

AFTER DOCTORS FAILED

Lidia E. Pinkham's Vegetable Compound Cured Her.

Midge Station, N. B.—One can hardly believe this is it is not natural

that I am my case. For ten months I suffered from suppression. I had different doctors, tried different medicines, but none

my friends told me I would go into a decline. One day a lady friend told me what your medicine had done for her, so I wrote you for some and received your reply with pleasure.

I started taking Lydia E. Pinkham's Vegetable Compound and at the end bottle showed improvement. Now I am regular and never was so well in my life, thanks to Mrs. Pinkham's medicine.

Please publish my letter for the benefit of others.—MRS. JOSEPH W. ANDRUS, Midge Station, N. B.
