Lyric by EDGAR SELDEN. Composed by ALBERT ALBRO, the sensational young tenor of AL WOOD'S magnificent production, "GYPSY LOVE". Composed by ETTORE MARTINI.

There's a When your thought that off thrills me when I'm lone-ly, That makes my eyes look in mine I know their mean-ing, I learn the heart throbs be-cause I want you on-ly, 'Tis not be-cause I doubt the treas-ured words you've spok-en, Nor is there now con-tent where'er your love may lead me, I care not

CHORUS *sempre festoso molto*

Do you re-gret what you've been to me Do you re-gret you ev-er knew me? Here 'neath the moon-beams, we live on in love-dreams, In fan-cy it still seems our lips have just met, You love me, you've told me, So in your arms fast hold me.

Kiss me if I ask a gain, and say, Do you re-gret? re-gret?

The HOME BANK OF CANADA *Original Charter 1854*

Keeping Track of Household Expenses

There are many forms of Housekeepers' Expense Books devised to keep account of the expenses of the household, but the simplest and most certain method is to deposit the month's allowance in the Bank and pay bills by cheque. At the end of the month all the cheques will be returned, with the passbook accurately made up. The entries in the passbook will give the itemized expenses for the month, and beside this, the returned cheques are your receipts for the accounts paid.

The flies that are now in your kitchen and dining room were probably feasting on some indescribable nastiness less than an hour ago, and as a single fly often carries many thousands of disease germs attached to its hairy body, it is the duty of every housekeeper to assist in exterminating this worst enemy of the human race.

News Items of Interest From Bobcaygeon

Bobcaygeon, July 6. — This has been real summer weather. All week Old Sol has smiled white we have perspired, but as this is the season for such weather we must not complain. The continued drought is affecting crops to some extent already and farmers are somewhat perturbed over the fear of another dry season. We have had two showers during the week with better prospects ahead and if this is the case crops will pull along—at the present, though, with any continuous dry weather quite a large proportion of the crops would be seriously affected.

Fishing is keeping well up to the mark and guides are kept moving to accommodate all those who would have a fish.

The garden party of the Ladies' Aid of the Methodist church in the park grounds last Friday evening was well attended. The brass band lent a very pleasing effect to the evening. About \$80 was realized which will be applied on the new Sunday School.

Quite a number spent Dominion Day in Lindsay attending the demonstration and so far we are informed they were well pleased with the entertainment. Just whether the parade, or the May pole dance, or the patriotic singing of the school children or the baseball tournament, or the races, was the best, has not yet been decided but to use a phrase of one from here it was all good, and so it was.

The cyclone in Regina last Sunday brings to mind the hurricane here last year in June when considerable damage was done throughout the country. Anxious ones were at once enquiring as to the safety of friends. Mr. James Moore, brother of Mr. W. E. Moore here, who runs a blacksmith shop there at once wired their safety. Many expressions of gratitude were heard of the miraculous escape of Rev. H. T. Lewis, who for two summers camped on the hill back of the station and who, with his invalid wife, endeared themselves to all. Miss Grace where she held a position in the returned the Wednesday previous, Robinson, of the village, had just partment of Public Works and had been there would no doubt have been in that portion of the city. Dr. Henderson's Herb Treatment

Essey Malott, Kingsville, Ont., says: "I have suffered with Muscular and Sciatica Rheumatism for over 20 years. I purchased a box of Dr. Henderson's Herb Tablets last January from your agent. He assured me they would cure me after taking them for one month: I was cured and I never felt better in my years. I would gladly recommend them to anyone with Rheumatism."

I got a box of Dr. Henderson's Herb Tablets in June, 1909, and in less than three months my rheumatism was all gone and has never returned. It is a great blessing to suffering humanity that there is such a medicine as Dr. Henderson's Herb Tablets as I have tried so many without any results."
