Lindsay Shamrocks Beat the Janetville Sluggers

The Shamrock baseball team made their first appearance on the diamond on Friday afternoon when they visited the village of Yelverton and crossed bats with the fast Janetville team, winning with ease, the final score being 23-15. The Janetville sluggers were treated to the worst drubbing in their baseball career, which was caused by the ball out of the grove. Dr. Gilson, their famous twirler, and the bats of a thousand victories, was knocked off the mound in the first inning after seven runs had been scored on him and nobody down. Capt. McGill took his place and was treated to a similar fate during the remainder of the game.

One Mr. Mann, the Collegiate third baseman, occupied the box for the Shamrocks and for the first five innings had the sluggers at his mercy. During the last two innings they solved his delivery and landed on the ball good and hard, scoring eleven runs. The feature of the game was the many long distance hits made by the Shamrocks, every man on the team having several hits to his credit, including home runs by Langdon and Day, while Killen had three two-baggers and a single to his credit.

The Janetville team will appear in Lindsay on July 1st and with two weeks practice will come close to winning the Advancement Club tournament. A very large crowd was present and at the conclusion of the game a sumptuous repast was served by the ladies of the village.

Mr. Burke McGill, of Yelverton, handled the game to the satisfaction of both teams. The teams:

Dennisson	N. W. McGill
Martin	Heaslip
Cain	Burn
Langdon	O. McGill
Mann	Gilson

MOVING PICTURES FOR THE CAMP

Col. Hughes Has New Scheme for Cadet Camps

Ottawa, June 13.—Colonel Sam. Hughes, Minister of Militia and Defence, has evolved a splendid substitute for the canteen, also a happy scheme for the combined entertainment and edification of the forty thousand cadets who are expected to assemble in the various cadet training camps throughout Canada next month. The minister believes that moving-pictures can be utilized in the camps, both to entertain and instruct the militia troops and the cadets at night, thereby profitably filling in the hours when mischief brews, and when the canteen is especially missed among the men who are addicted to intoxicants. He has taken steps to have the department supply moving-picture machines and a supply of films at the cadet camps of this and next year. The scheme will, if found feasible, be extended to apply to all the militia camps. The pictures can be shown in the open air, and this "fire entertainment" will undoubtedly prove a most popular feature of camp life. Efforts will be made to secure films of special educational value, dealing with military subjects, and also with Canadian life and development in all the Provinces. Pictures of the British, German or other armies manoeuvring, reproductions of famous historic events, and travel pictures will be featured. The scheme is now being worked out by the minister, and he expects that it will do much to popularize the training camps and attract to them the best type of young men.

Strong pressure has been brought to bear on Col. Hughes to make the anti-liquor regulations at camp a little more elastic, especially in the officers' messes, but he is determined to secure absolutely dry camps.

RECIPROcity IN RELICS.

Col. the Hon. Sam. Hughes has not yet decided whether he will grant the request of the Massachusetts Historical Society and return the gun now at Quebec which was captured by the British troops at Bunker Hill. It is quite likely that the minister of militia will ask that in return for this gun, the United States government should return some of the guns or other trophies captured by the United States from Canada during the same war.

Popular Band Master of 45th Regiment

Kingston Whig: One of the prominent figures of the Barriefield camp, especially among the musicians, and a landmark in the 45th regiment, in which he has served over thirty years is W. H. Roenick, bandmaster of the 45th regimental band, and who has, for years, conducted the massed bands at the annual tattoo. He was born in Belleville, and enlisted in the 15th regiment when he was fifteen years old, under Lieut. Col. Lazier, and later Col. the 26th regiment at London. Mr. Roenick then removed to Bowmanville, then the headquarters of the 45th, and joined that unit, since serving under Lieut.-Col. Cubitt, Lieut.-Col. John Hughes, and later Col. the Hon. Sam. Hughes. The veteran bandmaster has had charge of the best band in camp, the 45th, for twelve years, and held his warrant officer rank for that time. He is a pupil of William Carey, once the bandmaster of the 14th regiment band, and his fame as a leader is widespread.

OBITUARY.

ELLENOR MAY SHARPE. A sad death occurred in Toronto Wednesday morning, June 12, when Ellenor May Sharpe, wife of Mr. Alvin Earl Macartney, of Toronto, and daughter of Mr. and Mrs. David Sharpe, Fair-ave., Lindsay, was removed by the Grim Reaper to the heavenly mansions above. Death was very sudden, the deceased lady having only been ill one week, and the shock to the family and sorrowing relatives is a very severe one. On Saturday last the infant daughter of Mr. and Mrs. Macartney was buried in the Riverside cemetery, Lindsay, and although the very best of medical aid was summoned to the bedside of Mrs. Macartney, as well as having the kind and loving care of her mother, the deceased lady became seriously ill, and gradually sank lower and lower, death taking place Wednesday morning. Mrs. Sharpe was constantly in attendance, and everything possible was done to save the young life of her daughter.

The late Ellenor May Sharpe, who was 23 years and 7 months of age, was married about a year and a half ago, and since that time has resided practically all the time in Toronto. She was very popular with her numerous girl friends in Lindsay, and her sudden demise comes as a great shock to all, who now join with the Warder and citizens generally in extending their heartfelt sympathy to the bereaved parents and members of the family. Left to mourn the loss of a devoted daughter are the parents, Mr. and Mrs. David Sharpe. There also survive: one sister, Miss Mabel, and two brothers, Neville, of Dauphin, Man., and Willard, at home.

The remains were brought home to the residence of Mr. Sharpe, Fair-ave., from which place the funeral was held on Monday afternoon at 3.30 o'clock to Riverside cemetery.

EARLY CLOSING.

According to the annual custom the dry goods and clothing stores of Lindsay will close at five o'clock in the afternoon every day except Saturday during the months of July and August. The petition has been circulated and has been signed by every drygoods and clothing merchant in town. For this short extra breathing space the clerks are grateful.

Interesting Sketch of Former Lindsay Preacher, E. W. Pantou

Editor M. A. James, of the Bowmanville Statesman recently gave a sketch in his paper of his "Three Schoolmasters," one of whom was Rev. E. W. Pantou, for a number of years minister in Lindsay. Another was Dr. E. Jessop, the member of the Ontario Legislature for Lincoln. Of Mr. Pantou, Mr. James says: The teacher in Enfield school in the Township of Darlington, County of Durham, in 1864, was Ebenezer W. Pantou, and he had a packed house during the winter months. He was a successful and very popular man with the young people, for not only the little folk but the young men and women of the section attended school in those happy days. Often seventy scholars were crowded into a 20 by 24 room with elevated seats after the style of a grand stand on exhibition ground and those who occupied the upper benches were quite near the ceiling. Imagine one teacher to-day with classes ranging from the Abecedarians up to a senior fifth class, the members of which were qualifying for teachers' certificates, seventy in all and he having to teach them in all the subjects on the curriculum. This was what Teacher Pantou did.

He was a model disciplinarian and systematic, orderly, neat, sweet and a gentleman always. It was no wonder that he was beloved by all his scholars. One exercise we scholars greatly enjoyed were singing exercises. We had prayer at opening and closing of school sessions regularly and often before evening dismissal a lively school song, sometimes part songs, and every boy and girl took part. Grand boyhood days were these and their pleasant memories centre round our worthy teacher, Ebenezer W. Pantou.

Ebenezer W. Pantou was born in Cupar of Fife in Scotland in 1842 and migrated with his parents to Canada in 1848, his father settling in Toronto, where he started a confectionery business on Yonge-st., Ebenezer attended a school kept by one Moore on King-st. and later went to what was called the "Old Model School." His father, dying
