WEEKLY MARKETS.

Saturday's market was the largest for many a week. It showed a marked increase on last week's. And not only were the number of sellers much more in evidence, but the buyers also swarmed round in noticeably larger numbers.

Below are the market prices as they rule in Lindsay market. The prices have been carefully revised and corrected, and will appear weekly.

TYPHOID FEVER. The ambulance was sent to the G. T. R. depot on Monday, and conveyed Mr. J. Craig, of Kimmount, to the Hospital. He is suffering from typhoid fever.

ST. VITUS DANCE A Severe Case Cured by Dr. Williams' Pink Pills

St. Vitus dance is a disease of the nerves brought on by a morbid condition of the blood. It is a common disease with children and attacks females oftener than males. The only cure lies in plenty of pure blood, because life is the life food of the nerves. Dr. Williams' Pink Pills cure even the most severe forms of this trouble because they enrich the blood supply thus carrying the necessary food to the nerves. In proof of this we have the statement of Mrs. Alex. Cameron, Summerside, P.E.I., who says: "Some years ago my daughter Lena, a child of ten years, became afflicted with St. Vitus dance. At that time she was attending school and the first indication I had that she was wrong, was that she appeared easily discouraged in her studies. She was naturally a spirited child, not given to tears, but she would cry over what I thought should be easy work for her. The disease progressed so rapidly that in the course of a few weeks she became unable to hold anything in her hands, and we were obliged to take her out of school. She became so afflicted that she could not hold a cup to her lips without suddenly losing her hold of it. I knew from the first that the symptoms that she was showing were St. Vitus dance, and I had the opportunity of trying Dr. Williams' Pink Pills, describing the cure of a little girl afflicted as mine was. I hastened to get a couple of boxes of the Pills, and by the time she had taken them I noticed a decided change for the better, and she had taken a few boxes when she was entirely cured. Although she seemed thoroughly cured I was afraid the disease might return again, but it never did, and she has since enjoyed the best of health. I cannot thank Dr. Williams' Pink Pills enough for what they did for my child, and I hope my experience may be of benefit to someone afflicted as my daughter was."
