a diamond in the center. The bride gave the bridegroom a ring set with five pearls, and the flower girl a safety-pin set with pearls.

The newly-wedded couple left last afternoon on No. 1 westbound express for Portland, Oregon, stopping at all places of interest on the route. The bride's travelling costume was a gray suit of new English style, trimmed with grey bead and pearl buttons over post de seson, with gloves to match.

Among the guests may be mentioned Mrs. Naylor and Mr. A. Marshall of Lindsay.

Mr. and Mrs. Marshall will begin about a month. The bride will receive in her new home in the corner of 14th and 15th streets, and 15th street west, on her return from the honeymoon.

The Reporter says that Miss Lambert, the late Miss Kathleen J. Thompson, died at her home in Calgary, Alberta, on Saturday night, June 15th, at the age of 44 years.

She was a well-known and popular personage in Calgary, and her death was a great loss to the community.

She was the widow of the late Mr. J. A. Thompson, a prominent business man in Calgary.

She is survived by her husband and two children, a son and a daughter.

Funeral services will be held at the Central Methodist Church on Wednesday, June 17th, at 2 o'clock p.m.

Interment will be in the Mount Pleasant cemetery.

The Reporter also mentions the death of Mrs. J. A. Thompson, a prominent business woman in Calgary, who died on Saturday night, June 15th.

She was a well-known and popular personage in Calgary, and her death was a great loss to the community.

She is survived by her husband and two children, a son and a daughter.

Funeral services will be held at the Central Methodist Church on Wednesday, June 17th, at 2 o'clock p.m.

Interment will be in the Mount Pleasant cemetery.
