apathy out of the ranks of the Wilforces. It was Hudspeth who never

It was Hudspeth who at Baltimore was quick to see the wisdom of upholding William J. Bryan in his demand that Alton B. Parker should not be the temporary chairman of the national convention and that & Progressive should have that honor. It was Hudspeth who backed up Gov. Wilson in his vigorous message Judorsing Bryan's stand and he backed him up too when other advisers of the Governor at Baltimore were showing the white feather and coup-

seling a straddle. It was Hudspeth who at Baltimore set his foot down on the proposition to provide the Wilson men with a second choice when some of the Wilson managers were telephoning to Sea Grit that the outlook for Wilson was bad-very bad.

It was Hudspeth who never lost his head, but who remained cool and firm during the convention's most trying days.
