OBITUARY

ROBT. McMAHON. After a lingering illness of several weeks there passed away at his home in Millbrook, Ont., Thursday, Mr. Robt. McMahon, who for some time was a faithful employe of the Grand Trunk, having been engaged with the bridge and building department.

The late Robert McMahon was well-known in Lindsay and in Millbrook and vicinity. He was a man held in the highest esteem by fellow workmen and his death is very much regretted.

Left to mourn his loss is a loving and devoted wife and his father, besides the following brothers and sisters: Messrs. J. J. McMahon, Lindsay; Thomas, of Bridgenorth; and Edith, of New York.

If a man ever thinks seriously of marriage it is after taking a hand in the game. Inland revenue returns indicate that the consumption of liquor and tobacco in Canada is rapidly increasing.

age whether the train would be kept on but from prospects he thought it was here to stay and Bobcaygeon should appreciate the effort. The train returned Sunday evening at 7.30.

The C.P.R. have been using dynamite galore during the past week removing stumps and stones in preparation for making their grounds at the station one of the proficiest ever. Now that a special is being run in every Saturday with prospects of bringing in carloads of tourists they are taking the lead in sprucing up. The effort should become contagious so that the visitor may see us in our summer dress.

Fishing season opened Monday, the 17th. To be exact according to the fish and game act it opened on the 16th but then the 16th was on Sunday this year which delayed the opening till the next day, although so far as we understand not being versed in the intricacies of the law—fishing is not strictly prohibited on Sunday by that act, but is a contravention of the Lord's Day Act.

The Women's Institute held their regular meeting on Monday, the 17th in the Parish Hall. Miss Goswell, of Port Arthur was present and addressed the meeting on "The Education of Young Girls" giving a very practical talk on the fundamentals which are so necessary in the bringing up of children in the home and which, if adhered to, will stand for the making of many beautiful homes.

from Ireland, is taking charge of the church of England parish here at present. He is a strong and forcible speaker and coming from Ulster, the seat of disaffection to Home Rule for Ireland, is able to enlighten many of us on the light of the poor Irish peasant which one does not get from the associated press despatches or current news.

United States manufacturers have increased the price of cement in the west, and will thus rake in the amount of duty reduction as so much additional profit.

Mr. and Mrs. W. A. Goodwin Celebrate Golden Wedding

This time fifty years ago in the good old town of Cobourg was celebrated the marriage ceremony of Mr. and Mrs. W. A. Goodwin, now residing at their pretty home, No. 27 Cambridge-st. The honeymoon trip in par' was spent in an enjoyable trip on the Kawartha Lakes upon that staunch and well found Steamer Ogemah, under command of Captain Church. The newly married couple remained for two weeks at the Clifton House, Fenelon Falls, then owned by Mr. Podger of that town.

Mr. Goodwin distinctly remembers the remarkable view presented on entering the Scugog river on their trip to Lindsay. The hundreds of acres of dead standing tree trunks which lined the channel brought to his memory the parting view he got of Liverpool shipping when bidding farewell to "Merry Old England."

Low Vitality in the Spring

Vigor comes for good red blood! Almost everybody's body is thin and watery in the spring. Hence the tired, languid feeling, loss of energy and ambition, and general weakness of bodily organs.

You can feel yourself getting strength and vigor when Dr. Chase's Nerve Food is used. The blood is made rich and pure; the appetite is sharpened; digestion improves and every organ in the body feels the benefit of the rich, red, life-sustaining blood.

Mr. W. J. Vonner, clerk, 20 Howar street, Halifax, states: "This spring I felt that I needed a tonic. My health was very much run down and my system generally in a weakened condition. Soon after beginning the use of Dr. Chase's Nerve Food I could see that it was doing me good as I felt very much better. This medicine gradually toned up my system, cured me of headaches from which I used to suffer, and I now take pleasure in recommending it as a grand nerve and general tonic."
