NEW LINE TO MUSKOKA. Canada's greatest railway, in building a line to connect Toronto with the main transcontinental track at Sudbury, has incidentally given us a new direct route to the Muskoka Lakes district, over which fast passenger trains will be running Saturday, June 22nd. Bala, which is reached in three hours and a half from Toronto, will be the Lakes terminus this summer, and there steamers of the Muskoka Navigation Co., will connect with trains, carrying travellers to all points on Lakes Muskoka, Joseph and Rosseau. PRESENTATION AT OAKWOOD. REV. A. F. WEBSTER AND MRS. WEBSTER GIVEN TOKENS OF THE ESTEEM IN WHICH THEY ARE HELD. The friends of the Rev. A. F. Webster were surprised two weeks ago when it was announced from the pulpit that he had placed in the hands of the Presbytery his resignation of the pastorate of the Cambrai and Oakwood Presbyterian churches. Mr. Webster has been here about five years and six months, and by his consistent walk amongst us during that time has gained the respect of the entire community. About sixty of his friends met at the residence of Mr. Webster on Friday evening, 14th inst. A well prepared tea was supplied on the lawn in front of the house, and Mr. J. F. Cummings read the following address, and Miss Perrin presented the reverend gentleman with a well-fixed purse. Dear Mr. and Mrs. Webster: It is with unmixed feelings of regret that your friends are gathered together to-night. The unexpected announcement of your intention to remove from our midst has caused the most profound sorrow. During the period of your work amongst us your efforts have placed the church on a footing of strength such as it had not previously known. Your work has been done without display, but it has been none the less effective, and your earnest Christian lives have been an inspiration to us, and the effects of your examples will not soon be forgotten. More words sound exceedingly empty when we try to express our deep sense of loss at your departure, and we assure you that the place left vacant will be exceedingly hard to fill. You take with you our best wishes for success in whatever field your labor may be, and you will always occupy a warm place in the affection of your Oakwood friends. We trust that you both will enjoy your intended holiday thoroughly, and we ask you, as a very small token of esteem to kindly accept this purse, accompanied by our very best wishes, and may you long be spared to advance the welfare of the Master's kingdom. Signed on behalf of Oakwood friends, Lettie Armitage, Nettie L. Perrin, Alice Anderson, Kate McCowrie.
