TWICE TOLD TALES

News of the World Condensed Into Brief Paragraphs

The Steamer Queen was destroyed by fire at St. John, N. B. The loss is heavy, covered by probably \$10,000 insurance. Jay Farran's barn was struck by lightning at Tweed and one horse was killed and another stunned.

Mr. Alfred Moore, of Corinth, near Alymer, was digging with a gang of men in a ditch the earth suddenly caved in on him, killing him instantly.

The eruption of Mount Vesuvius is increasing in intensity. The lava stream has reached to with 65 feet of Pompeii.

Elsie Daigle, Ottawa, died at the hospital as the result of a wound in the head, which he received from a falling stone two months ago while at work in a pulp mill in Sturgeon Falls.

Tommy Bennett, son of W. Pennington, farmer, of Kars, Carleton county, was seriously injured as a result of being tossed by an infuriated cow. He was heading off a stampede of butcher cattle.

The barn of Mr. James Doherty, a farmer residing in Asphodel township, was struck by lightning and completely destroyed.

Norman Arnison, a Regina well-digger, when half way down a 90-foot well, fell to the bottom. He called to be drawn up, and when within 20 feet of the top was overcome, and dropped again to the bottom with fatal results.

Mr. and Mrs. C. J. Glidden, of Boston have started from Copenhagen in an automobile, intending to cross the Arctic circle.

During a heavy electric storm at Warton, Mr. Thos. Lyne's barn, about a mile out, was struck by lightning and totally destroyed.

When Murderer Dougal, of the Moal House tragedy was on the scaffold, the clergyman attending him made a fervent appeal to him to confess his crime.

James Carscallen, a farmer residing in the township of Hungerford, went to catch a horse which was at pasture, when the animal kicked him savagely, fracturing his skull and inflicting injuries which caused death in a few minutes.

The extensive petroleum works at Balakhamy, Russia, have been burned. The fire is supposed to have been of incendiary origin.

This is a great year for the Indians in New Ontario. What with the railway survey parties, government survey parties, and the great increase in tourists, the demand for guides and canoes exceeds the supply.

On Tuesday of last week, for the first time in Manitoba, the Darby land digger was tried upon the prairie sod, near Brandon, and those present express great satisfaction with the work done.

Last night during a heavy thunderstorm the house of John Keall, a farmer, of Macaulay township, near Bracebridge, was struck by lightning, and his youngest daughter, Jessie, nine years of age, who was sleeping with her eldest sister in a bedroom downstairs, instantly killed.

The body of Richard Gibbs, employed by the Ontario Malting Iron Company, Oshawa, was found dead this morning at one o'clock on the Grand Trunk Railway track about a hundred yards east of Oshawa junction in a terribly mangled condition.

An explosion at the Sun and Moon mine, Idaho Springs, Col., wrecked the transformer house, set fire to the oil in the transformers, and threatened the destruction of the main shaft.

Two small powder magazines in the midst of the houses of fifty mill operatives, at Lowell, Mass., exploded with a frightful concussion, and the lives of more than a score of persons were cut off and 50 others were loading kegs of powder from one of the magazines were blown to pieces.

Mr. John Adams, reeve of the township of Rama, and Mr. Gunn, K.C., of Orillia, solicitor for the township, had an interview with How Clifford Sifton and Mr. Pedley, superintendent-general of Indian affairs, in regard to some assistance from the Federal treasury towards the maintenance and construction of the roads and bridges in the district.

There are a great many Indians located on lands scattered through the township of Rama, and they contribute nothing to the municipal revenue, though they enjoy the public works constructed by the municipality.
