WOODVILLE

The social given last Friday evening on the church lawn by the Mission Band and Christian Endeavor Society was a grand success, and netted the handsome sum of fifty dollars. The very best of our local talent took part in the program, and C. Caverley is one of our and was most popular entertainers, best and in his best form, on this occasion.

E. Weeks and C. Hank in their happy-go-lucky songs pleased all and were loudly applauded. Miss Annie Smith, in her usual classic style sang some elegant songs. Miss Doris McLeod and Miss Ethel Heppensall, in sweet girlish voices, sang the songs that thrilled the hearts of all present, and they were encored repeatedly. Scottie, with his concertina, was a novelty. He plays the instrument well, and we hope to hear from him again. Mrs. H. Robertson and Miss Irena Bingham were the accompanists, and we cannot say anything well that would add to their already well merited reputation. Our badd was in attendance and played many pieces and were well received. Rev. Mr. Williams gave a good address, which was appreciated by the audience. Rev. W. Kannawia occupied the chair in his usual able manner. The ladies of the Presbyterian church provided the refreshments, and here is where your correspondent was in his glory, sampling the many dainty dishes set before him. God bless the ladies for the many good things they provide for us.

HOME WEDDING AT HARTLEY.

A very interesting event took place at the residence of Mr. and Mrs. Wm. Manning, Spring Brook Farm, Hartley, on Wednesday afternoon, June 23rd, when their daughter, Miss Katie R., was united in marriage to Mr. John Irwin, of Toronto.

The drawing room was artistically decorated with ferns and daisies, and at the upper end was erected an arch of evergreens and orange blossoms.

The ceremony was performed by the Rev. E. A. Tonkin, Cambary.

Promptly at three o'clock, to the strains of the wedding march, played by Miss Etta Manning, the bridegroom entered the drawing-room in company with his brother, Mr. Claude Irwin; following came the bride leaning on her father's arm, and attended by her sister, Miss Libbie, as bridesmaid, and her little cousin, Miss Brenda Kent, of Montreal, as flower girl.

The bride was beautifully attired in white point de esprit over white taffeta silk, and wore a bridal veil neatly arranged, with a coronet of English daisies, and carrying a shower bouquet of white roses and lilies of the valley.

The bridesmaid wore pale blue albatross and carried a bouquet of pink carnations, while the flower girl was very daintily dressed in white point de esprit over pale blue silk, and carried a basket of pink carnations.

At the conclusion of the ceremony, after the many congratulations extended, the guests repaired to the dining room, neatly decorated for the occasion.

The bride was the recipient of numerous handsome and valuable gifts, showing the high esteem in which she is held amongst her large circle of friends.

Mr. and Mrs. Irwin left on the evening train for Muskoka, the bride traveling in a navy blue silk tailored suit, and pretty white hat.

On their return Mr. and Mrs. Irwin will reside in Toronto.

Amongst the guests from a distance were Miss Irwin and Miss Hamilton, of Toronto; Mr. and Mrs. J. Kent, Misses May and Brenda Kent, and Mr. Burt Manning, of Montreal, and Misses Olive and Ruby Irwin, of Oshawa.

SUNSHINE FURNACE

BURNS COAL OR WOOD

The Sunshine is a good, "all round" furnace. Burns with equal facility, either coal or wood. Coke, too, if you prefer it.

And so perfect is the combustion of the Sunshine that it extracts every unit of heat from the fuel.

What's left in the ash-pan is not worth sifting.

Sunshine consumes less fuel, too. Because its perfect system of dampers prevent the escape of the hot air up the chimney—compels it to come out through the registers.

You pay for heating the inside—not the outside—of your house when you buy the Sunshine.

If your local dealer does not handle this most economical furnace write direct to us for FREE BOOKLET.
