RETURNED HALE AND HEARTY

A journey through the outer wilds, along the paths of the hunter, where illimitable nature reigns supreme, was experienced and enjoyed by party of five Lindsay men, who returned last night. The five spent three weeks with paddle and portage among the lakes of northern Quebee, and were enraptured by the delights of the trip. Those who were in the party were : Harry Hammond, Sam, Britton, Fred Taylor, jr. Jerry Britton, Montreal, and Harry

These five Lindsayites enjoyed vacation, they say, in the heartiest nanner possible. They returned browned by the summer sun and with exceptional appetites and with the pleasant memories of a vacation among the finest of Camada's won Military Conference entrusted derful and profuse scenery. in the heart of wild nature, the denizens of the forest still wander in numbers, and away from the 'artificial' summer resorts, the pleasure seekers sought and found Milne | real enjoyment.

It was at Kipawa, Que., where the lakes, rivers and over portages to train. He succeeds Engineer Reid cies in the regular way. Maniwaki, Que, where the train was again taken for home. The first stretch of water traversed was Kipawa lake. Then followed dozens of lakes and rivers, and in all eighty portages. Two Hudson Bay posts were visited, one at Grande Lac HALL -In Mount Horeb, on August Victoria and the other at Lac Bar-26, to Mr. and Mrs. Wilfred Hall, ririe. Indian guides were taken at Lac Barririe to Maniwaki. The In-AKISTER-In the township of Veru- dians are of the Algonquin tribe lam, on Thursday, Aug. 19th, the that district. through the buttock. The ball also passed through the seat of the chair the patient is resting well.

SCHOOLS LACK TEACHERS

For the next ten months the rural schools of Ontario will have to merve themselves for a temporary sacrifice. Six hundred teachers holding third class certificates will this year enter the various Normal schools to prepare for a higher grade. That means nearly six hundred schools will have to look about for instructors.
