\$3,000 Bridge For Dysart Township

(From our own correspondent.)

Haltiburton, May 30.—Victoria Day passed off very quietly here. Athletic sports were agitated, but it was too late to have them with advantage so they will not be held until July 1.

The cricket club commenced the season with a match between two eleven chosen from those on the grounds and although there had been no practice at all for two years a few of the old players showed that they had not forgotten the game, our old friend, I. A. Lucas, making 26 runs and also being instrumental in getting five of the other side out.

The Ladies' Aid of the Methodist church held their bazaar and concert in the town hall on the same day May 24, and it was a great success both financially and entertainingly, as the concert after the supper was very good indeed, but I cannot give the details as I went to the meeting in the Orange hall to hear Col. Sam. Hughes and W. H. Lockhart Gordon have it out. They had it out alright, but was surprised to see how well Mr. Gordon answered the colonel.

Messrs. Mably & Bryans have just finished their drive from Drag lake. Austin Bros. will be finished this week, and then Mr. Laking will have the river free to run his drive at any time he wants a few logs.

The Dysart council have let the contract for a steel bridge to be placed over the river at Stewart's narrows, to a firm named Jenkins & Dresden, of Sarnia. The cost of it will be in the neighborhood of \$3,000. Work will commence on the 31st of this month and it is expected that it will take about eight weeks to complete it, so there will be a chance for work for a number of men.

We are having a spell of lovely weather and the trees are looking grand. The fish are beginning to bite, so now is the time for the summer visitors to spend a few days in the Highlands of Ontario.

Edward and George Robertson left here for Gow Ganda last week. George thought he found something good there a few years ago when out surveying and went out to locate it again, if not too late.

If anything John Garie is a little

better. The doctor has ordered him to be carried out of doors during these fair days. We hope to hear of his speedy recovery, although the report is that he will have to stay in bed for about two months.

CARD OF THANKS

TO THE ELECTORS OF EAST VICTORIA:—

Gentlemen,—I take this method of thanking one and all for the large majority you rolled up for me on the 28th inst. I can assure you I fully appreciate the unanimity of the vote and consider it a tribute to me which I will not readily forget. Again thanking you, gentlemen, I am yours truly,
R. M. MASON,
Fenelon Falls, May 31.

A LOYAL PLAYER

WHEELED FIFTY MILES TO PLAY WITH HIS TEAM.

Howard Keslick, the Cresswell ball player, wheeled fifty miles and got home on Friday night to play ball for the home team against Little Britain. That's loyalty!
Only a sport of the first water would do that.
Keslick played shortstop for Cresswell, and while he did not star, still he was there when wanted. A fifty mile grind over rough roads will take the gimp out of the majority of athletes.

The next day Keslick wheeled back to the northern part of Victoria county, where he teaches school.

HOLD LOCAL CAMP.

A despatch from Ottawa states that the following eastern Ontario corps will hold local camps: 3rd Dragoons, Peterboro, June 22; 42nd Renfrew, June 21; 45th, Lindsay, date to be notified; 46th, Port Hope, date to be notified; 56th, Prescott, June 23; 59th, Cornwall, June 21.

CRITICAL CONDITION.

Mrs. McGee, who broke her two legs and seriously fractured her arm on Saturday at noon while getting out of bed, lies in a critical condition in the Ross Hospital, and little hope is entertained for her recovery. Mrs. McGee is a very old lady and while being assisted out of bed she slipped and fell on the floor with the above result.

A NEW BRANCH

PLEASANT VALLEY BRANCH OF WOMEN'S INSTITUTE

Balsam Grove, May 29.—We are pleased to hear that Mrs. D. Logan, who was seriously ill with pneumonia, is improving.
Mr. Neil McArthur, of Chicago, visited in this neighborhood last week. Neil is an old Balsam Grove boy.
Miss Della Copp, of Fenelon Falls, spent last Sunday with her friend, Miss Florrie Thurston.

A number from here attended divine service at Zion on Sunday. The services which were conducted by the Y.M.C.A. band were listened to with great interest and appreciation. The Balsam Grove beef ring commenced operations this week. Mr. Webster is acting as butcher for this season.

On April 22, a meeting was held at the home of Mrs. Jos. Moynes for the purpose of organizing a women's Institute. The purpose was considered a worthy one, and a branch to be known as the Pleasant Valley branch was organized, with a membership of seventeen. The officers are as follows: President—Mrs. Jos. Moynes; vice-president—Miss M. Cullis; secretary—Miss F. Thurston; treasurer—Mrs. Jos. Lee; directors—Mrs. D. Moynes, Mrs. F. Smitheram, Mrs. Imrie; auditors, Mrs. W. Moynes, Mrs. Thos. Moffatt; program committee—The executive, Mrs. Moffatt, Miss M. Murchison, Miss L. Knight. The first meeting of this institute was held at Mrs. Jas. H. Thurston's on May 20, where an excellent program was rendered as follows: Reading of the minutes; president's address, instrumental by Miss Murchison. A paper on the Vegetable Garden was then read by Mrs. Thurston; also a helpful paper on the Flower Garden by Mrs. Moynes, followed by discussions on same. A reading by Miss Sadie Murchison and the National Anthem brought this successful meeting to a close. Refreshments were then served. The next meeting to be held at Mrs. Jos. Lee's, the third Thursday in June. Subjects to be discussed, "Canning and Preserving." All the women are cordially invited to attend these meetings.

Mrs. McEachern is visiting his daughter, Mrs. W. Imrie.
Miss F. Moynes, of Peterboro, spent the holiday at home.

There was a very acrimonious debate in the Australian House of Representatives yesterday.

OAKWOOD LOSES GOOD CITIZEN

Mr. A. O. Hogg Leaving For Toronto Shortly

At the regular meeting of the quarterly board of the Methodist church, Oakwood, May 3rd last, this being the last meeting of the board at which Mr. A. O. Hogg, who has filled the office of recording steward for many years, would occupy the position, owing to his contemplated removal to Toronto, the members of the board to show in some manner their great appreciation of the valuable services rendered, presented Mr. Hogg with a beautifully engraved gold headed cane. The following address was read by Rev. W. Elliott and the presentation made by Mr. S. Washington.

Dear Sir and Brother,—We are aware that removals and separations are common occurrences in human life, but, sooner than we thought, and with very deep regret, we have learned that you are about to remove from us and in consequence to sever your connection with this quarterly board. For many years you have been a member with us, filling efficiently the position of recording steward. You have brought with you into the meetings of this board a superior business ability, accompanied by a cheerful willingness to assume the responsibilities and duties you have been asked to bear and perform, notwithstanding the heavy and numerous responsibilities already yours in business life. Neither words nor deeds can adequately express our feelings of appreciation of your past service or our regret over your contemplated removal. But we ask you to accept from this board this cane, in which we hope you will be able to read, in some small measure, our individual as well as our collective esteem for you. We do not desire by this gift to intimate that you are old and feeble and therefore in need of its support, but we would rather suggest by it that as you lean upon our brotherly love and lean upon it and find it strong and steady so may you lean upon our brotherly love and esteem and find them unyielding.

With all our hearts we join in the prayer that you may have many years of life given you yet in which you may exercise your abilities in the service of Christ and the church, and that material and spiritual prosperity may attend you and your family during the remaining years of life.

On behalf of Oakwood quarterly board—W. Elliott, S. Washington, Geo. Lane, W. H. Webster, J. F. Brass, T. H. Richardson, C. Weldon.

CARD OF THANKS

To the electors of the East Riding of Victoria:—

Gentlemen,—Although regretting the result of the late election, I have to thank those electors who voted for me for their votes and support. The shortness of time within which I had to make a canvass of your large riding and the difficulty I had to arrange a proper organization within the time that elapsed between the issue of the writ and the date of the election has been the principal cause of my polling so few votes in those parts of the riding which I was unable to visit. On another occasion, I hope, when better known and better organized that the result may be different.

Yours faithfully,
W. H. LOCKHART GORDON,
Toronto, May 27, 1909.

MASON-IC INTERFERENCE.
Toronto News: Mr. W. Lockhart Gordon attributes his defeat in East Victoria to Mason-ic interference.
