Baseball Tournament in Vogue--Big Times at Manilla, Sunderland, Kirkfield

Back in those villages to the west and north of Lindsay the people are just as great lovers of baseball, and in fact as "baseball crazy" as the inhabitants of greater cities. Baseball is their delight and Detroit never gave a more royal welcome to Ty Cobb as they hand out back in Mariposa when the best hitter and idol of the team wallops the ball for a few sacks. Manilla, now, for instance, has the fever and has it good and bad. Their team won the championship of the

Our old friend, the "Doc," took everything coming his way. Mariposa League this season, and every farmer for miles around turns out when a ball game is on hand. Now, yesterday a tournament was held in the burg, which lies just six miles to the west of Oakwood. This is an annual affair, and a tea and entertainment were also on the program. The proceeds go to the assistance of the public library. H. DeLary was the secretary, and M. McNeil, chairman. There were four teams entered in the tournament. Manilla, the home team, Valentin, the runners up in the league, Sonya, and a picked team who styled themselves the Gentlemen of Mariposa. The Valentin Sluggers won out. The Gentlemen of Mariposa! Just a word about those experts. When they first trotted on the field dressed in ordinary clothes, the vest they would have picked them to fish in the last division or thereabouts. Looks were deceiving, however, and the Gentlemen proved "drak horses" much to the chagrin of the Manilla outfit. In the first round Manilla received their bumps in good style from this outfit. The score was 5-9. VALENTIN GOT FIRST. To start at the first, Valentin and Sonya buckled up to start the ball a-riling. The game resulting was an uninteresting exhibition. The Valentinites rolled up a big score and

CIVIC HOLIDAY AT KIRKFIELD -LARGE CROWD--ATHLETIC EVENTS

Kirkfield celebrated her Civic holiday Friday in royal style. The weather was propitious and the program of sports and other amusement were run off without a hitch. The baseball tournament was won by Hartley, Victoria Road and Kirkfield being defeated. The diamonds are newly laid out and were hardly in shape, which prevented snappy play. The sports were held in the new school grounds, which are six acres in extent. A dancing pavilion, protected from the weather by a roofing, afforded plenty of amusement for the young couple. The float was in excellent shape and there was sufficient room for three sets. This was well patronized. A refreshment booth did a rushing trade in ice cream and soft drinks. The proceedings were opened by several selections on the bagpipes by the Lunan family, the father and two sons, dressed in Highland costume. The Highland fling was also danced and the dancers highly ap-

Labor Day Sports-- Big Athletic Events

Tom Longboat, five, and ten-miler and Marathon runner. Sellen, five-miler. Chas. Skene, walker. Tim O'Rourke, for weights. Meed, Flynn, Thompson, Smith, athletes and runners. Tom Flanagan, king of the I.C.A.C., Toronto. The above are the men who will represent the Irish Canadian Athletic Association, of Toronto, at the C.L.S. Labor Day sports in Lindsay on Monday next. All are athletes of the first water, men who have competed with the best in the world. Lindsay seems to have been favored by Tom Flanagan. Tom wrote to Rev. Fr. Collins saying that he would be in town sure with his famous string. The letter received this morning puts an end to the Classic City's hopes.

In another column Flanagan's opinion of Longboat is given. The great Indian, he thinks, is still very much on the athletic map, even if he did lose the Olympic Marathon. Not the most interesting man of the party will be the great and only Tom Flanagan. Tom is a brother of the champion weight thrower of the world. He is also the Big Chief of the Toronto Irishmen, and athletics in Ontario owe him a debt of gratitude.

He has got a crack bunch of athletes under his wing and is proud of them. Last year they cleaned up at most of the places they competed at, and it would take a barn to hold their medals.

The T.A.S. of Peterboro are not going to see all the prizes carried off under their noses. Not much Joe Dwyer, formerly of Lindsay, has got something to say down in that burg about athletes. Wherever Joe is, there is a team or an athlete fighting for first place. Then lone athletes from all over will compete for individual honors. These dark horses sometimes spring a surprise even against the best drawn and muscle in the country. Witness how Simpson and even Longboat sprung into the limelight.

Simpson is a man Lindsay folks want to see in his running togs. The Mississauga man ran in this town some years ago and won. And say, Mr. Flanagan, if you can bring Hilton Green, wherever he is, it would be nice. We'll all save our coppers Labor Day and stay at home. What's the use of going anywhere else when there will be such doings right in our midst. And we'll see Longboat.

JAS. HALWARD IN THE WEST. Jimmie Halward, of Cannington, who played lacrosse with Lindsay a few years ago, is in Medicine Hat at present. He is figured prominently in many hot contests and was knocked unconscious for several minutes in the last game.

ARE NOW OPEN. J. Sutcliffe & Sons' dressmaking parlors are now open. Those desiring a time reserved will do well to arrange with Miss Holmes at their earliest convenience.
