ANOTHER MILESTONE PASSED

The Bowmanville Statesman, one of the brightest weekly papers in the Province, has passed another milestone in the march of time and progress. The present year closes Editor M. A. James' thirty-second year as publisher. By dint of hard work the editor of the Statesman has accomplished the result aimed at, viz., he has established a paper that has the stamp of genuineness about it, or in other words what you read in the Statesman you can put down as a gospel fact. It is reliable. The Statesman is a paper well worth the support of the people of Bowmanville and the surrounding country.

THE RECENT STRIKE

"A Critical Review of the Recent Trainers' Strike on the G.T.R." is the title of a neatly printed pamphlet issued at the office of the Stratford Beacon, Stratford, by a railway veteran, Major Robert Larmer. Being a railway veteran he was well qualified to handle the subject in hand. The pamphlet contains an interesting and comprehensive review of the strike situation and the various phases of the strike are dealt with in a clear and decisive manner. The pamphlet is well worth reading, especially by railroad men, as it deals particularly with the recent strike and comes from the pen of a gentleman who has "been through the mill." Mr. Larmer in his publisher's note says: "On the solicitation and advice of some personal friends I have undertaken to publish in pamphlet form the contents of a hastily prepared paper under the heading of 'A Critical Review of the Strike.'" The present edition is a limited one, for distribution only, and will, therefore, not be on sale. Should it meet with such encouragement as would warrant it, a second revised and extended edition may be forthcoming."

50TH ANNIVERSARY.

The Montreal Witness, more commonly known as the Daily Witness,

A Tired Face
Is Good Evidence That the Owner Has Foot Trouble

Flatfoot is not to be laughed at—it is a serious condition, rightly called an epidemic in the modern time.
Thousands of adults suffering with rheumatism, with leg pains, weak ankles, tired and aching feet, bunions and calluses, should know that they are in the clutch of flat-foot.
The arch of the foot is breaking down, causing all these ailments.
The Scholl "FOOT-EAZER" gives permanent relief by providing the necessary elastic support to the arch or instep, and providing just the right pressure at the right spot.
It is made of two German Silver springs, leather covered, and are worn unobtrusively in any shoe. Can be taken out and changed from one pair to another.
They ease the foot by helping Nature, and are a practical, orthopedic invention, endorsed by the medical profession.
"FOOT-EAZERS" brace you up—are a cure and prevention for foot troubles.
If you know of a friend whose feet are troublesome, send him in for a free demonstration of the "FOOT-EAZERS."

Prevent and Relieve Headache

"It gives me great pleasure to be able to refer to Dr. Miles' Anti-Pain Pills as the best remedy we have yet had in our house for the prevention and cure of headache. My wife who has been a constant sufferer for a number of years with above complaint joins me in the hope that they may fall into the hands of all sufferers."

JOHN BUSH, Waterville, Me.
Used Them Four Years.
"Dr. Miles' Anti-Pain Pills are the best I ever tried for the relief of headache. I have used them for nearly four years and they never fail to give me relief. I have tried many other remedies, but have never found any better."

JOSEPH FRANKOWICK, 854 Trombly Av., Detroit, Mich.
There is no remedy that will more quickly relieve any form of headache than
Dr. Miles' Anti-Pain Pills.
The best feature of this remarkable remedy is the fact that it does not derange the stomach or leave any disagreeable after-effects.
Druggists everywhere sell them. If first package fails to benefit, your druggist will return your money.
MILES MEDICAL CO., Elkhart, Ind.

has braved the tempestuous waves in newspaperdom for fifty years, and The Daily Watcher takes this opportunity of congratulating the Witness on its anniversary. For half a century this paper has bravely and fearlessly faced the people, presenting arguments clearly and decisively, giving the subscribers, not only of Montreal, but of the whole province, good, truthful news. It has at all times dealt with matters fairly and impartially, and editorially commands the respect of even its adversaries. The Witness is a welcome visitor at The Watcher's sanctum.

NEWSPAPER NOT ADVERTISING MEDIUM.

There never has been and never will be any means for advertising devised superior to the newspaper. It is the newspapers that create centres of trade, because they are the force that controls public opinion.
When you buy advertising space you buy circulation, and circulation can be measured just as potatoes can.
See the list of subscribers of a newspaper, and you can judge its pulling strength.
There is no magic about preparing copy for a good ad—its contents consists of plain, honest talk. If you promise silks and deliver cotton, if you promise diamonds and deliver glass, if you promise hardware and deliver soft, that ad is an injury to you because it teaches the public that you are to be avoided.
To charge advertising with failure under these conditions would be as unjust as to make you pay another man's bill.
You must give the ad. time to germinate. Don't expect everybody to see your ad. the first time it appears. More will see it the second time, and if continued you will soon have every reader of your paper watching your announcements.
The time necessary for the germination of the seed can be cut short by using large space and carefully prepared copy.
You might have a dozen dinky ads scattered through a half dozen daily papers, but you will not get the result that you will not get the result that you would had you spent the same sum for one big ad. in one good newspaper.
All advertising can do is to tell your story to the man and woman at the breakfast table or after the evening meal. If the woman comes down town in response to that ad. it is then up to you and your clerks to see that every promise of that ad. is fulfilled.

HYMENEAL

BARRIE-McGUIRE.
On Wednesday afternoon, August 3rd, at 2 p.m., a very quiet but pretty wedding took place at the Baptist parsonage, Haliburton, the contracting parties being Mr. Robert Clossen Barry and Mrs. Myrtle McGuire, both of West Guilford. The bride was dressed in white silk with white hat and veil.
The bridesmaid, Miss Greta Sawyer, was also dressed in white. Mr. Harry Barry, brother of the groom, was best man.

KENDALL GETS REWARD.
Scotland Yard has decided that the reward of \$1,250, which was offered for the capture of Cr. Crippen and Miss Leneve after they had escaped from the hands of the police authorities, belongs to Capt. Kendall. Captain Kendall commanded the Montrose, on which Crippen and his typist sailed for Canada, and rendered important assistance in the subsequent detection and arrest of the fleeing suspects.

With The Jolly Campers at Rosedale

Rosedale, Aug. 20.—The Lindsay boys are enjoying the fine weather these days and Old Sol is playing havoc with their face and arms.
Going on expeditions is the order of the day. Yesterday being fine they took a paddle to Kirkfield. While there they visited the lifts, locks and also the ice cream parlors.
Mr. Bert Searle has the pleasure of being the first in the crowd to catch a black bass, although the fish happens to be a dead one.
"Spike" Martin is so long that when he goes to bed at night he has to let his feet hang out from under the tent.
"Dukey" McLean has got so lazy that all he will do is to sit up in bed and tell fish stories.
The boys intend to give a concert out in the moonlight to-night. Harvey Martin will be there with the goods.
Mr. Rod Porter has discovered a new remedy for decreasing fat. He keeps it dark to the rest of his mates, but when he gets back to town he intends advertising it.
The boys gave a chicken roast yesterday evening to their immediate friends and relatives. Where they got the chickens nobody knows.

Are Paddling From Minden to Lindsay

Minden, Aug. 20.—Mr. Harold Campbell, of St. Catharines, and his friend Mr. Clarence Kilner, of Toronto, started to-day to paddle down the Gull river waters to Lindsay, where they will take the train and return to their homes after a three-week's holiday at Mr. James Reynolds.
Mr. John North, of Toronto, is holidaying at Mr. Jas. Reynolds.
Mr. John Welch made a trip to Toronto and Prince Albert this week.
Mr. and Mrs. C. N. Granville, of New York, who have spent a three week's holiday, and Mr. T. Trumbull, Gull Lake, will leave Monday morning for their home, but will spend a holiday in Toronto on their way.
Miss Annie Graham returned to the city on Monday.
Diphtheria has again made its appearance in our midst, but this time a young boy from Lindsay came on a visit and when here about a week became ill and the disease was proclaimed diphtheria and the house is quarantined. He is a son of Mrs. Gillies, formerly of Minden, but now of Lindsay, who are the guests of Mr. and Mrs. Fielding, of town.

GOODERHAM.

Gooderham, Aug. 21.—The village school opened here on Tuesday, the 16th. Miss McCordic, of Roche's Point, is the new teacher in charge. Miss Irwin is visiting her sister here.
Mrs. J. Corkell was visiting a few days with her mother, who is very poorly.
The ice cream social and entertainment on Friday night was a decided success.

DONGOLA.

Dongola, Aug. 20.—Once more the harvest time is with us, and almost constantly one can hear the busy whirl of the binder.
As Mr. Bick intends holding quarterly service in the church at Norland next Sunday, there will be no church here on that day.
Mrs. Thos. Petch, who has been visiting her sister, Mrs. John Davis, recently, has returned to her home in Swift Current, Sask.
Mrs. Jas. Taggart has gone to visit her father and mother at Tessiers, Sask.
Miss Letitia Taggart of Fenelon Falls, visited at home last Sunday.
Miss Laura Chynoweth, of Kinmount, is visiting her grandparents here.
Miss Eva Taggart, who has been at Watson's Sliding all summer, has come home to do the work in her mother's absence.
Mrs. Jno. Chynoweth visited her mother on Friday, and picked a few thimble berries. Miss Lizlie Quinn went home with her sister to remain until Sunday.
There was a taffy pull and party at the home of Mr. Art. Barkwell on Wednesday evening.
Mr. Roy Barkwell is home from the Ross memorial hospital at Lindsay, but he is not able to walk as yet. He speaks very highly of his treatment by the staff while there.
Mrs. George Watson, of Watson's Sliding, visited at the home of her father and mother last week.
School commenced on Tuesday morning. Miss Bella Dundas, of Norland, is the teacher for this term. We have heard some glowing accounts already from the youngsters.

FOUND RAILWAY TICKET.

A well-known Lindsay business man to-day picked up a Grand Trunk Railway ticket on the street, which may be of value to the loser. It entitles the owner, John H. Ferguson, to passage on the above railway from Toronto to Detroit. Mr. Ferguson can have the same by calling at this office.

SEPTEMBER HARVEST OF NEW THINGS FOR FALL

Foreign and domestic purchases are daily arriving and crowding for prominence throughout our entire store

- Q We say September's harvest because months ago we were sowing the seed so that there would be no late harvest of the season's newest fall materials and garments gathered at this store.
- Q The fruits of our early sowing have been many. It has been an abundant harvest. The assemblage of new things from the world's best markets have been secured by very early buying and careful selecting.
- Q The best manufacturers have solicited our orders for they were large—buying as we do for three stores. The quantities we are able to handle proved a big factor in securing closest prices and more especially when you consider that spot cash payment is a big magnet to most manufacturers.
- Q Some of these lines we bought ten months ago—almost eleven—you know what that means—a very first choice and besides escaping all the advanced prices that shortage of production is sure to bring about.
- Q For the coming fall season we are in a strong position to make your shopping at this store a very profitable transaction for you. Do not forget that this store should be your store for a money-saving, quality giving, one price, lowest price first stand point. Here you pay only for what you get and we strive to give you the most value for your money that you can get anywhere. Come and inspect the many new lines that await your coming.

Now we can show you new Mantles, Costumes, Skirts, Waists, Wraps, Dress Materials, Trimmings, Silks, Gloves, Hosiery, Linens, Cottons, Carpets, General House-Furnishings and Clothing for Men and Boys.

IMPORTANT NOTICE TO COUPON HOLDERS
In accordance with our announcement when commencing the giving of Free Premiums and in keeping with the agreement on your coupons, we beg to advise those holding coupons to be sure and present them at our Premium Department not later than the 15th Day of September, 1910, this being the last day that they are redeemable. Big Baseball Game Assured For Saturday

The game next Saturday between Peterboro and Lindsay is assured, Mr. R. Butler having received a letter to that effect from the manager of the Peterboro team this morning. Mr. J. Oldham, who is manager of the West End Athletic Club, of the Electric City. Mr. Oldham states that Peterboro will be represented by one of the fastest teams that has ever played in Lindsay. The game will be played on the Agricultural park in the afternoon, and it is expected that the Peterboro team will be accompanied by some three hundred rooters. It is to be hoped that the public on Lindsay will turn out to see these two well known rival teams clash once more. It will be like olden times.

DUCKS RACED WITH TRAIN.

Passengers on the morning train to Lindsay the other day were witnesses of an unusual spectacle. When the train was crossing a bridge over a small creek a few miles west of the city, the noise frightened a flock of wild ducks, which took flight and races alongside the train. For half a mile the flock sped along, parallel with the car windows, while the passengers watched with interest the race. Then the birds, tired of the struggle, branched away from the track.—Peterboro Examiner.

FISHING AT CAYGEON.

Mr. and Mrs. William Rosenberg, of New York City, are making their annual visit to Bobcaygeon. Mr. Rosenberg, who is an ardent fisherman, says that his guide Dick Nichols, knows just where to find the big bass. One day last week, which Mr. Rosenberg calls his banner day, he landed a 5-lb. bass, two 4 1/2 pounders, and several more ranging from 1 1/2 to 3 1/2 lbs. These are the accurate weights, each fish being weighed immediately on being taken out of the water. Monday of this week they tried maskinonge and landed four good sized fish.
Maskinonge fishing has been good this week. Two persons in the up per lake had quite an experience with a 15-lb. lunge. In trying to land it into a canoe with a net, they upset. Fortunately they were good swimmers and expert canoeists. They righted the canoe and slushing most of the water out they swam with it to the shore. Then they noticed the piece of board to which the fishing line was tied, and going out for it the fish was still hooked. A few moments brought him to the canoe again and he was hauled in without ceremony.—Independent.

Suffered from Heart Trouble and Nervousness for Six Years
Lost All Desire To Live.
WAS FINALLY CURED BY THE USE OF MILBURN'S HEART AND NERVE PILLS.

"Mr. Regis Lavalles, Sorel, Que., writes: 'For six years, at least, I suffered from heart trouble and nervousness which took from me all desire to work and even to live. When I found myself in this condition and getting worse I took the medicine the doctor prescribed for me but without any result. One evening I was reading the paper when I saw your advt., so cut it out and the next day went to the druggist and procured a box, and since that time my nervous system has been in perfect condition. Be assured, gentlemen, that I will never be without Milburn's Heart and Nerve Pills for they gave me strength to work and support my mother, who is an infirm widow and of whom I am the only support.'"
Milburn's Heart and Nerve Pills are 50c per box, or 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

THE FIRST LAUNCH.
Two young Peterboro boys, Bruce Clegg, son of Mr. E. B. and "Billy" Gibson, the well-known West End ball player, who are now in the employ of the Department of Railways and Canals, had the honor of being the first to bring a gasoline launch into Redstone Lake, Haliburton, where the Government is building a dam. The two boys brought the launch on a wagon over twenty miles of the roughest road in the country and launched her. In a personal letter to a member of the Examiner staff, one of the boys states that Redstone Lake has a display of scenery that makes Stony Lake seem tame and simply abundant in salmon trout.—Peterboro Examiner.

ARE STILL OUT.
Conductors Buller, Haskell and Shaw, who were in charge of the three Toronto trains before the strike, are still out, but it is expected that they will be given their old positions in a few days. The three strike breakers, Long, O'Neill and Jones are still on the job.

City Solicitor F. A. McDiarmid Heard From

The city of Victoria, B.C., and the people of that city, their friendly disposition, kindly and capricious ways, have combined to please a former citizen of Lindsay, namely, Mr. F. A. McDiarmid, who some months ago left for Victoria to accept the city solicitorship. Mr. McDiarmid is now snugly ensconced in his office in the city hall in the western city and is busily engaged looking after the welfare of the city. He was called upon to write an examination before qualifying for the position and this test he passed with flying colors.
The balmy breezes of the little B. C. city inspired him to, as the old saying goes, "take up his pen to write a few lines" to his old friend, Ross G. A. Jordan, of Lindsay, and it is from the interesting and cleverly-penned epistle that the above few facts are gleaned. Mr. McDiarmid writes his friend that he likes the west fine, and has plenty of work to keep him busy. In the letter he asked to be remembered to a number of his Lindsay friends.

Two Lindsay Boys Who Received Medals

The Watcher has received a copy of Carnegie Hero Fund Commission in which the names of all those who have received awards for acts of heroism. The fund was established on April 15, 1904, and since that date 336 people have received rewards including two Lindsay boys, Alexander Cameron and William Raymond. The acts of heroism done by the Lindsay boys are as follows:
Alexander Cameron, aged twenty-seven, painter, saved George H. Bryans, aged eight, from drowning, Lindsay, Ont., April 24, 1904. Cameron swam one hundred feet to the middle of Scugog river, at flood stage, and effected rescue, becoming almost exhausted. He was awarded a silver medal.
William Raymond, aged thirty-eight, teamster, saved Victor Henry, aged ten, from drowning, Lindsay, Ont., February 27, 1906. Raymond, although just having recovered from a long siege of pleurisy, went out on weak legs on Scugog river to Henry's assistance, and after breaking through, swam thirty-five feet to where Henry was in the water. Swimming back to the edge of the ice with him, they were assisted to firm ice by others, who extended a board to them. Raymond was awarded a bronze medal and \$300.
