**Oakwood Baseballists Won From Eden by One Run**

Eden, June 25. — The baseball teams from Oakwood and Eden locked horns in a stiff five innings contest last evening, the former winning by one run, the score being 4-3. The game was an excellent one from a spectator's point of view, and a thriller. Rogers and Stacey were the battery for the winners, while Tompkins and Jewell were the star artists for Eden. Mr. Fred Perrin made a very efficient umpire. The return game will be played Tuesday evening at a strawberry festival at Oakwood.

The Hartley Invincibles took the Manilla nine into camp at a game played at the Eden anniversary, the score being 9-2. The result was somewhat of a surprise to the Manillaites and others. The anniversary tea was a big success, the proceeds amounting to \$180.

The residents in this section are sorry to hear that the popular teacher, Miss E. M. Burke, will leave at the end of the term in order to attend Normal.

Mrs. Hern, of Cameron, is the guest of Mr. and Mrs. Alex. Forest.

Mr. and Mrs. Bert Jewell, Mr. and Mrs. Frank Wickett, and Mr. and Mrs. Garnet Treleven enjoyed a trip to Sturgeon Point Saturday.

Mr. Colin Murchison spent last Sunday the guest of Mr. Staples, of Palestine.

The Woman's Institute gave a social last night at the home of Mr. and Mrs. Hiram Rogers. Refreshments were served.

**FAITH**

By Arthur L. Phelps.

I.

I do not know; I stand apart and all perplexed. Their little haggings din upon my ears, Their little guesses, their wild words, and all the talk— Is it a noise of fears? Some bandy back and forth eternal verities; They say this thing and that, and look about And prate their faith off pat, while other groping souls Reach up through yearning doubt.

II.

What is the faith that burns within the heart of man? Can it be summed and stated, spoke out quick Upon demand, as this, and this, and this, as we Might state arithmetic? Or is it some far deeper, sweet, diviner thing That will not lend itself to words—a cry, A broken sob, a hand-clasp in the dark, a glimpse Of Jesus passing by?

III.

Ah, men! ye may not drone it like an old wives' song: It is not ready lipped and loose on tongue— But ye may see the light, and seeing, silent, feel Firm the first ladder rung. And Faith that keeps its way, hand-knit with Reverence, And both with knowledge going on before, Climbs out of deeper depths to high, serener heights, And climbs forever more.

**Why Watches Need to be Cleaned**

"Why do watches get dirty?" said the jeweller. "You'll find the answer in your watch pocket. Turn it out." The inquirer turned out his watch pocket, sheepishly bringing forth a pinch of mud-colored dust, some lint, and a small ball of black fluff. "There's the reason," said the jeweller. "Watches get dirty because the pockets they are carried in are never clean. A watch pocket, my dear sir, should be cleaned out regularly once a week. Observe that rule, and your watch's works will not get clogged up again. "Another and a reasonable rule is never to lay your watch down on stone or marble. The cold deranges the delicate works. "Never lay your watch down, in fact, anywhere. Hang it on a hook, vertically, in the same position it occupied when in your pocket. Watches were made to lie, or rather stand, in that position only. "Wind your watch in the morning, never at night."

**SELLS DAUGHTER FOR \$50.**

Ottawa, June 24. — High Constable Groulx, of Hull, who has been on a tour of the Gatineau district brought down a curious story of a father's bartering with the highest bidder for the hand of his daughter. The man is Jos. Menard, who came into prominence as a constable in the district at the time of the Laderoute murder there some years ago. He is said to have told his daughter's lover that he could have her only on the payment of \$100. The offer was turned down, whereupon Laderoute is said to have reduced the figure to \$50, which was accepted by another young man and the pair were married.

**OPS.**

Ops, June 27.—Mr. Bruce Smithson, of Glenarm, and Mr. J. Windrim, of Rosedale, were visitors at the home of Mr. Wm. Windrim. Mr. B. McGeough enjoyed a short fishing excursion to Bobcaygeon last week. Dr. Thompson, of Omeme, filled the pulpit on Sunday in the absence of Mr. Griffith. Mr. and Mrs. McGeough spent Saturday and Sunday visiting friends in Downeyville. Mr. J. Thorne, Ira Shaw, Wm. Windrim and John Blaylock, Wm. Ray and several others attended Fanning's sale on Saturday and report a large crowd in town. We are pleased to hear that Mr. David Rae is slowly recovering and hope he may be restored to perfect health. School closes next Thursday and the juveniles will be able to enjoy themselves during the hot weather.

**DON'TS FOR SWIMMERS**

T. W. Sheffield, honorary member of the Royal Life Saving Society, formerly of Lindsay, now of Regina, Sask., has published the following: "DON'TS FOR SWIMMERS." The many drowning fatalities recorded by the press during the summer season call for more care being taken by the average swimmer, and beginners generally, and it is earnestly desired that the following don'ts for swimmers be posted up in a conspicuous place at the bathing place or summer resort the reader visits, thus helping to minimize any undue risk being taken by followers of the sport: Don't bathe shortly after dining; wait at least two hours. Don't sit in a boat or stand about undressed after being in the water. Don't swim far after a hard day's work, or over-exertion after other forms of exercise. Don't bathe in unfrequented or secluded parts. Don't bathe alone if subject to giddiness or faintness. Don't dive into the water without first ascertaining the depth. Don't take fright if you fall into the water with your clothes on; remember, clothes float, and assist you to float. Make for the shore, swimming with the tide or stream. Don't swim too far out in the sea or lake unattended by a boat or an expert swimmer. Don't take fright if seized with cramp; keep cool; turn on the back and endeavor to rub the place affected. If the leg is drawn up with pain, swim slowly with the arms only. All swimmers should practice this. Don't swim without some recognized signal to give your fellow-swimmers, if subjected to cramps, such as lifting one arm out, shouting for help. Don't abuse this; leave the water as soon as possible. Don't dive out of or try to get into a boat from the side; dive from the stern and get in from the stern, but only then from a boat with a broad beam. Don't swim near dams, waterfalls, or where reeds are growing. Don't swim away from shore, always along the shore. Don't swim without company if you have a weak heart, and only after consulting a doctor. Don't swim against the stream if you come across weeds. Don't swim without protecting your ears if subject to ear trouble. SOME DON'TS AND POINTERS TO BEGINNERS. Don't go beyond the depth of your hips if you can't swim. Don't plunge or struggle when you find yourself in deep water. Don't throw the hands or arms out of the water. Don't grasp any person who approaches you; do what he tells you. Don't attempt to get into a boat coming to your rescue; catch hold of the stern, until assisted to get in. Tread water by keeping the legs moving up and down, as in walking upstairs. Hold an oar or canoe paddle, plank or branch of a tree in the middle when thrown to you; an oar or paddle with the blade flat on the water will support one if one hand is placed on it and deep inhalations taken. Don't lose your nerve. While excavating for a house on Washington-st., in Roseland, the contractor unearthed a rich vein of gold. Hamilton's Board of Control recommends the expenditure of \$42,000 for a park in the north-eastern end of the city.

**BLOOD DISEASES CURED**

Drs. K. & K. Established 20 Years

NO NAMES USED WITHOUT WRITTEN CONSENT

He was surprised at how the sores healed. I took your New Method Treatment for a serious blood disease with which I had been afflicted for twelve years. I had consulted a score of physicians taken all kinds of blood medicine, visited Hot Springs and other mineral water resorts, but only got temporary relief. They would help me for a time, but after discontinuing the medicines the symptoms would break out again—running sores, blotches, rheumatic pains, looseness of the hair, swellings of the glands, palms of the hands scaling, itching of the skin, dyspeptic stomach, etc. I had given up in despair when a friend advised me to consult you, as you had cured him of a similar disease 8 years ago. I had no hope, but took his advice. In three weeks' time the sores commenced to heal up and at the end of that time every symptom had disappeared. I was cured 7 years ago and no signs of any disease since. My boy, three years old, is sound and healthy. I certainly can recommend your treatment with all my heart. You can refer any person to me privately, but you can use this testimonial as you wish. W. H. S.
