# DOMINION DAY CELEBRATION A HUGE SUCCESS

Dominion Day was celebrated with much enthusiasm and loyalty by citizens of Lindsay and in such a magnanimous manner, that all previous events have been obliterated from the mind of the public. Good, old loyal citizens of Lindsay, their love of home and the earnest endeavors of our merchants and manufacturers to make "the day we celebrate" a never-to-be-forgotten event in our town's history was fully exemplified on Monday. Merchants and manufacturers discarded all formalities and led their floats in company with the men who stood beside the buzzing saw or sat upon the delivery wagon. It was a day that brought cheer to everybody and the vast assembly seemed to form one body, which wished to mingle and form a great union of hearts and hands. From the number of Lindsay old boys one met on the street thoughts of "Home-Week" came to mind, each of whom were unanimous in the decision that the parade was greater and grander than could be really anticipated. Several hundred visitors were in town from Toronto, Peterboro and the north country, who had heard of the great celebration which struck all with admiration at the great interest taken by citizens in making the first of July a memorable one.

The day was a red letter one in the history of the town, weather conditions being ideal. An excellent program had been arranged by the Lindsay Advancement Club, an organization which gives promise of putting Lindsay on its feet in the eyes of the outside world and it is safe to say that the celebration was a complete success in every respect. Commencing with the monster street parade in the morning, and closing with the baseball games in the afternoon. An enormous crowd flocked

to the Agricultural Park, where various kinds of sports were witnessed, and although at times there was considerable delay, yet on the whole everything passed off in a highly satisfactory manner, and the Club deserves every credit for the splendid success of the celebration. President Allan Gillies, Second Vice-President P. J. Breen and other members of the Club worked like beavers throughout the day and were untiring in their efforts to make the Dominion Day celebration the huge success it was.

**MONSTER STREET PARADE**  
 The much-advertised street pageant will go down into history as one of the best, if not the best of its kind ever witnessed in Lindsay. The monster procession, which started sharp on time from the mill yards of the Canadian Cereal Company, contained a number of excellent floats, while the comic turn-outs and the autos presented a fine appearance. The procession traversed the following streets: Ridout-st., to Kent-st., to William, to Wellington, to Sussex, to Kent and back to the mill yards. The streets were black with people who manifested a deep interest in the various floats, and many complimentary remarks were heard in regard to the entire procession, the winners being as follows:

 Mr. G. H. Wilson's auto, tastily decorated with flags and bunting, and a number of other autos.

**SOME STRIKING FLOATS.**  
 The judges experienced considerable difficulty in awarding the prizes, owing to the many fine floats. Mr. John Carew's magnificent turnout came in for considerable praise, he having gone to considerable trouble in order to turn out an A-1 exhibit. The Canadian Cereal and Milling Company's float was also a good one, the barrels and bags of flour, etc., being well arranged, while the decorations were also well carried out. Several miniature signs were noticed bearing the words: "Made in Lindsay," and "A food not a fad."  
 Dundas & Flavelles Ltd. turned out a beautiful float, depicting two fashionable ladies at an afternoon tea, richly attired in the latest Paris gowns. Mr. A. L. Campbell showed considerable energy, and his four delivery rigs, all decorated and carrying goods, found for sale in his

up-to-date grocery store, were roundly applauded.  
 Without a doubt a strong feature of the parade was the handsomely decorated auto car, owned by Mr. Bert Naylor. Mr. Naylor's fine new Hupmobile five-passenger car was entirely decorated with bunting and flowers, not a piece of the woodwork of steel of the car being visible. He had as passengers five pretty Lindsay maidens, all nicely gowned and wearing flowers in profusion. Mr. Felix Forbert's car was also well decorated with bunting and flags and came in for considerable praise. Mr. J. D. McLean's fine car was nicely decorated with maple leaves, while a number of young girl passengers sang very sweetly, "The Maple Leaf Forever."  
 Mr. Jack Gray carried off first prize for the best comic costume on foot. His make-up was original and good, representing a policeman of portly frame, driving a baby pig. The costume caused considerable amusement, the pig swallowing the contents of four bottles of milk.  
 The float representing Rexall's A. G. Randall was in charge of the

goods and designed by Mr. W. G. Dunoon, was also highly complimented. A sick man, a nurse and a doctor were the subjects on the float.  
 One of the best trade floats in the procession was that representing Ald. Wm. McWatters' electric bakery. Mr. McWatters had four rigs in the procession, the drivers on the bread wagons being nicely costumed in garments of spotless white. This well-known firm, which has been doing business in Lindsay for a large number of years, is always found in the lead, and the reputation of McWatters' Electric Bakery is widespread, the firm turning out the very best of bread, buns, etc. The staff of life, as made by the above well-known firm, cannot be excelled.

**CHILDREN'S CHORUS.**  
 After Mayor Wood's capital address before the people in the grand stand, which was of a patriotic nature and delivered in an eloquent manner, the program opened with a grand chorus by some 200 children. The choruses rendered by the children were very much appreciated and well-rendered, despite the fact that the majority of the boys, who had received free tickets to the grounds failed to put in an appearance. Mr. G. H. Wilson's auto, tastily decorated with flags and bunting, and a number of other autos.

**THE RACING EVENTS.**  
 Considerable delay took place in getting the races under way owing to the fact that there was no bell for the starter. The three minute trot proved to be quite interesting, the three heats resulting as follows:  
 Harry, George Curtis, 1 1 1  
 Little Jenny, F. Fee, of Omenee, 2 2 2  
 Miss J. J. Jas. Thorndyke, 3 3 3  
 Oakwood, 1 1 2, 1 1 8 and 1 1 6.  
 The pony running race brought out four starters and a very exciting race followed, which resulted as follows:

 Stanhope, Foster, 2 2 2
