Presentation by Pupils of SS. No 3, Emily

On Saturday afternoon the pupils of S. S. No. 3 Emily held a farewell picnic along the banks of Emily Creek. During the course of the afternoon's sport Miss Macdonald, their teacher, was presented with a handsome writing portfolio. The following address was read by Mary Harrington while Florence Meehan made the presentation:
Dear teacher, - Having heard with regret that you are about to depart from our midst we, your pupils, take this opportunity of trying to show in some slight degree our appreciation of your efforts as a teacher. During the two years you have been with us you have labored most assiduously in our behalf and have shown by your earnestness, your zeal and your patience that you were in thorough sympathy with your work; that it has been a success is shown by our rapid advancement.
We shall look back to your two years' teaching as the happiest period of our school days, as our studies instead of tasks were by your scholarly ability made sources of pleasure while the many picnics, concerts and other entertainments which you prepared for us were not only an enjoyment but an education. We shall try to imitate as far as possible the good example you have always shown us, and profit by the kindly advice given us and should we meet in after years in different spheres of life you may have the satisfaction of knowing that your good work has not been in vain. We only hope that in your new field of labor you may meet with the same success as you have met with while amongst us and may form as many new friends as you are now leaving. Before bidding you farewell we ask you to accept this writing portfolio as a slight token of our esteem for you with the hope that in using it you may sometimes remember the pupils of School Section No. 3 Emily.
Signed on behalf of the school: Meta Mitchell, Mary Harrington, Florence Meehan, John Patrick, Wilfred Ashmore, Sherman Kennedy.
Miss Macdonald replied in a most pleasing manner thanking the pupils for their kindness and thoughtfulness toward her during her stay with them.
Miss Macdonald leaves in a few weeks for her home in Port Arthur. We all join in wishing her success in her new life.

THE MARKETS.

Liverpool and Chicago Wheat Futures
Close Lower - Live Stock - Latest Quotations.
CHICAGO, July 2 - Sentiment turned overwhelmingly bearish to-day regarding wheat. The basis was the general rainfall covering the spring crop country last night and this morning causing prices to be easy, 1/4 to 1/2 net lower. The decline extended to each of the other pits, corn finishing 1/4 to 3/8 down, oats off 1/4 to 1/2 and provisions down 2 1/2 to 10c.
The Liverpool market closed to-day on wheat, unchanged to 1/2 lower than yesterday on corn, 1/2 to 3/4 lower. Wheat at Antwerp and Budapest closed unchanged.

Montreal Grain and Produce.
MONTREAL, July 2 - There was no improvement in the demand from foreign buyers for grain or flour, and the local trade was also quiet. The butter market is firmer, with a fair amount of business passing. The English demand for cheese is firmer, and prices rule higher. Exports last week were 125,000 boxes, as against 64,388 a year ago. A fairly active trade is doing in eggs. Provisions steady under an increasing demand for hams and bacon.

CATTLE MARKETS.
Toronto Live Stock.
TORONTO, July 2 - The receipts at the City Market were 49 cars - 600 cattle, 270 sheep, 495 calves and 300 hogs.
Butchers.
Only two lots came on the Western Market, and went at prices ranging from \$7 to \$7.50. In the \$7.50 class there were 12 heavy steers and heifers of an extra fine grade of grass stock. The ruling prices on the grades offered in general were from \$7 to \$7.50, with sales slow.
Cows.
The market is still overloaded with soft, bulky cows, both old and young, and quotations made yesterday were from \$4 to \$5.25 for the good class, with an occasional one going at \$5.50, and in one instance at \$6. Dealers were offering the \$5.25 price as a standard on soft cows. Commons sold down to \$2.50.
Milkers and Springers.
For the past several days, while the price remains steady, sales have been slow on this class of cattle. There is a good supply on hand now. The range is from \$40 to \$60.
Stockers.
Over 100 head, just right for stocking purposes were offered, but as they were brought in as beef, the quotations were too high for stockers. One herd was bought last week under the old prices, at \$5.00, and are on hand. The prices yesterday ranged from \$4 to \$4.75, unless the grade was good. \$1.10 to \$1.25 was offered for a good class of stockers.
Calves.
Sales were made around \$7 to \$8, and a few lots were sold at \$8.25. Calves have been in demand, and the price fluctuations are generally close with an upward tendency, a quarter being added yesterday where extra offers were to be had. Deals were quieting \$3.25 at the top figure. The supply was not big yesterday.
Sheep and Lambs.
With the supply below the average, the quotations on light and heavy ewes remained the same - \$3 to \$4 and \$4 to \$5. Spring lambs raised a quarter on choice lots and were quoted at the close at \$8 to \$8.75. The short supply, with the demand a trifle brisk, brought buyers over with an extra quarter on sample lots.
Hogs.
A short supply, only a total of 300 hogs being offered, did not cause bulges in the quotations. The \$7.50 f.o.b. and \$8 flat prices still rule. Dealers state that there is nothing in sight on hog prices.
East Buffalo Cattle Market.
EAST BUFFALO, July 2 - Cattle - Receipts, 5000 head; slow; good to choice, 10c to 2c lower; common, 2c to 5c lower; prime steers, \$9 to \$9.25; shipping, \$8 to \$8.75; butchers, \$6.75 to \$6.25; heifers, \$4.00 to \$4.75; cows, \$3 to \$6.50; bulls, \$1.75 to \$6.50; stockers and feeders, \$4 to \$6.50; stock heifers, \$3.75 to \$4.25; fresh cows and springers slow and 2c to 4c lower; \$20 to \$25.
Hogs - Receipts, 15,000 head; active and 1c to 2c lower; heavy and mixed, \$20 to \$7.50; yorkers, \$7.50 to \$7.35; pigs, \$7.30 to \$7.50; roughs, \$6.75 to \$6.50; stags, \$5 to \$6; dairies, \$7.50 to \$7.50.
Sheep and Lambs - Receipts, 10,000 head; slow; lambs 2c, yearlings 5c lower; lambs, \$5 to \$6.25; yearlings, \$4.50 to \$7; ewes, \$5 to \$5.25; ewes, \$2 to \$4.25; mixed, \$3.50 to \$4.50.
Chicago Live Stock.
CHICAGO, July 2 - Cattle - Receipts, 6000; market steady to 1c lower; beefs, \$6.60 to \$6.65; Texas steers, \$5.30 to \$7.40; western steers, \$6.25 to \$7.70; stockers and feeders, \$4 to \$6.40; cows and heifers, \$2.70 to \$3.30; calves, \$5.50 to \$8.25.
Hogs - Receipts, 22,000; market weak 1/2c to 1c lower; light, \$7 to \$7.40; mixed, \$7 to \$7.40; heavy, \$6.50 to \$7.40; rough, \$6.50 to \$7.30; pigs, \$6.20 to \$7.75; bulk of sales, \$7.20 to \$7.40.
Sheep and Lambs - Receipts, 19,000; market steady to 1c higher; native, \$3 to \$3.35; western, \$3.25 to \$3.10; yearlings, \$4.25 to \$6.50. Lambs, native, \$3.50 to \$7.75; western, \$4 to \$7.75.
Cheese Markets.

Ops Council Refuse To Help

The members of Ops Township council are blocking the honest efforts of Col. the Hon. Sam. Hughes, M.P., Minister of Militia and Defence, and the town council of Lindsay and the council of the Township of Fenelon in the matter of having a direct road built between Lindsay and Cameron. The building of the above road would help all parties concerned, but in a letter to the town fathers County Clerk McNeillie stated that Ops council refused to have anything to do with the scheme or incur any expense. Clerk McNeillie's letter which was read at a meeting of the town council held last night, is in part as follows:
"At the January session of the County Council following the receipt of a communication from Hon. Samuel Hughes, M.P., relative to the proposed road from Lindsay to Cameron by the direct route across McLaren's Creek and marsh, it was decided to appoint a committee composed of the Reeves of Fenelon, Ops and Lindsay to enquire into the question and report at the June session. The committee subsequently decided to instruct the county solicitor to immediately take steps to ensure the opening by authorities of the Georgian Bay and Seaboard Railway of such a passage as might be deemed necessary for carrying the road in deviation from the concession line through the railway right of way and embankment joining the westerly concrete pier of the steel bridge across the Scugog river. At the June session a communication was read from Ops Council stating that they would not take any steps or incur any expense in connection with the proposed road. The communication was filed and the connection of the county council with the project appeared to be closed, at least for the present. In thus informing you, may I venture to suggest that the local municipalities concerned should at least make sure that the railway company in completing the filling at the westerly end of the Scugog bridge will provide the opening that was in the mind of the committee when instructions were given to the county solicitor. The way would then be open should it afterwards be decided to proceed with it.
