Shop and show rooms 11 & 13 Cambridge St., immediately north of Fire Hall.

Lindsay Marble Works
R. CHAMBERS, Prop'

Whitby and Lindsay Baptist Association at Uxbridge

The ninety-second annual meeting of the Whitby and Lindsay Association of Baptist churches was held in the town of Uxbridge on Wednesday and Thursday of last week. There was an attendance of some sixty delegates from the twenty-seven churches in the association. The church at Uxbridge has recently erected a fine new church, and in it the meetings of the association were held.

Rev. W. B. Tighe, moderator for 1909-10, presided. The meeting consisted of three sessions on each day. The delegates were hospitably entertained to dinner and tea in the church, and for bed and breakfast in the homes of members of the congregation and other friends.

Within the bounds of the association there had been numerous changes of pastor during the year, and all the new men were present. They were: Rev. J. Ford, lately inducted into the pastorate of the Port Perry church; Mr. Wm. Arthurs, student pastor at Sunderland; Mr. Wm. Ashmore, of Bobcaygeon, student pastor; Mr. Walker, of Kinmount church; Rev. C. J. Loney, of Stouffville, preached the associational sermon.

The whole of Wednesday afternoon was devoted to the program of the Women's Mission Circles and Bands. Reports were encouraging.

At the evening session Moderator Tighe delivered his address, an innovation on the program of recent years.

This was followed by an address by Dr. S. S. Bates on the educational work of the denomination, in which he emphasized the splendid work the schools of Woodstock and Moulton were doing for primary education, and the prominent place McMaster occupied amongst the universities.

In order to let Dr. Grant, of Dundas, away by an early train, the program for Wednesday morning was altered to permit him to deliver his address on western missions.

Then the reading of the reports and letters from various churches was taken up. This is always an

interesting part of the program, and was quite up to the mark this year. The total amount raised for all purposes was larger than in 1909, while the increase of about \$150. The number of baptisms during the year was nearly double that of last year.

A most interesting question drawer was conducted for nearly an hour on Thursday afternoon, when numerous matters of interest arose for discussion. Two of most importance had to do with the disciplining of members and the raising of money for local church purposes, one speaker taking the ground that it would be proper for the finance committee, or whatever body had the finances in charge, to draft a schedule of rates of giving per family of the membership. This suggestion brought forth some strong opposition.

The Sunday school of to-day was a topic dealt with under two heads—its weaknesses and its strength. Some advanced views were here again expressed, but the discussion closed without any real practical solutions being advanced for the problems of the Sunday school.

A strong resolution supporting the work of moral reform was introduced by Rev. G. R. Welch, of Lindsay, and carried.

Thursday evening was devoted to missions. Dr. J. G. Brown conducted a most instructive conference on foreign missions, and Mr. Thomas Urquhart, of Toronto, gave an inspiring address on the Laymen's Missionary movement.

The following officers were appointed: Moderator—Mr. J. H. Ratcliffe, Stouffville.

Clerk and treasurer—C. A. Goodfellow, Whitby.

The invitation of the church at Lindsay to meet with them next year was heartily accepted.

A request, from the Peterboro association to appoint a committee to meet with a committee appointed by that body to consider a union of the two associations was received and complied with.

Lindsay Citizen is New Treasurer

Brockville, June 22.—The Provincial Council of the Knights of Columbus opened its annual sessions here yesterday and concluded this morning. The order is now in operation in the United States, Canada, Mexico, the Philippine Islands, Panama and Cuba. The membership in Ontario a year ago was 2,002, and on May 1 last it was 3,162, presided over by twenty-three councils.

The election of officers resulted as follows: State Deputy, O. K. Fraser, Brockville; Secretary, J. H. Botsford, Brockville; Treasurer, L. V. O'Connor, Lindsay; Advocate, J. O. Drummond, London; Warden, J. A. Hussey, Sault Ste. Marie; Representatives, National Convention, Rev. T. J. Crawley, Warren; E. J. Butler, Belleville. Sault Ste. Marie was selected as the next place of meeting.

Dr. John S. Booth, of Montreal, was fined \$3 and costs for cuffing a man who wanted him to attend his sick father.

The Canadian Oddfellows finished their two days' convention at Hamilton and elected Dr. Adam Thomson of Rait Grand Master.

Had Weak Back.

Would Often Lie in Bed For Days, Scarcely Able To Turn Herself.

Mr. Arch. Schmare, Black Point, N.B., writes: "For years I was troubled with weak back. Oftentimes I have lain in bed for days, being scarcely able to turn myself, and I have also been a great sufferer while trying to perform my household duties. I had doctors attending me without avail and tried liniments and plasters, but nothing seemed to do me any good. I was about to give up in despair when my husband induced me to try Doan's Kidney Pills, and after using two boxes I am now well and able to do my work. I am positive Doan's Kidney Pills are all that you claim for them, and I would advise all kidney sufferers to give them a fair trial."

DOAN'S KIDNEY PILLS are a purely vegetable medicine, realizing quick, permanent relief, without any after ill effects. A medicine that will absolutely cure Backache and all forms of Kidney and Bladder Disease. Price, 50 cents per box, or 3 for \$1.25, at all dealers or The T. Millburn Co., Limited, Toronto, Ont. In ordering specify "Doan's."

Some Contrasts in Milk Yields

Some records are always stimulating. Some of the records from members of the cow testing associations for May are indicative of good cows well kept and well fed, in a word, decidedly profitable cows. For instance, one dairyman in Western Ontario owing a herd of 62 cows has the inspiring record of 1127 lbs. of milk per cow during the month. Again, in six associations in Peterboro and Oxford counties the average yield of 380 cows was 1055 lbs. of milk and 34.3 lbs. fat.

The reverse of the picture is not so rosy, indicating the need of more and better cows. Several associations have an average of under 700 lbs. of milk and 26 lbs. fat. A group of 75 cows at one creamery gave only 604 lbs. of milk and 21.9 lbs. the average yield noted above is 70 fat in May. Think of the difference per cent. butter.

As an instance of what is being done by the selected animal the record of one of the most famous cows to-day forms a wonderful contrast. She is credited with 120 lbs. fat in thirty days. This cow, it is said, was picked up from a neighbor who did not keep records, and therefore was unaware of her phenomenal value. Who will be the next man to discover another such diamond in the rough? Individual cow records alone can show where such jewels exist.

C. F. W.

VOLUNTEER ILL.

One of the Lindsay volunteers at Barriefield camp, Mr. Everett Fell, formerly of The Warder staff, and son of Mr. and Mrs. Wm. Fell, Cameron, is at the present time in a very serious condition, although the doctors state that he is improving slowly.

Young Fell left with the 45th under Captain Henley, but three days after reaching Barriefield he had to be removed to the military hospital in Kingston, and there he has been ever since. The cause of his sickness is due to heart trouble, combined with the severe heat and excitement.

On Tuesday last his parents were sent for and at the present time Mrs. Fell is at his bedside, Mr. Fell having returned this morning. The young fellow is some better, but it is thought that he will be unable to return to-morrow with the rest of the soldiers.

True Household Economy

MOTHERS, we owe it as a duty to our husbands and families to take good care of them. We all want, of course, to have our loved ones cheerful and comfortable.

Our dominant part is to give them the very best that we can make or bake. But sometimes we are tempted to save a few pennies in food and think that in so doing we are economising. But is it so? Is this the kind of economy that is wise and profitable? Is it doing our full duty to our loved ones?

Royal Household Flour

We wouldn't think of buying the lowest priced eggs in the market just for the sake of economy. We would feel that because they were cheap they would be good eggs to avoid. The low price would give us a suspicion of their freshness and quality. None of us would want to economise by buying eggs marked ten cents a dozen.

But when it comes to flour, for example, we may be tempted to buy the second best instead of the best because of the few pennies difference in price. We may think that economy in flour is different from economy in eggs. But it isn't. The principle is the same. The difference in cost between the best flour in the world and ordinary flour is so little that in justice to our responsibility as wives and mothers we can not afford to take chances.

The one safe rule in buying flour is to buy "Royal Household" and in that way make sure of the finest quality, and absolute uniformity.

From every point of view Royal Household Flour is more economical than any other. It produces more loaves to the barrel. It is richest in food value. It is more uniform. It is best for Pastry as well as Bread and yields more baked product in either bread or pastry than any other flour.

ROYAL HOUSEHOLD FLOUR furnishes more nourishment, more real food value per pound and per penny's worth than any other flour in the world.

The acme of economy in flour buying is to use only "Royal Household." Best for Bread. Best for Pastry. Most uniform. Most perfect. Best and cheapest for health and happiness of the entire family.

C.O.O.F. GRAND LODGE

OFFICERS ELECTED AT CONFERENCE IN HAMILTON.

Hamilton, June 22.—The Grand Lodge, Canadian Order of Oddfellows concluded a two days' session this evening. The following officers were elected: Dr. Adam Thomson, Galt, Grand Master; C. H. Denton, Tillsonburg, Deputy Grand Master; R. Fleming, Toronto, Grand Treasurer; W. H. Shaw, Toronto, Grand Secretary; Dr. H. S. Bingham, Grand Medical Referee; Rev. L. Lindsay, Kintore, Grand Chaplain; John Canning (Belleville), F. Goodwin (Hamilton), Grand Lodge Representatives; C. H. Bamfylde, Robert Newell and C. A. Lewis, Committee on Laws.

SOLD FOR 10 13-16c.

3904 boxes of cheese were boarded at the sale of the Peterboro Cheese Board Wednesday morning, the largest boarding for the season, while the sale was marked by the highest price of the year, Mr. Gillespie paying 10 13-16c. for first selections. There was a large attendance.

Mr. Gillespie at 10 13-16c secured the first call and took Keene, Warminster, Shearer, Central Smith, Solwyn, Villiers, Warsaw, Westwood, Lakeland, Pine Grove, King Edward, Maple Leaf, Myrtle, Young's Point, Lang, Fraserville, Indian River, East Emily, Trevern, Bensford, Cedarsdale, and Fleetwood, 3036 boxes in all.

Mr. Morton at 10 13c secured Oakdale, Daisy L., Ormonde, North Dunmer, Cavanville, Norwood and Killarney, in all 868 boxes.

Children Cry FOR FLETCHER'S CASTORIA

NORTHWEST NEED MEN.

The farmers of Alberta, Saskatchewan and Manitoba are worried over the labor outlook. With 14,850,000 acres under crop this season, it is going to be a difficult task to get men enough to handle the grain. Labor is the greatest problem with which the farmers of the Northwest have to contend, but the situation will have to be met and grappled with in some manner.

GOING AWAY.

The numerous friends in Lindsay, and especially in the vicinity of Glenora of Dr. Dougal Jamieson, will be pleased to hear of his recent lucrative promotion. Dr. Jamieson, who has during the past two years been on the staff of the Toronto General Hospital, is going to Newfoundland to take charge of a hospital at a salary of \$5000 per annum. Dr. Jamieson at one time attended the Lindsay L.C.I., and gained a host of friends in Lindsay.

PAYS THE PENALTY.

Peterboro, Ont., June 23.—Robert Henderson, the murderer of Miss Macpherson, of Norwood in January last, was hanged here this morning at 7.02 o'clock. Henderson retired at 10.30 last night and slept well, being awakened at 5.30 this morning. He said good-bye to all, and thanked the jail officials for their kindness to him during his imprisonment, and walked to the gallows without flinching. Rev. Canon Davidson walked with the prisoner reciting prayers and words of comfort and trust. Hangman Ellis pulled the lever and the door dropped at two minutes past seven. The heart action stopped at 7.11. Henderson's neck was broken by the fall.

The bodies of two men killed in the collapse of the Quebec bridge in August, 1907, were found yesterday when debris was being removed.

The Newest and Latest Song

The advent of summer usually brings an unusual number of so-called popular songs to our great metropolitan city, and this year has proven no exception to that rule, which stands out prominently from the rest and which, for a time at least seems to hold sway with all the bands, orchestras, singers and, in fact, with everybody in any way musical.

The favored song this season is a novelty conception, entitled "I've Got the Time; I've Got the Place, but It's Hard to Find the Girl." No matter where one wanders, he's bound to hear the strains of this song, either whistled, played or sung, the only fortunate point being that the terrible hand organ man hasn't started to grind it out as yet.

The writers of this song are S. R. Henry and Ballard Macdonald, whose names are well known in the world of popular music, for they are the authors of such successes as "Down at the Huskin' Bee," "I Wish I Had My Old Girl Back Again," "When It's Moonlight on the Prairie," "Down in Yucatan" March and a number of others equally well known.

T. P. O'Connor says the feeling is strong among British politicians that peace is almost in sight.

August A. Busch, vice-president of the Busch Brewing Corporation, is to build a \$400,000 house on the old General Grant farm near St. Louis. James A. Patten of Chicago, the Cotton King, and seven other men in the bull party in the cotton market have been indicted by a special grand jury for violating the Sherman Anti-Trust law by operating a pool to corner the supply of raw cotton.
