

Sick Twenty Years, Had Given Up All Hope.

Per-una Relieved After All Else Had Failed.

MR. ABNER N. KEEP

Grown Young Again.
Mr. Abner N. Keep, Vineland, Ontario, Can., writes: "For over twenty years I was a sufferer from catarrh and had tried almost everything I could hear of. I doctored with physicians in Philadelphia and Buffalo, besides with specialists in Nebraska, but did not get relief. "Finally, after being exhausted in health and funds, I decided to try Peruna. This was after moving to this country two years ago. "One bottle of Peruna gave relief. After taking five bottles I was sound and well. "I am eighty-two years old and feel as good to-day as when I was in my thirties. "I give this for the benefit of the afflicted in general, as I am but one of many in this country who know what it is to contend with sickness and pay out the last dollar in doctor bills."

Mr. Robert E. Hanvey, Treas. Knights of Industrial Freedom, also a well-known writer and lecturer, writes from 115 Lincoln St., Chicago, Ill., as follows: "I was in good health until about four years ago, when my back became lame and sore. The pains kept increasing with severe twitches and slow, exhaustive aches. Urine was highly colored and passed with great irregularity. "I knew this must be inflammation of the urinary organs. "Having read of Peruna I decided to try it. "I found relief from the pain within ten days. The aches gradually diminished, and it was a blessed relief I can assure you. "Within three months I was well once more. My appetite had returned, nervousness and irritability were things of the past, and for over two years now I have been a healthy man."

Mr. H. L. Emory, Vice Chancellor and Master of Arms, K. P.'s, of Omaha, Neb., writes from 205 North Sixteenth St., the following words of praise for Peruna as a tonic. He says: "It is with pleasure I recommend Peruna as a tonic of unusual merit. A large number of prominent members of the different orders with which I have been connected have been cured by the use of Peruna in cases of catarrh of the stomach and head; also in kidney complaint and weakness of the pelvic organs. "Peruna tones up the system, aids digestion, induces sleep, and is well worthy the confidence of sufferers of the above complaints." Peruna has saved many people from disaster by rendering the kidneys service when they were not able to bear their own burdens.

Chronic Internal Catarrh.

Many an invalid is dragging out a miserable existence with catarrh of the internal organs. There is no disease equal to this in producing complete wretchedness, absolute despair, haggard misery, and stubborn weakness. An army of this sort of victims have one by one discovered that Peruna could be relied upon to relieve such cases. One man tells another man, and in this way the news spreads until in all parts of the country are to be found men who have been permanently liberated from the thralldom of internal troubles. Many cases of catarrh of the stomach, kidneys and other abdominal organs have reported themselves as permanently relieved. We give below testimonials which illustrate the benefit of Peruna in these cases.

MR. SIDNEY WESSELS

Appetite Returned, Enjoys Meals.

Mr. Sidney Wessels, Meriton Ontario, Can., writes: "I have been troubled with dyspepsia and indigestion for twenty years, during which time I tried different doctors, but did not get the desired results. "I have been compelled for weeks at a time to give up work, being completely prostrated. I had to confine myself to a milk diet, as nothing would remain on my stomach. "I had about given up, thinking my case incurable, when I heard of Peruna and decided to try it. "One bottle made a great change, and after using another bottle of this wonderful medicine, I had complete freedom from pain, my appetite had returned and I could again enjoy my meals. I believe Peruna is the grandest medicine under the sun."

OLD BOY RETURNS.

Mr. Robert McLean, an old Victoria county boy, who resided at Lorneville for many years, is in town for a few days on business. He has traveled from coast to coast, and is well-known by a number of Lindsay citizens.

PETERBORO CHEESE BOARD

All the cheese at the meeting of the Peterboro cheese board Wednesday morning went at 11 1/4 cents. It was not all taken by one bidder at this price, but this figure was reached for the different lots sold.

There was excitement, too, over some little tilts that took place, but these amounted to nothing and simply added a little variety to the ordinary routine.

The showing made by the factories was splendid, 4,127 cheese being boarded and nearly every factory sent a good representation towards the excellent total.

Perrytown was a new comer and made its advent with 83 boxes.
