What Lydia E. Pinkham's Vegetable Compound Did For Their Health-Their own Statements Follow.

Haliburton, P.E.I .:- "I had a doctor examine me and he said I had falling of the womb, so I have been taking Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. All the bearing-down pains have vanished. I have gained ten pounds in weight, the discharge is all gone, and I feel better than I have for a long time. I think any man is foolish to suffer as I did for

There is a great forsaking of the house of God and despising of His word, but all things hasten to the consummation, and the kingdom shall be the Lord's. On this particular Sabbath He was asked to read, and there was given Him the roll or book of the prophet Isaiah. Finding the place known to us as chapter lxi. They seem to have been offended not only at His saying, but also because He did not in their town some of the mighty works He had done at Capernaum. He reminded them that in the days of Elijah and Elisha it was not a widow or a leper in Israel who was in a special manner helped, but a widow of Sidon and a leper from Syria, although at that time there were many widows and lepers in Israel. It seems strange that when people of their own will cut themselves off from blessings they grow angry because they are not blessed. But such is the perversity of the carnal mind, which is enmity against God. Those words about Elijah and Elisha filled them with wrath, and they would have killed Him had He not slipped away from them.
