The Edmonton Journal, of Aug. 10 says: 'Col. Sam. Hughes, M. P., spent several days in town this week. The colonel owns most of the odd sections in township 50, ranges 7 and 8, immediately west of the town. He drove out to these lands and also visited Islay, where there are many of his old constituents. Mannville, and Edmonton. He speaks of putting a steam plow to work on some of his land near Vermilion, and everybody in the district will hope that he will do so, as what is most needed here at present is a larger area under cultivation. The colonel was present at the luncheon to the Pennsylvania State Editorial Association.'

Visitors to the Toronto National Fair should not fail to visit the Igarrote Village. The village will be strictly typical, and the customs of these wild people, from the Philippine Islands, will be fully shown. At the St. Louis World's Fair this village was a great attraction.

In the second quarter Peterboro scored in eighteen minutes, both clubs playing very good lacrosse.

Jack McNichol scored, and the Shamrocks got another in one minute. The whistle blew for the end of the second quarter before another goal was made, the score being 4-1.

The third quarter began with a goal for Shamrocks in one minute, and it took 16 minutes to score the next. The Checkers had a strong defense, and the Shamrocks found it difficult to penetrate when playing uphill. The score was 6-1 when the third quarter ended.

In the last quarter the Shamrocks scored three goals, making the result 9-1. They will next meet the Toronto Junction club.

There were not very many spectators, Peterboro people being in the majority. They came by special train with the Shamrocks.

A lacrosse match was played on the agricultural grounds here on Saturday afternoon between the Junior Shamrocks, of Peterboro, and the Junior Checkers, of Beaverton, the result being 9 to 1 in favor of Peterboro. The following are the names of the players and their positions in the field:

Beaverton: L. Hixson goal, G. McAdden, H. Martin point, G. White cover point, I. Reilly 1st defence, M. McFee 2nd defence, C. Walton 3rd defence, W. Burgess centre, E. Reilly 3rd home, J. Overend 2nd home, J. McNichol 1st home, D. McDonald 1st home, C. Cave outside home, C. Cave out home, J. McK. Johnson home, Field captains, E. Ford, Peterboro, H. Cameron, Beaverton.

Mr. Ambrose Regan, of Peterboro, acted as referee, and Messrs. Crowley, Peterboro, and Talbot, Beaverton, were timekeepers. Penalty, Mr. H. B. Clemes. Goal umpires, Dr. Colleson and Mr. F. Morgan.

The game was somewhat one-sided all through, the Peterboro boys playing with more determination than their opponents. This was the first away from home game of the Beaverton club, and they were perhaps lacking somewhat in aplomb.

The individual play of the Checkers was about on a par. In handling sticks they showed good practice and skill, but they were not equal in endurance and in swiftness to the Shamrocks. There was a good deal of rough play that does not belong to good lacrosse. Referee Regan imposed sixteen penalties, and overlooked many lesser offenses which would not go in a senior event.

Beaverton got the first goal in one minute, Moore scoring, and Peterboro the second in five minutes, Jack McNichol making the lucky shot. The Shamrocks got the next in ten minutes, Tucker scoring. At the end of the first quarter the score stood 2-1 for Peterboro.

There are some exceptions. Bananas have little digestive action. They may be eaten with any meal. Bananas are as much a food as any fruit.

When the stomach can tolerate them, stewed figs or apples may be eaten before breakfast. They are advised for their laxative effects. Half a dozen stewed prunes will often have the same effect when eaten half an hour before breakfast. Twice as many if eaten with the meal or after it, may be without effect.

Care should be taken not to eat many fruits on an empty stomach, for they frequently cause acidity. Grapes rank high in this category, and should be eaten at the end of the heaviest meal.—Youth's Companion.

Mr. John Smith, of Toronto, who has been visiting Mr. Gordon Hopkins for the past month, took very ill on Friday last from heart trouble. Since that time he has been unable to do anything. Mr. Smith will return to Toronto as soon as he feels able to undertake the journey. That he may recover his good health is the wish of those who have made his acquaintance here.

Mr. Fred Stephenson is still feeling very poorly. The hot sultry weather is very trying to him, and retards his recovery.

Mr. Jos. Holbrook is spending his vacation at Mr. R. Carr's, about six miles east. The village boys say they can almost hear wedding bells.
