**HAVE YOU REMEMBERED IT**  
 When packing for the country cottage, don't forget your box of Zam-Buk! Blisters, sunburn, scratches, insect stings, etc., if not immediately attended to, are likely to spoil your pleasure. Zam-Buk ensures you against trouble from these. Take Zam-Buk instead of "taking chances!"  
 Zam-Buk is antiseptic; kills all poison in wounds, whether from barbed wire-ence, or insect sting. Soothes aching feet and blistered hands; heals baby's chafed places; cools those sunburn patches, and prevents freckles. No mother should be without it. Purely herbal in its composition, Zam-Buk is always superior to the ordinary ointments containing animal oils and fats and mineral coloring matter. All druggists and stores sell Zam-Buk, but avoid harmful substitutes.

**LIGHTNING STRUCK CHURCH.**  
 Thursday morning's severe electrical storm did considerable damage in Eldon. The Glenarm Presbyterian church was struck by lightning. At Cambray the residence of Mr. Dan. Sinclair was struck, doing much damage.  
**REGATTA AUGUST 17.**  
 The Sturgeon Point regatta committee met at the Point last evening and made preliminary arrangements for the annual regatta. It was decided to hold the regatta on August 17, and every effort will be put forward to make it the best ever held in the history of the association. The prize lists will be out in the course of a few days.  
 It is intended that the prizes will be the most valued offered by any of the Kawartha Lake regattas, and that is worth considering.  
 Launch races will be numerous this year, and suitable classes will be made, giving everyone owning a motor boat an opportunity to decide whether or not their neighbor's craft can trim him.  
 Canoe races of all kinds and a tilting tournament will likely be instituted as well as swimming contests besides.  
 New and dainty pins will be sold again this year, and the committee will wear badges to enable contestants to distinguish them when wishing advice concerning the events.  
 It only the people of Sturgeon Point and Lindsay will become interested, the annual Sturgeon Point regatta can be made an enjoyable day that will be reminded for many years.

Tommy has confided to his friends that he never felt better in his life.

**SERIOUS ACCIDENT.**  
 The first serious accident to a local automobile occurred on Friday afternoon on the road from Fenelon Falls to Sturgeon Point, when Mr. G. H. Hopkins' automobile ran into a swamp and was badly damaged.  
 The car was being driven by Dr. Bruce Hopkins, and while endeavoring to avoid a mud puddle, he ran the car near the edge of the road, with the result that the soft earth gave away and the car headed for the swamp and landed in a brush heap.  
 The sudden stop threw both occupants through the glass wind shield, and both received several scratches, cuts, and a severe shaking up.  
 The car was put on a stoneboat by block and tackle, and taken to the Point. Mr. Hopkins estimates the damage to the car at about \$100.  
 It was a miraculous escape, for had the car overturned both occupants might have been seriously injured.

**Cameron Resident Attending Big Convention At Jamestown**

The Warder this morning received a post card letter from Mr. H. Perrin, of Cameron, Ont., who is at present attending the convention of the International Bible Students' Association at Jamestown, N.Y.  
 It is estimated that there are 5,000 delegates in attendance at the convention. They are being cared for in the homes of Jamestown and at all points around the lake. They are an unpretentious people, if we may judge them by their mode of dress, which is plain, among the ladies few big hats being in evidence, and in many instances only a neatly folded, snow white handkerchief, fastened with a plain hat pin, covering the crown.  
 Wednesday two hundred and thirty delegates to the convention were baptized in Chautauqua Lake, symbolizing their consecration in the Lord's service. This interesting ceremony was witnessed by a crowd of between two and three thousand delegates and Jamestown people who thronged every possible vantage point from which the act of immersion could be seen. In fact for some time before the baptism was commenced, many had taken their positions, and were waiting for the first candidate for the baptism to appear. Those who had never witnessed such a baptism expectedly waited and it was certainly an unusual scene at a summer resort. Tents had been erected nearby to serve the purposes of dressing rooms.  
 Following the masterly discourse of "Baptism" by E. W. Brenneisen of Brooklyn in the auditorium, the candidates for the baptism went into the improvised dressing rooms to prepare for their immersion, a religious ceremonial of great standing among millions of Christians. It was a warm forenoon and the warm lake water made it an agreeable experience physically. The number baptized was about equally divided between men and women.  
 The delegates and others are greatly interested in Pastor Russell's question drawer meetings because of the exhibition these questionings give of Pastor Russell's marvelous knowledge of the Bible. "He has the Bible right here," said one of the leaders yesterday, tapping his head. "He is the most wonderful Bible student in the world. I have attended some of his question meetings in England and Ireland that lasted six and seven hours."  
 Pastor Russell is a remarkable man. He is now 58 years of age, and has been lecturing for 35 years. He came into prominence through teaching that the wages of sin is death, not eternal torment. He took every text in the Old and New Testaments to prove his statements. He began preaching in the Brooklyn tabernacle the first Sunday in each month two years ago. Previously he preached one Sunday a month in Carnegie Hall, Pittsburg. On other Sundays he addressed large meetings in other cities by invitation from independent Bible classes, but accept invitations only from such cities as guarantee that seats will be free and no appeal made for financial assistance, and he, personally, receiving no fee.  
 Pastor Russell spoke in the Royal Albert Hall in London, the largest and finest auditorium in the world, on the Sunday evening following the death of King Edward VII., and made a tremendous impression on the British public. Five thousand people afterwards wrote for printed copies of his sermon.

**MR. SYMINGTON INDUCTED BECOMES PASTOR OF KNOX CHURCH, BEAVERTON.**

Beaverton, Ont., Aug 5.—The Presbytery of Lindsay held a meeting here to-day to receive Mr. T. A. Symington, M.A., into the ministry of the Presbyterian church and to induct him into the pastorate of Knox Church Mr. Symington's parents live in Port Dover.

**HAYES POINT NOTES.**  
 Mr. Geo. Babcock, Jack Rathmell, and Joe Rathmell, of Lindsay, and Arthur Rathmell, Geo. Swan and Milton McLennan, of Toronto, are camping at Mr. McCarroll's landing, and are having a good time and a good catch of fish.

**BEST FISH STORY.**  
 Talk about good fish stories, the following one, which is said to be true in every respect, is one of the best of the season.

As was stated by The Warder's Pleasant Point correspondent last evening one of the best catches of the week was made by Mr. Arthur Rathmell, of Toronto, who is summering along with other Torontonians at Pleasant Point. It appears that Mr. Rathmell was out in a canoe alone and all at once he felt a strong jerk or nibble at the other end of his line, and he began to haul in his victim. In some manner the canoe suddenly capsized, and Rathmell was precipitated into the waters of the Scugog. His companions on shore noticed the mishap and became anxious when Rathmell failed to make his appearance after several minutes. They were about to go to his rescue, when they heard a joyous whoop a considerable distance away and on looking around they were delighted to see their friend walking out of the water to shore with a large maskinonge under his arm.  
 It appears that after being upset from his canoe Rathmell, who is an excellent swimmer—a regular "water dog"—kept winding up the fish line and hauling his finny victim towards him. He reached the piscatorial monster, who was making extraordinary efforts to get away, and tucking it under his arm, he calmly walked out to terra firma.  
 He was congratulated by his friends on his wonderful feat.
