

MUSIC AND DRAMA

MARKS BROS. COMING.

The Marks Bros. No. A-1 Dramatic Company opened a four night's engagement at the Lowville opera house last evening. With the opening of the doors the S.R.O. sign was displayed, and as an only alternative many remained standing throughout the performance. The only disappointment of the opening night was borne by two hundred persons who were unable to gain admission. This is the first appearance in Lowville of the Marks Bros. No. A-1 Company, and that they will do a capacity business throughout the engagement goes without saying. The company is strong, exceptionally strong, and well balanced. Last evening "Two Nights In Rome" was presented, and the play afforded an opportunity for the display of elegant costumes and strong acting, both of which were taken advantage of. Passie Mae Lester, the leading lady, portrayed the character of "Stephanie De Mouravart" in a highly praiseworthy manner, and she was admirably supported by Kit-tie Marks and Lida Gardner. Add J. Sharpley, the leading man, in his stage presence and adaptability reminds one somewhat of Drew, and his support, also, is strong. In keeping with the play, the specialty acts were A-1 last evening, and there will be an entire change of bill each evening. The vocal solo work deserves special mention and high commendation.—Lowville, N.Y., Journal and Republican, Sept. 2, 1909.

At Academy of Music, Lindsay, on Sept. 20 to 25. Ladies' tickets 15c. Monday night.

GOES TO MIMICO.

A man is in the jail at present waiting to be sent to Mimico asylum. He is the victim of a form of lunacy, but does not seem to be violent in any way.

STRAYED PONY.

Chief Vincent has received word from Pickering this morning to the effect that a black pony has strayed or been stolen from that village. The pony has a white left hind foot and white spot on the side, and is short and chunky in build. It was branded on the right shoulder with a circle and a stroke across, and had a halter on.

PRIZED LINDSAY BIRDS.

We are pleased to note that one of our local poultry fanciers who exhibited his birds at the Canadian National Exhibition, for the first time met with encouraging success. Mr. Alex. Horn entered four Houdan chicks which made a clean sweep in their class winning first and second on cockerels, first and second on pullets in very keen competition.

TESTING NEW HEATING PLANT.

The courthouse was a warm place yesterday. The new heating plant was tested, and in one room the temperature was 82 Fahrenheit.

It was on Labor Day that the first test of the plant was held, and it proved very satisfactory. The heating plant is all installed now, but the finishing touches have yet to be completed.

The steam in the boilers was put on this morning, also.

TO ATTEND PLENARY COUNCIL.

Venerable Archdeacon Casey, pastor of St. Mary's church, will attend the Plenary Council to be held in Quebec City next week. He will accompany His Lordship Bishop O'Connor, of Peterboro, who will also be in attendance. The session will last until October, and many questions of vital importance will be discussed. All of the bishops and archbishops of Canada as well as other church dignitaries will be present.

TWO MEN KILLED.

Sydney, Victoria Mines, Sept. 18.—An explosion occurred in the smelter here Sunday morning. Two men have died and one has been badly burned. The water jacket surrounding the settler broke and the contact of the water and the white heat of the settler caused the accident. Three attendants, all Polesanders, were sitting close, and without a moment's warning, deluged with molten metal, brick and scrap iron. One man lived until Sunday at ten p.m., and died when they were placing him on a special train to be brought to St. Joseph's Hospital. A second man was

FAIR WEEK CELEBRATION

Dundas & Flavelles Limited LINDSAY - - - ONTARIO

brought to the hospital but died last night. The third man will get better. The flesh of all three was practically roasted off them.

WILL ATTEND ST. MIDUE'S. Peter and John Spratt, two of

Lindsay's best known and most popular young men, left this morning for Toronto, where they will attend St. Michael's College for the coming term. The boys' removal from town is a severe blow to the C.L.S.

and Lindsay hockey teams, as they were expected to assist Lindsay to win another championship this coming winter.

They have played on the champion C.L.S. team for the past three sea-

sons and are two of the most promising hockey players in the Province. The boys will be a great help to St. Miquels hockey team this winter as they are both very fast players and are sure of a place.
