Toronto Representatives H. E. Smallpiece, 82 Church-st. Agency of the recognized advertising agencies in Canada are authorized to accept business for The Watchman.

CANNINGTON WON.

The Cannington baseball team won a lively and exciting game of baseball from the Janetville sluggers Monday last at Seagrave.

DECORATING PREMISES.

Proprietor Darch, of the Pym House, who always keeps a good front, has improved it materially by a fresh coat of paint in white and chrome. More citizens should follow the example set and beautify their premises.

NED WILKES A WINNER.

In the 2.24 stake trot \$1,000, at Chatham on Thursday Ned Wilkes, b.g., owned by W. A. Collins, of Sunderland, formerly owned by Mr. W. A. Fanning, of Lindsay, won second money, Gun Metal, of Reads-ville, Mass., winning first place. Third money was won by Wick Bruno. Time for three heats 2:17.

BUSY CONTRACTORS.

Williams Bros. are busy men these days. They have just completed the brick work of the new stores for Mr. Geo. W. Deall, and at present have men engaged in putting in a concrete floor. They are also engaged at the new Methodist church, Oakwood, where they are looking after the brick work.

NAVY LOSES A LEG.

An Italian navy, No. 51, working on the C.P.R. construction at Pickering, had a leg amputated above the knee at Belleville Hospital as the result of an accident in which the leg was injured by a dump car. Dr. Brown, of Lindsay, C.P.R. surgeon, who has made his home at Belleville during the time of the C. P. R. construction east of Toronto, performed the operation.

POTATO CROP OUTLOOK.

From East Ops comes the report of Mr. Matthew Murtha, a prominent farmer in the 8th con. He stated that the potato crop will be insufficient to supply the local demand as many farmers were compelled to abandon the idea of planting owing to the exorbitant price of the tubers. The Delewares were the only seed to be purchased in any quantity and they have a bad reputation as producers. Mr. Murtha sowed a large field of Prince Albert peas on the 11th of June to replace a field sown on the 16th of May, which was completely destroyed by the constant rains. His views are pessimistical on the crop outlook.

C.P.R. TO BLAME.

Mr. Wm. Sloan, an ex-councillor of South Ops, had ten acres of grain sown when the spring rain started. Twenty remained to be seeded, which had been left in that way until lately, when he seeded the ground with millet, turnips and mangels. Mr. Sloan does not favor the growing of buckwheat as it leaves the ground practically useless for years after. He stated that one field which was sown to buckwheat on his farm five years ago has lost its productivity ever since. The ex-councillor blames the C.P.R. for much of the damage done by flooding the lands around his district. The culverts under the rail tracks being unequal to the demand and the water, at times raised ten inches over the openings. He anticipates that law suits will surely follow such impropriety and negligence on the part of the company in not providing proper egress for the flood.

SCHOOL GARDENING.

Many of the Watcher readers may be interested in the plans of the Department of Education for introducing the subject of agriculture in to our rural and village schools in a practical way. It is now very generally considered that the work in the schools might very well be adapted to the interests of the neighborhood and the employments that will likely be followed by the boys and girls after they leave school. In most cases material has been supplied by the schools' division of the Experimental Union to be used in school or home gardening. As the agricultural interest is the chief interest in this province, it is fitting that schools that actively promote this interest in a practical way should be encouraged in the work. Is there any reason why the school ground should not be so improved and the children so educated?

It is rumored that H.R.H. the Governor-General will visit the Niagara cove on Friday.

KIRKFIELD.

Kirkfield, June 24. - Mr. Russell Campbell, of L.C.I., is visiting his parents here. Sir William and Lady MacKenzie, Count and Countess De-Lesseps and babe, Miss Bertha and Ethel MacKenzie and Miss Mabel Meagher, of Toronto, are in town at present. Miss B. McGilivray, of Toronto, is visiting under the parental roof. Mr. McMillan, and Miss J. McMillan, of Beaverton, paid a flying visit to Toronto, Niagara Falls and Beaverton the past week. Our baseball team played with Lorneville at Hartley picnic last Thursday and were successful again. Mrs. George Ashman has sold her home to Mr. Mitchell. They are leaving shortly for their home in Lindsay.

A large number of the congregation and choir of the Methodist church with their pastor, Rev. Hie, gathered at the home of Mrs. George Ashman on Friday evening of last week and had a very enjoyable time with music, games, etc., after which Mr. Hoidege read a well worded address to Mrs. Ashman and presented her with a beautiful rocker. Mrs. Ashman has been organist of the church and a faithful worker for years. After the presentation a dainty refreshments were served and all joined in singing "Blest be the Tie that Bindeth," and before departing, "God be With You Till We Meet Again."

Rev. Mr. Hie will also be leaving soon. We regret having a part with him but wish him every success in his new field. Miss A. McDonald, of Windsor, is spending her holidays with her mother.

CAMBRAY.

Cambray, June 17. - The S. S. anniversary on June 9 and 11 was well attended. On Sunday after the regular lesson exercises a short program was given. The S. S. choir sang well and Mr. N. Smale's address was enjoyed by a large congregation. On Tuesday quite a large crowd gathered on Mr. Feir's place by the pond and enjoyed themselves watching the sports indulged in by the children. The main feature of the evening was a baseball match between Bryson's and Cambray school teams, Cambray team being victorious. After tea the Epworth League gave a splendid program, consisting of drills, music, recitations and gramophone selections. Mrs. (Dr.) Gould, of Fenelon Falls, was the guest of her sister, Mrs. W. Tompkins last week. Mr. and Mrs. W. B. Fair attended the wedding of their niece Miss Phemie Feir, of Peterboro, last Wednesday.

Mr. Pethick and Mr. W. Parkin, of Zion, took charge of the service here on Sunday in the absence of Mr. Howard, who was preaching on the Woodville circuit. The S.S. choir, with Mrs. Feir as organist, supplied the music as the church choir were helping at Zion. Mr. W. Sinclair is adding to the appearance of his house by building a verandah. Mrs. McIntyre and Mr. W. Wells also improved the appearance of their residence by having them re-painted. Mr. S. Burton spent part of last week in Lindsay sitting on the jury. Miss Flossie Braden, of Cameron, spent the past two weeks with Mrs. Pollard.

Mrs. Gilbert attended the anniversary services at Zion on Sunday. Mr. Orval James returned to Huntsville to-day to resume his duties in the bank there, after spending two weeks at home. Mr. L. and Miss M. Warren, of Lorneville, attended the S.S. picnic last Tuesday. Mrs. W. Chambers is visiting her daughter, Mrs. Gilroy, at Myrtle, at present.

COBOCONK.

Cobocok, June 26. - Mrs. Chas. Grazele and Mrs. Wm. Grazele and children, of Bracebridge, are visiting their parents, Mr. and Mrs. Steve O'Connor.

Mr. R. Pearce and Mr. V. Powell took in the Farmers' Excursion to Guelph last week. Mr. and Mrs. Peel and Miss Hatie Gandier motored to Lindsay one day last week.

Miss R. Gandier, of Toronto, is spending her vacation with her father, Rev. Geo. Gandier.

LORNEVILLE.

Lorneville, June 18. - The Misses Hughson, of Toronto and Cannington, are visiting their sister, Mrs. Parks.

Mrs. J. Smith is in Toronto visiting her daughter Maude, who is in the hospital, having undergone an operation on her ankle.

Mr. Frank Smith, of Toronto, is spending his holidays at his home at present.

Miss L. Spence, of Victoria Road, visited Miss E. Campbell over Sunday.

Mrs. J. Campbell is at present ill with appendicitis, but we are pleased to state that she is improving.

Miss Annie Campbell visited in Beaverton during the past week. Mrs. Eva Kerr, of Toronto, and Miss Margaret Kerr, of the L.C.I., returned home last week.

Sir Lomer Gouin has been made Grand Officer of the Order of Leopold II.

SUTCLIFFE'S Department Store LINDSAY

Lighting System to be Improved

The new transmission lines of the Seymour Power Company from Peterboro to Lindsay having been connected with the new sub station north of Carew's box factory, the engineers are at present in town, in regard to arranging a new system of street lighting. According to the agreement between the town and the Seymour Company the latter agrees to supply current for three years free as follows: One 16 candle power light for every 50 inhabitants up to 5,000 population, and one 16 candle power light for every 100 people above 5,000 population. This would entitle the town to about 125 16 candle power lights, or two large arc lights. A special meeting of the police and lighting committee of the town council was held last night for the purpose of meeting Messrs. W. S. Robertson and S. Stocking, representatives of the Seymour Power Company, and discussing the lighting question, the company wishing to get an idea from the council as to where the free light current would be distributed, and it was finally decided to have the engineers make a thorough report, giving an estimate of cost of installing cluster lights or arc lights on Kent-st. and William-st. and also of improving the lighting system of the town in general. The report will also be based on supplying the extra free current on the two above-mentioned streets. Considerable discussion took place as to whether the extra free current should be distributed on the outskirts of the town, where the lighting is poor, or on the town main streets, the majority of the members feeling that it would be practically useless to scatter 125 sixteen candle power lights on the outskirts as they would not be strong enough to amount to any real benefit in extra illumination. On the other hand it was maintained that two extra arc lights on William and Kent-st., where the combined 125 16 candle power lights could be used, would materially aid in giving a good light on the two main streets. The main streets should be well illuminated in order to give good service to every citizen of the town, and to leave a good impression with visitors. The Seymour Power Co. engineers wished to commence work at once, owing to the fact that the poles on Kent and William-sts. have to be removed this summer and a new system installed. However, owing to the fact that cluster lights come higher than the arc lights, the probability is that the arc lights will be used again, although a larger number will be strung across the streets. Ald. Horn-"The committee feels that the present lights are too far apart. We should have more lights and closer together." Mr. Robertson-"I understand personally that the town wanted a new system on Kent and William-sts. only. However, we could attend to these two streets first and the others afterwards." Ald. McWatters-"There is so much foliage in Lindsay that our present lights are of very little use. We should have a new system." Mr. Robertson-"The question of lighting is one of opinion. Some towns prefer arc lights, as you have them here, and others prefer the tungsten lights." Ald. Horn-"Was it not mentioned that lights would be placed over every man's door-one light-free?" Mr. W. E. Reesor-"My impression is that the matter of lighting referred to Kent and William-sts. only, because the agreement states that the company removes all poles on those two streets. The work on William and Kent-sts. should be done at once." Ald. Horn-"Well, I prefer seeing the cluster lights." Mr. Stocking-"Well, the cluster lights will cost a trifle more than arc lights. A cluster of 3 would have to be about 100 feet apart." Mr. Robertson-"A proper system of arc lights across the street would be best for Lindsay. You would have to have 21 cluster lights on Kent-st. alone. A good arc light situated every 50 feet would give a remarkably good illumination." Ald. Horn-"There are so many dark lights in town on the outskirts that I would place the extra lights there instead of putting more on the main street." Mr. Reesor-"Yes, but the cost of installation would be much higher." Mr. Stocking-"Well, most of the towns take the view that the main street at least should be well lighted as a matter of giving visitors a good impression of the town." Ald. Smale-"That is my theory. I have, as the average citizen has, great pride in the town's main street. We have a fine street and if the poles are removed and a better light installed then we would indeed have a fine street." Mayor Wood-"I also favor it that idea." Mr. Reesor-"A safe system of trimming trees would help greatly on the streets. If they were properly trimmed there would be much better light." Ald. Dobson-"We want more light for less money." Ald. McClery-"We ought to set

June Weddings

June Weddings HYMENEAL. JOHNSON-STINSON. A quiet June wedding was solemnized at Janetville this morning when Miss Laura Luella Stinson, daughter of Mr. and Mrs. William Albert Stinson, became the bride of Mr. Richard Hildon Johnson, both of Janetville. The ceremony, which took place at the home of the bride at seven a.m. was performed by Rev. W. W. Jones, pastor of the Methodist church, Janetville. The bride, who was given away by her father, and was unattended. Mr. and Mrs. John left on a wedding trip to Peterboro, Kerns, Belleville and other eastern points, and on their return will take up their residence at Janetville. MILLSON-DEVITT. St. John's church, Blackstock, was the scene of a very pretty wedding on Saturday, the twenty-second day of June, when the marriage of Annie Bertha, daughter of Mr. J. H. Devitt, M.P.P., and Mrs. Devitt, to Edward O., son of Mr. and Mrs. Eber Millson, was celebrated. The quaint old church was resplendent with a profusion of flowers and festoons, and the bride was escorted by her father, who gave her away. The groom was attended by Mr. Gordon B. Conant of Oshawa, and the ceremony was conducted by Rev. J. H. Kidd. The bride, carrying a bridal bouquet of cream roses and maiden-hair fern, and wearing a beautiful gown of all-over lace over cream duchess satin, trimmed with pearls, looked very charming. The maid of honor, Miss Myrtle Devitt, was pretty in white nixon over yellow silk, with trimmings of lace, and carrying a splendid bouquet of yellow roses and maiden-hair fern, while the bridesmaids, Miss May Glede of Port Perry, and Miss Edna Maxwell of Seattle, wore pale blue silk, with trimmings of lace, and carried bouquets of pink roses. As the Italian fleet concentrated off Stampalia, with transports carrying a landing force of 20,000. The British Budget surplus was allocated to the navy, to Uganda development and to the reduction of the national debt. If there's a woman in the case the unexpected is sure to happen.
