HOW SKIN-TROUBLES HAVE BEEN CURED

A Remarkable Record of Itching, Burning, Disfiguring Eruptions Successfully Treated.

That those who have suffered long and hopelessly from eczema and other torturing, disfiguring eruptions of the skin and scalp and who have lost faith in all manner of treatment, may learn that there is one way to find immediate relief, the following remarkable series of condensed testimonials is published: W. H. White, 312 E. Cabot St., Philadelphia: Knee to ankle a mass of eruption. Suffering simply indescribable for six long years. Had to scratch till blood ran and health was undermined from lack of sleep. Cuticura Remedies cured it without a mark. Mrs. M. C. Maitland, Jasper, Ont.: Itchy rash on her baby's head when but three months old. It spread over entire body. Put mittens on him to prevent tearing skin. Reduced to a skeleton. One bath with Cuticura Soap and application of Cuticura Oint-ment soothed him to sleep. A single set cured him. Thinks child would have died

but for Cuticura Remedies. Mrs. Wm. Hunt, 259 Fairmount Ave., Newark, N. J.: Whole body a mass of raw. torturing eczema. Agony was beyond words. Hair all fell out and ears seemed ready to drop off. Clothing would stick to bleeding flesh. Hoped death would soon end learful suffering. Cuticura Remedies cooled the itching, bleeding flesh at once and soon cured her. Mme. J. B. Renaud, 277, Mentana St., Montreal: Treated by doctors 25 years for bad eczema on leg. It peeled from knee down; foot like raw flesh. Doctor advised cutting leg off. Decided to try Cuticura Remedies first. In two months' use of Cuticura Remedies she was cured. Mrs. Nora Emmott, 26, Lena Gardens, Brook Green, London: Two little girls had dreadful scalp trouble that doctors called ringworm. Cried with intense itching. Hospital treatment gave frightful pain but did no good. Suffered three years, cured by three sets of Cuticura Soap and Ointment. H. A. Krutskoff, 5714 Wabash Ave., Chicago: Itching eruption spread from hands to body. Literally tore his skin off in shreds. Doctors and remedies did no good. Cuticura quickly and cured disease in three weeks. Frank Gridley, 325 E. 43rd St., New York: In twenty-four hours he became raw from head to foot with a dreadful burning itch. Suffered agonies and could not lie down or Cuticura Soap and Cuticura Ointment cured him in a single day. Mrs. Kate Brougham, 200 Dewey St., Bennington, Vt.: Rash came on her baby and soon turned to watery, crusted eczema

over face, head and body. He was a fearful sight and all attempts at cure were fruitless. Vastly improved in a week by use of Cuticura Remedies and soon skin was clear and healthy. G. J. Dance, 27, New Road. Brentford England: Tortured for five years with bad skin disease. Attended hospital five months without success. Covered with eruption. No sleep nor rest. Felt like tearing himself to pieces with terrible itching. With first application of Cuticura Ointment was relieved and got good night's sleep. The Wedding Ring

Cuticura Book on skin diseases.

The bridal month will soon be here, so that it will be interesting to know the history or origin of the wedding ring. Here it is as told by Rossiter Feton Smith:

No one knows just when the wedfunds. I am always ready to buy earliest times the little band of gold bore the tradition that it typifies the fetter that bound the pre-historic captive women to the man who

had captured her. The first wedding ring or chain of this kind, was more like our modern hand cuffs, and in some cases it may have been not unlike a dog collar. Anyway, it was attached to the prospective bride by main force, and moon, her piercing shrieks told

Mr. R. J. Menzies Is Leaving For Saskatoon

The lure of the Canadian West has enticed another well-known Lindsay citizen to "fold up his tent" and seek a living in richer fields, Mr. R. J. Menzies, who has been a member of the Dundas & Flavelles Ltd., for the past twenty years, has decided to locate in Saskatoon, Sask., where he has secured a lucrative position with R. B. Irvine & Co., extensive coal

and lumber dealers. The decision, which was made after due consideration, will be received with a great deal of regr?t by the numerous friends of Mr. and Menzies in Lindsay. He has been a popular citizen in sporting circles in Lindsay, being an enthusiastic baseball fan and an ardent curler. His friends of the broom and the stane will miss him in the curlers "chamber of horrors" where his ready wit was always to be heard and also on the ice, where he was found to be a cheerful winner and a good loser. For a number of years he was identified as secretary of the Lindsay baseball club when this town was represented in the Midland League with some fast teams, and in the year of 1904 when the Lindsay baseball nine won the championship of the Midlan.

Mr. Menzies has had a checkered experience in the mercantile business learning the trade in the city of Peterboro, after which he worked in Norwood, Rochester, N.Y., Winnipeg, Albany, N.Y., finally settling down in Lindsay. Here he first worked for Bradburn & Company, after which he entered the Dundas & Flavelles when that firm was doing business in the one store. Afterwards the 1. & F. firm purchased the G. Beall store and enlarged their prem ises. During the time Mr. Menzies worked for Bradburn & Co., he also was manager of the opera house. Mr. Menzies decided to go West ow-

ing to the fact that he wished to better himself and also to the fact that he has already two sons living Saskatoon. He received a number of tempting offers by lettergram and decided to accept the offer of Irvine & Company and will be employed at Pusey, the enterprising manager brother of Dr. Irvine, of Lindsay. road as fast as possible, and last and on the way out will vis- Gooderham early next fall.
