# OUR SCHOOLS

are the pride of our country and the hope of our people. Young Canada takes up the studies of another term being refreshed by two month's vacation.

The wear and tear of holiday times has no doubt wrecked your boy's clothes. The least enterprising boy can tear his garment full of holes in a two months' holiday. But B. J. Gough is here to fill the break and send your boys to school looking like gentlemen.

We have stocked up during the holiday weeks with a mammoth assortment of Boys clothing. We have suits neat, nobby and durable, warm for fall wear and yet not too hot for the balance of the summer.

Sui's strongly put together and a patch or two with it that may come in handy in a day of trouble.

We have suits for a trifle and suits of the finest every line is worth more than we ask for them and all are a great deal cheaper than the garments can be made at

Think what the opportunity means to those who want clothing, furnishings, hats and caps,

Note the inducements below, every garment will show its worth and every price is a cash chaser.
