

COUNTY CORRESPONDENCE.

CAMBRAV.

June 30.—The social evening of the Women's Institute will be held at the home of Mrs. S. Bagshaw, on July 3rd at 8 o'clock p.m. A short program is being prepared followed by a dainty lunch. All the members and their gentlemen friends are cordially invited to attend. W. Gilchrist, general merchant, has placed in stock this week one car of salt, containing barrels and salt. "Prices right."

KIRKFIELD.

June 30.—Mr. and Mrs. MacLean, of Eldon Station, spent Sunday with Mrs. J. W. Follett.

Miss MacKinnon, of Canington, is staying with Mrs. F. Fead.

There seems to be an extra good crop of wild strawberries here this year, at the rate some people are bringing them home.

Mrs. R. A. Livia left Monday morning for Allandale, where they will spend their holidays. Mr. Best, of Uxbridge, is at the G. T. R. depot relieving Mr. Livia.

Miss Josephine Lucy, of Toronto, is home spending the holidays with her mother.

The funeral of the late Mrs. Donald MacEachern took place to Balsover cemetery on Friday afternoon last. Mrs. MacEachern was quite an old lady, and had been a sufferer for some time. Much sympathy is extended to the bereaved family.

Mr. John A. Smith, of Cobocok, paid a flying visit to town last week.

Mrs. Rutherford and baby, of St. Catharines, is home visiting her parents, Mr. and Mrs. H. Campbell.

Quite a number of pupils tried the High School entrance examinations here on Wednesday, Thursday and Friday of last week.

The garden party held here on Friday evening last, under the auspices of the choir, was a decided success, and was thoroughly enjoyed by all.

An interesting game of baseball was played here on Friday afternoon, between Victoria Road and Kirkfield, resulting in a score of about 23-16 in favor of Kirkfield.

Mrs. John MacKenzie, of Toronto, is visiting friends in town.

Mr. and Mrs. Clark visited friends in town on Sunday.

Mr. Dryborough is away on his holidays.

Mr. Wm. King and children, of Preston, are visiting friends in town.

DOWNEYVILLE.

June 29.—Crops in this vicinity continue to look good.

The schools closed on Friday evening, June 26th for the annual mid-summer vacation. We wish both teachers and pupils a most enjoyable holiday, which we feel quite satisfied they have nobly deserved.

Miss Lana Carroll, of Separate School No. 4, left on Saturday for her home in Trenton.

Mr. Dan. Connell, who has been making a tour of the great Canadian West, together with a year among the Yankies, is back to visit his old home.

Miss Marie Hoolihan, after a pleasant trip to the Bermuda and White mountains, has returned to enjoy the clear atmosphere of "Little Downeyville" for the summer months.

Mrs. C. Karvin and Miss May Mulraby, of Chicago, were the guests of Mrs. Wm. and Mrs. Ed. O'Brien Wednesday afternoon.

Miss Flossie O'Brien, of St. Joseph's Academy, is home for her vacation.

Mr. Jos. Fitzpatrick, of Seattle, Wash. but formerly of this place, boarded the magnificent Jefferson on June 3rd, to wend his way to Fairbanks. He will be greatly missed by his companions, the Messrs. Dave and Jean O'Brien, also of that city.

Mr. Isaac Richardson, of Omamee, passed through the village last week and purchased a carload of swine.

A number from Omamee camped at the Indian's landing this month. Three pretty gasoline yachts, two skills and about six canoes made the water a picturesque spot Sunday evening. The fish and game inspector did not neglect to make his visit in the course of the afternoon.

LITTLE BRITAIN.

Little Britain, June 29.—The baseball league game between Little Britain and Valentia was played on Monday in George Mark's field. The southerners were in excellent trim, and were successful in tripping the Britanties to a finish. The latter were not in playing trim, and made gross errors all the way through.

Mrs. Alfred Varcoe, of Zion, Mariposa, is spending a few weeks with Mrs. (Dr.) Hall, and calling on her many friends in this section.

We were pleased to see so many of the Valentia people come up and give their boys support from the bleachers. Among some of the most ardent sports were: Ammon Mark, Cyrus Crozier, James Stokes and Jim Casey. They cheered the boys to an echo every time they made a score.

The anniversary of the Methodist church was a decided success. There was a very large crowd of people. Valentia, Oakwood, Manilla and Zion were represented. After the ball game, tea was served in the basement, and then followed the concert part. The assembly hall was packed to the door. Rev's. Moore of Britain, and Leitch of Sonya, gave short addresses, and the program was filled with recitations, dialogues, etc. The proceeds were about \$140.

Many of the farmers are cutting their clover hay and are anxious for fine weather, to save it in good condition. The cut is very heavy this year, and will require lots of hot, dry weather in order to cure it properly.

The crops never looked better in this section than they do at the present time. Fall wheat and alike are very heavy, and give every promise of being an excellent crop. All of the spring crop is looking well, and will certainly yield abundantly.

The partial eclipse of the sun was viewed by many of the villagers on Sunday. Smoked glass was the order of the day in the morning, and everybody watched the eclipse with interest. The bright day added much to the advantage of seeing it well.

We learn with regret that Mrs. Leslie Tremser, of Peterboro, (nee Miss Louisa Jenkins), formerly of Little Britain, is very low at her home, and but slight hopes of her recovery are entertained.
