AN EGG WITHIN AN EGG.

We have all heard of a "wheel within a wheel," but the Fordwich Record relates something which is more strange. It says: "Mr. John Wallace has a hen which laid an egg the other day-nothing strange about that-but there was something peculiar about this egg, it was a freak of nature. There were two eggs in one-a small one inside a large one -both having a good hard shell. Mr. Wallace had two eggs for sup-
