LOW PRICES

The Watchman was interested in looking over a copy of "The Chicago Packer" of June 10th, one of the leading United States produce journals to note the comparison between the prices realized for produce in Chicago and in Lindsay. Take eggs for example: last week with receipts of over three million dozen the price ranged from 11-14c according to quality with ordinary current receipts in free cases quoted at 11-12c per dozen. These last are the ordinary eggs as received from the

country storekeeper or farmer and when it is remembered that this price includes a free case and the freight charges to Chicago amounting in all probability to nearly 2c per dozen it can readily be seen that the farmer has not realized more than 9-10c per dozen for his product. Last Saturday the Lindsay merchants paid 15-16c for eggs. In like manner dairy butter was quoted at 13c while Lindsay was paying 17-18c. Question: What price would our farmers be receiving if we had reciprocity?

BURY'S GREEN.

Bury's Green, June 13. -- Farmers are wearing a smile these days as the recent rains are making the crops grow fine. The severe thunder storm accompanied by a tremendous wind which passed over this vicinity on Sunday evening did very little damage except the blowing down of a few rail fences. Mr. Alex Duncath finished his job of taking the census this week. Road work is the order of the day. Mr. Frank Akister has purchased a quantity of stumping powder and has taken a job of stumping a field for his brother, Mr. E. Akister, and by the reports stumps are going up. Mr. John Armstrong raised a large driving shed on Thursday of last week and in the evening a large number of young people were entertained to a dance. A grand picnic will be held on the afternoon of June 30 in Mr. J. Billiett's woods where a large list of sports will be run off and valuable prizes will be given. A first-class refreshment booth will be on the grounds. The Holy Sacrament of the Lord's Supper was administered to a large congregation by the Rector, Rev. W. H. French. It is with deep regret we report the sad death of the late Mrs. John Newhouse which took place quite early on Monday morning last. The deceased had been suffering for nearly a year with cancer in the throat and in spite of every medical attendance, including some months treatment with specialists, nothing could be done to prolong life and towards the last she suffered terrible pain. Deceased was in her 35th year and leaves behind a loving husband.

PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores When the sores of the body--boils, ulcers and skin ducts--get clogged up, the blood quickly becomes impure and frequently sores break out over the body. When the liver near London, Ont., found it to purify the blood. He writes: "For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicines for the blood and used many kinds of treatments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some means that would accomplish this. At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always please a person in my home and are highly recommended by the family physician. Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all druggists at 25c a box.

The fierce wind storm which passed over Woodville and places south and east from here Sunday afternoon, leaving such destruction in its wake, did little damage in this neighborhood. Remember the garden party on Monday evening June 19. The baseball match between Lorneville and Woodville teams promises to be more than usual interest. A baseball match between Lorneville and Grass Hill Juniors on Saturday last resulted in a victory for the Lorneville boys. Mr. St. John, who has been day operator here for some time, was called to Sunderland a couple of weeks ago to relieve the agent there. Mr. Reid is now on duty, while Mr. F. Bradley, of Omamee, has received the night responsibilities. Miss Beatrice McFadyen, of Toronto, is at home at present. Miss Margaret McFadyen, of Hartley, visited Miss Beatrice McFadyen last week.
