cents a bushel. The former prices paid on deliveries here were 86 to 87 cents per bushel, but a rush of orders has compelled the Erie Mills Company to secure all the wheat available. This section is acknowledged to be the best wheat producing district in Ontario this year. East of Tillsonburg the wheat crop was damaged by excessive rains, and considerable of the yield has sprouted. In the section surrounding St. Thomas the wheat yield this year has been exceptionally good. More wheat ,s being exported from part of the province than for one year in the past decade. Just at present the deliveries at this point are somewhat light, owing to the farmers being engaged in fall seeding, threshing, etc. The Erie Mills export principally to the Maritime Provinces, Newfoundland, the West Indies, and various ports in the United Kingdom.
