On Thursday last a W. I. meeting was held at the home of Mrs. Weldon Imrie. There were a goodly number present considering the busy season. The Vice-President, Miss M. Cullis presided. One subject chosen for discussion was "Bread Baking."

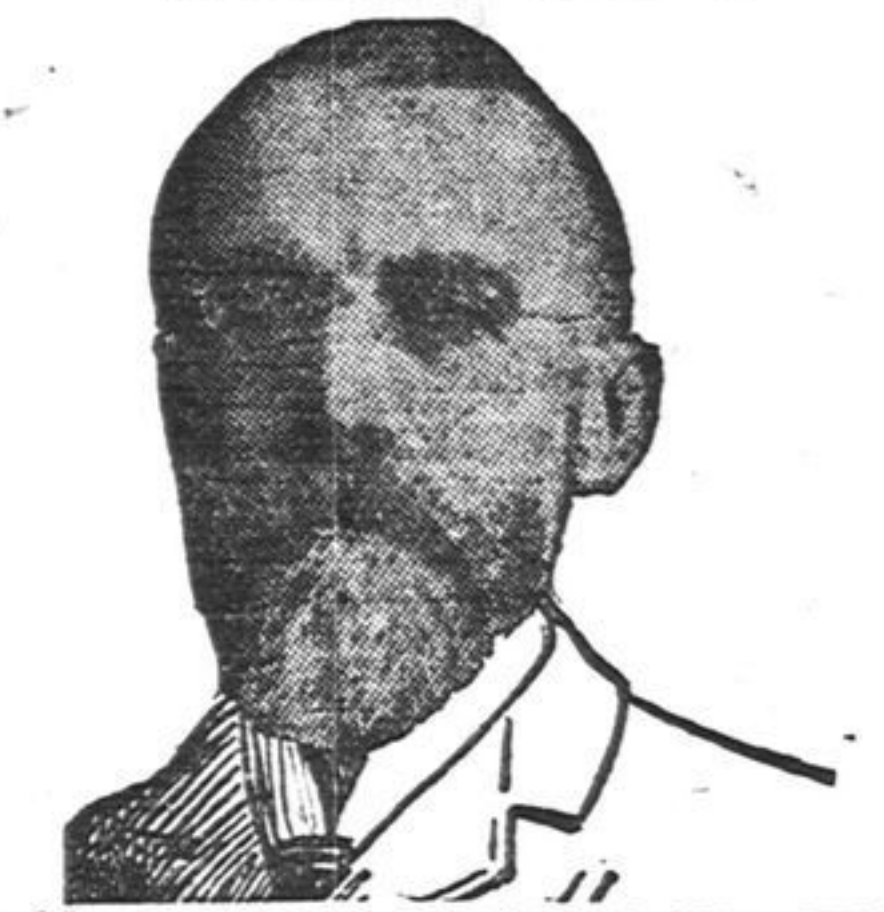

This was led by Miss L. Imrie, who seemed to thoroughly understand her subject. Mrs. R. Webster led in a discussion on "Cake Making," and also distributed some good receipts. The topic "Sunday Dinners" was now well managed by Mrs. Frank Smith-eram. A practical talk on the "Fireless Cooker" by one who had experimented aroused great interest.

### LIFFORD

Lifford, July 24.—Who did not go to the Janetville ball club's picnic? Those that were not there missed seeing the Lifford Invincibles decisively trim the "Yellowtown Tigers," of Yelverton to the tune of 17 to 9, and thus carry off the five dollar prize put up by Janetville for the game. Each team had won a game and tied one, our boys having scored 46 runs to the Tigers 43, so the game on Saturday last was to decide which is really the better team and the general merits may be calculated from the score. Harry Neal, the boy twirler, proved a mystery and ducked his opponents five times, while R. Henley, who does not use the protector did some slean catching behind the bat. His throwing to second base was strong and accurate. Carl

### RUPTURE

J. Y. EGAN, Specialist of Toronto  
A WORD OF CAUTION.

Procrastination is the most common error of ruptured people. In most cases they do not realize the risk they are running. You may have been ruptured for some time and not noticed any change for better or worse. But, remember, no rupture stands still. Even if not getting larger the bowel is growing fast to the inside, and any day your ordinary truss is liable to slip while lifting or coughing and let more of the bowel escape. In such a case strangulated hernia may result in death. Many people come from indigestion and constant colds. They seldom charge this to their rupture, but that is where their ill-health originates. A rupture strains the whole physical organism and is a germ of typhoid, and frequently causes rheumatism, paralysis and sterility. Your rupture cured will make you feel like a new being; your nerves will recover their normal tone and your rundown condition replaced by vigorous, joyous health. Act at once and remove the deadly danger of death which, like a threatening thundercloud, hangs over the head of every ruptured person. Don't delay, to suffer and die. I can do for you to-day. Awaken to the fact that a cure means to you—vital, immediate security, comfort and a perfect physical condition. This is all yours to-day for the asking. Out-of-town patients can consult me and return the same day relieved of all rupture trouble permanently. No operation, pain or loss of time. Tear-off free coupon now.

Free Consultation Coupon.  
This coupon, upon presentation to J. Y. Egan, rupture specialist, 333 West King Street, Toronto, who will visit the towns (on dates mentioned below) will entitle the holder to free consultation and examination of his or her case. Ask at hotel office for number of my consulting room. Note dates.

Sisson at short did some spectacular work, while the feature of the game was Gorden Mitchells' running, one hand catch of a fly to deep centre. For the losers R. Kerr behind the bat and G. Wilson in the box did the best work. R. Heaslip did some good work at the bat. Mr. Logan, of Reaboro gave entire satisfaction as strike umpire, while Mr. P. Hawkins of Reaboro was perfectly impartial as foul umpire.

Following is the line-up—  
Yelverton—  
J. Connel, l.f.; H. Evans s.s.; R. Kerr, c.; J. Evans, 3rd b.; H. Wilson, p.; R. Heaslip, 2nd b.; R. Henry, r.f.; A. Stacey, c.f.; G. Page, 3rd b.

Lifford—  
T. Staples, l.f.; C. Sisson, s.s.; R. Henley, c.; O. Staples, 3rd b.; Whiteside, r. f.; G. Mitchell, c.f.; C. H. Neal, p.; C. Brown, 2nd b.; J. Tims, 1st b.

We are pleased to see in the report of the Manilla-Valentia game in your valuable paper that the old veteran, Ben Stacey played such a good game on first base. Ben certainly made a reputation in those good old days when the Lifford Invincibles cleaned up everything they played, some of the victims, if your correspondent has not been misinformed, being teams in the Midland League. Geo. Neal was the slab artist and A. W. Wilson the catcher. "Archie" never used a protector or a mit. "Those were the times when a "foul tip" was a foul and not a "foul-strike" as now, and 'tis said that A. W. could let the bat tip the backs of his fingers, catch the ball and the batter was out. Others who played at that time are: T. E. Staples, Jas. Hickson, Bert. Foster, Jas. H. Staples., Rich. Cairns, Harry Riley, and Jas. Neal. Not many of these are in good old Manvers now, but are prospering in other parts of our fair Dominion, making reputation for themselves in the many walks of life as they did when they formed the nine known throughout the whole district as the Lifford Invincibles, an appropriate name.

Mr. Robt. Mitchell, of Souris, Man. is down at present visiting Jno. and E. Mitchell. This is the first time he has been here since he left some twenty years ago. He sees many changes and misses many of the old faces with which he was familiar.

Miss Mary Staples is visiting Janetville friends at present.

Mr. and Mrs. Edgar Staples, of Bright, Ont. are visiting at his father's, Mr. Jos. Staples.

Mr. and Mrs. L. Wright were at Cobocok during the past week attending the funeral of Mrs. Wright's sister, Mrs. Gostlin.

Miss Arnott, Port Hope, is visiting her aunt, Mrs. Gostlin.

Mr. Oscar Scott, who has been in Calgary for the last three months, returned on Friday. Mr. Scott had intended staying in Calgary, but has decided that "There's no place like home."

### A CORRECTION.

Dear Sir,—In the Manilla news of last issue of the W.-W. several errors were made by some of your staff, which I would like to see corrected in this week's issue. They are as follows:

The next Woman's Institute meeting will be held at the home of Mrs. H. Glendinning on Thursday, August 25th, instead of April 25th, and should have read an address by Miss Campbell of Mount Julian, instead of Mt. Pleasant.

On Monday, July 11th a large crowd of spectators witnessed a very interesting game of baseball played in Manilla between Manilla and the home team. This should have read between Woodville and the home team.

Yours truly,  
SUBSCRIBER.

Mrs. John Leslie presented her husband with a little daughter recently.

A very pleasant evening was spent at the home of Mr. J. R. Shea in Fleetwood Wednesday evening. The occasion being a party of small children numbering over thirty, along with a few adults. This party was gotten up by Miss Annie Shea, and was a credit to her, as everything

that would amuse the children was on hand, and all enjoyed themselves very much. A very fine tea was served and many a pleasing remark is heard when the little ones begin to tell their little tales of what all took place.

We wish Miss Shea a pleasant time and think her good work should be followed up by others in their turn, as a little outing like this does the children an immense amount of good.
