Zam-Buk Cures a Case Which for Two Years Had Defied **Every Remedy Tried** 

A FARMER'S GRATEFUL TESTI MONY.

No case of eczema, skin disease, or ulceration, should be despaired of until Zam-Buk has been applied. The case of Mr. Francis Renoit, of Anne's (Man.), is a powerful illustration of Zam-Buk's efficacy. says: "I suffered from eczema for two years, and tried a great number of remedies. None of them, however, seemed to do me any good. "The ailment was mostly in my

legs, and both these were actuall raw from the knees down. A small sample box of Zam-Buk was given to me, and even so small a quantity as that did me a little good. I then obtained a proper supply, and by the time I had used a few boxes I was completely cured." Zam-Buk differs from ordinary

salves and embrocations in containing no animal oil or fat. It is comessences, and is an ideal natural combination of power and purity. It is highly antiseptic and instantly kills bacilli and disease germs, which settling into wounds and skin diseases, set up festering, blood poison,
