THE \$500 PRIZES

AT CANADIAN NATIONAL EXHIBITION WILL GO TO CATTLE.

The special prizes of \$500.00 each given by the Canadian National Exhibition, Toronto, go to the cattle classes that last year had the largest number of entries in the beef and breeds respectively.

The prize will go to the best animal exhibited in Shorthorns or Holsteins with regard to sex, and the value of it ensures a wide range of competition. It should prove a great incentive to cattlemen to put their best in great condition for showing.

The following left O.P.R. on the annual excursion to the shrine at Ste. Anne de Beaupre: Mr. and Mrs. B. J. Gough, Mrs. Annie D. Walsh, Mrs. P. Cosgrove, Calgary, Miss Graham, of Oakwood and Mr. Jas.

CAMBRAJ.
Cambraj, July 11.—Haying and raspberry picking is now the order of the day, both of which are a fairly good crop.

The Orangemen paraded to the Methodist church on Sunday evening. Mr Russell Irvine, of Lindsay, accompanied by his sister, Miss Edwina, visited Cambraj friends last week and attended the S. S. picnic.

Mrs. H. Rogers, accompanied by her grand-daughter, Miss Elva James, left to-day for a visit with her daughter, Mrs. R. Robins, of Myrtle.

Master Howard Clark is spending this week with his grandparents, Mr. and Mrs. Manning, of Hartley.

A number from here have been picnicking at the lake.

Canon Marsh, of St. Paul's, Lindsay, with the new curate, Mr. Kingston, called on the members of St. John's church last week.

The S. S. anniversary on July 2 and 4 was a success. The program on Sunday afternoon consisted of singing by some of the small children, and the choir, also a recitation by Master Elsworth Webster, and missionary dialogue by six boys and girls. An address by the pastor, Rev. F. Howard, on the uses of salt, was very interesting. The S. S. choir gave a song service in the evening, which was enjoyed by a large congregation, and was a credit to Mrs. W. B. Feir and Mrs. W. R. Clark for the training which they had given them.

On Tuesday the picnic in Mr. Feir's grove was well attended, and the children enjoyed numerous kinds of sport. The baseball match between Bryson and Cambraj was won by the Cambraj team by a score of 20-15.

MILLERSMITH. July 17.—L. O. L. No. 652 celebrated the glorious 12th in Fenelon Falls, and report a splendid day's outing.

The spring crop in this locality is looking well. Clover hay and fall wheat are a failure.

Mr. George English is busy erecting a new house, which when finished will be an up-to-date one.

Mr. James Kennedy, of Fairview Falls, reports a record breaker in growing peas. They were sown about April 20, and were up on July 5, having a good straw and well loaded with pods.

Mr. Orwell Zealand spent Sunday with friends at Fleetwood.

Miss Reta Pogue, of Little Britain, has been spending her holidays with Miss Alma Kennedy.

Bell Bros., threshers, have purchased a self-feeder for their threshing machine, and are busy preparing for a busy season of clover and grain.

Master Mansell Ashmore, who has been in the hospital for five weeks with typhoid fever, was able to leave on Monday, and is well on the way to recovery.

Master Carl Moynes and Miss Clara Spence, of M.C.I., are spending the holidays at their respective homes.

YELVERTON.
Yelverton, July 14. — Yelverton held their annual garden party on July 8th, which proved a great success. The proceeds exceeded previous years. Two very interesting games of ball were played. The first was Lotus vs. Yelverton, the result of which was an easy victory for the latter nine, the score being 22 to 1.

The second game was closely contested between Lindsay and Janetville, the latter winning out by the score of 6 to 1.

After the ball games a very dainty tea was served by the blushing young maidens of the community.

Mrs. Russell, of Toronto, has been visiting her sister, Mrs. G. Page, the past week.

Miss Lod Calver, of Caesarea, is visiting her aunt, Mrs. J. M. Porter.

Quite a number from here attended the celebration at Blackstock last Wednesday, and all reported a good time. Also a number of our loyal Orangemen spent the day at Cobour, and did not see home till the wee sma' hours of the morning.

The Misses Greaves, of Balsam Lake, have been visiting friends in this part the past week.

Miss Emma Henders and Miss Frankie Henders were at Blackstock last Wednesday.

teaching profession, and was a brilliant student and a successful teacher. Spinal trouble compelled him to relinquish the calling he loved so well, and the disease made such havoc of his mental powers that for some time his friends had him cared for in the Toronto asylum. Dr. Kelly finally had his brother brought to his home, where he was cared for till the time of his demise. The deceased was well and favorably known, and universal regret is felt in the neighborhood of his late home. Besides his widow, who resides in Omemee, two brothers and two sisters survive. The deceased was prominently identified with the Masonic and Orange orders, and was a member of the Presbyterian church.

—The following left O.P.R. on the annual excursion to the shrine at Ste. Anne de Beaupre: Mr. and Mrs. B. J. Gough, Mrs. Annie D. Walsh, Mrs. P. Cosgrove, Calgary, Miss Graham, of Oakwood and Mr. Jas.
