Despite the rainy afternoon, there was a good attendance. Much praise is due the young lady waiters, whose tables were so tastefully and beautifully arranged with flowers, which fairly glowed under the weight of good things provided, and which would tempt the faintest appetite. A splendid programme was rendered by the Sunday school scholars, consisting of singing, recitations and singing, which reflects much credit to their training by performing their parts so ably.

The club swinging of the Misses St. John of Toronto, was well received, and deserves much comment. Miss O'Brien, the elocutionist, of Whitby, gave some excellent selection, which were loudly applauded, also Miss Jennie Glendonning's and Miss Walker's singing was appreciated and called for repeated encores.

The Oddfellows of Lodge 316, L. T. B. had their annual sermon preached last Sunday by Rev. Hainer, in the Christian church. There was a very small attendance, no doubt on account of the extreme hot weather. The date should be changed to a cooler time of year.

MANVERS S.S. ASSOCIATION

Annual Convention Held at Janetville a Success

Janetville, July 14.—The annual convention of the Sunday School Association of the Township of Manvers, was held in the Methodist church here on Tuesday, 7th inst. The weather was not very favorable, and not so many were present, as otherwise would have been, but both afternoon and evening meetings seemed to be permeated with an atmosphere of enthusiasm and good cheer. The good cheer could hardly be absent in Mr. Snowdon's church, as he always is enjoying life, and makes it his business that others shall do likewise. Mr. Jakeman, President of the Association, was present. Dr. Marsh and Rev. Mr. Adams unfortunately could not come. The first item taken up was a general discussion of Sunday school difficulties. Mr. Snowdon mentioned that at one of his appointments (Mt. Horeb) he had three services in succession in the afternoon, and the other services somewhat interfered with the S. S. Mr. Richardson thought his greatest difficulty was in the irregular attendance of the teachers. Mr. Jakeman suggested reserve teachers as a remedy for this difficulty, and mentioned his own experience as a reserve teacher. In 27 Sundays out of 28 he never wanted a class. It was thankfully acknowledged that a good proportion of the children of Manvers were receiving S. S. instruction, and that good work was being done. Mr. Clark, of Millbrook, President of the Provincial Association, was present, and made some remarks of what an ideal teacher should be. He should be called of God, divinely called to the work, not entirely upon it haphazard. He should be present 52 Sundays in a year, not 51. A mere headmaster or toothache, or something else, was no excuse; if he were absent, he must be sick in bed. He might as well split wood on Sunday as be absent from his class without a legitimate excuse. Mr. Jakeman thought it would be very difficult to get Mr. Clark's type of teacher. The other subject discussed was a course of study for teachers. It was decided to invite the provincial organizer of teacher training classes to visit the schools of the township. Mr. Snowdon severely denounced Sunday visiting. Mr. Clark's round table conference then was held, and the urgency of observing and preparing for it by prayer and personal interest was strongly dwelt upon. In the evening very interesting addresses were given

Mt. Horeb Teacher Remembered by Pupils

Mt. Horeb, July 11.—On Saturday, June 27, a very pleasant evening was spent at the school, when the pupils assembled to present their esteemed teacher, Mr. Morgan O'Neill with a handsome and costly gold ring, set with an opal. The following address was read: Dear teacher,—I have been requested by the pupils of S.S. No. 12 to offer you this ring as a slight token of our affection and regard. I cannot tell you how delighted I am to be the means of conveying to you the expression of our united love. What we offer you is a poor symbol of our feelings, but we know you will receive it kindly as a simple indication of our affection for each of us, and cherish it for him in your hearts. You have made our lessons pleasant to us, so pleasant that it would be ungrateful to call them tasks. You have dealt gently with us in our waywardness, teaching us by example as well as precept, and whenever memory recalls our school days our hearts will warm towards you as they do to-day. I have been requested by my schoolmates not to address you formally, but as a beloved and respected friend. Please accept with our little present, our earnest good wishes. May you always be as happy as you endeavor to make us, and may we all join in wishing you every success in all your undertakings. Signed on behalf of the school,—Ernie Sluggett, Mona Coulter. Mr. O'Neill made a very suitable reply, thanking the children for their present. A very sociable evening was spent. A good program, consisting of readings, recitations and speeches, was given, after which ice cream and cake were served by the young people.

Case Dismissed

Henry Corey, the young man who charged his employer, Mr. Robert Sanderson, of stealing his clothes and gramophone, on Saturday at the police court, was dismissed on Monday, by Magistrate Moore. The case was thrashed out by the lawyer, Mr. T. Stewart for the defendant, and Mr. I. E. Weldon for the prosecution.

A ROSedale EVENT
